SB208

Proponent

Brett Anderson

Representing myself

Chairman Thompson and Members of the Committee,

I am submitting my testimony supporting SB208. First off, I want to express my feelings about drop boxes. I believe drop boxes are totally unnecessary. Kansas allows almost a week of early voting at multiple locations, plus multiple locations on the day of election. All those locations have a ballot box you can drop your ballots in, and those places have employees making sure the box is secure. If you can get to a drop box, you can get to a polling location. With that said, this bill is a step in the right direction. One box, located at the election office, and being monitored during business hours is an improvement. Again, I am voicing my support of SB208.

Respectfully,

Brett Anderson
