

SB 208

Proponent Testimony

February 17, 2023

Dear Honorable Chairman Mike Thompson and members of the Senate Federal and State Affairs committee,

I strongly urge your support to SB 208.

I agree that the number of drop boxes across the state does need to be limited or completely done away with. If you did ever see the Movie " 2000 Mules" then you would see how drop boxes can and do take away from election integrity and can alter the outcome of an election. Please do yourself a favor and see this nonfiction excellent presentation, if you have not already done so. Please, let us do all that can be done to secure our Kansas election process.

I would appreciate your support to SB 208.

Sincerely,  
**C. Simms**

**Resident, Senate District #36**
