

Nancy Moneymaker

Address in rural Johnson County between De Soto and Panasonic.

Please note that I am in favor of

Senate Bill No. 366

This bill to patch a loop hole to possible bad actors and fraud in the election process is needed.

Seemingly procedural sb366 is a necessary step.

Upon full reading of the SB366, Section 1 (g)(2) may need another look to cover ambiguity of the words 'until the close of the polls on election day' in relation to the preceding words of Section 1 (g)(2).
