

Kansas Academy of Physician Associates

**Remarks Concerning House Bill No. 2358
Senate Committee on Federal and State Affairs
March 18, 2024**

Chairman Thompson and Members of the Senate Committee on Federal and State Affairs:

The Kansas Academy of Physician Associates (KAPA) appears today in support House Bill 2358 as amended by the House Committee.

The measure relates to an important duty for a healthcare provider and assists in the timely completion of the medical certification.

The amendment offered by the Kansas Funeral Directors Association in the House Committee hearing satisfied concerns our Academy had with the original language in the bill and we fully support the version before you.

Thanks for your consideration on this matter of importance to Physician Assistants in Kansas and we ask for your support of our proposed amendment to House Bill No. 2358.

Sincerely

Doug Smith
Executive Director
