The Honorable Adam Thomas, Chairperson  
House Committee on Education  
300 SW 10th Avenue, Room 218-N  
Topeka, Kansas 66612

Dear Representative Thomas:

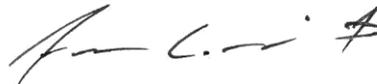

**SUBJECT:** Fiscal Note for HB 2248 by House Committee on Education

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2248 is respectfully submitted to your committee.

HB 2248 would require each school district to adopt policies and procedures to ensure parents of students enrolled have access to the educational materials and records pertinent to their child. The bill would require these policies to include provisions for parents to be informed and have the ability to inspect any materials provided to the student, including any professional development and training materials. In addition, the policies would allow parents to inspect and review any educational or health record maintained by the school district.

The enactment of HB 2248 would have no fiscal effect on state aid to school districts. Any administrative costs incurred by the school districts would be negligible, according to the Department of Education.

Sincerely,

Adam Proffitt  
Director of the Budget
