The Honorable Kellie Warren, Chairperson
Senate Committee on Judiciary
300 SW 10th Avenue, Room 346-S
Topeka, Kansas 66612

Dear Senator Warren:

SUBJECT: Fiscal Note for SB 412 by Senate Committee on Judiciary

In accordance with KSA 75-3715a, the following fiscal note concerning SB 412 is respectfully submitted to your committee.

SB 412 would require the supervision term in certain multiple conviction cases to be based on the longest supervision term imposed for any of the crimes. The bill would prohibit the non-prison terms from being served consecutively. Under the bill, certain supervision durations for drug and nondrug crimes currently established in statute would not apply. These supervision terms would not be considered a departure and would not be subject to appeal.

The Office of Judicial Administration indicates enactment of the bill would have a negligible fiscal effect on the Judicial Branch that could be absorbed within existing resources.

Sincerely,

Adam C. Proffitt
Director of the Budget
