REVISED

The Honorable Carolyn McGinn, Chairperson
Senate Committee on Local Government
300 SW 10th Avenue, Room 142-S
Topeka, Kansas 66612

Dear Senator McGinn:

SUBJECT: Revised Fiscal Note for SB 510 by Senate Committee on Federal and State Affairs

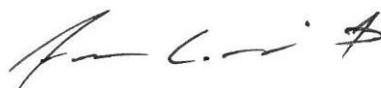

In accordance with KSA 75-3715a, the following revised fiscal note concerning SB 510 is respectfully submitted to your committee.

SB 510 specifies that any city that has previously provided sewer service to a property that was disconnected from the system would be required to reconnect the property to the sewer system within ten days of a request by the property owner. There would be no cost to the property owner if the disconnection was not from a failure to pay sewer fees. The bill would take effect upon its publication in the *Kansas Register*.

In the original fiscal note, the League of Kansas Municipalities indicated the bill's enactment could have had a fiscal effect on cities because cities would no longer have been able to collect fees for new sewer connections.

The League now indicates if the bill is enacted, cities would have to pay for the costs of residential and commercial reconnections of properties; however, regular stormwater and wastewater rate fees would still be collected.

Sincerely,

Adam C. Proffitt
Director of the Budget
