34 establishment, caterer or retailer.

35 (c) Except as otherwise provided by this section or K.S.A. 41-702,
36 41-703 and 41-2707, and amendments thereto, any financial instrument,
37 other than a second-party check, may be used by a club, drinking
38 establishment, caterer or retailer licensed under the Kansas liquor control
39 act or under K.S.A. 41-2702, and amendments thereto, to purchase
40 alcoholic liquor or cereal malt beverage from a distributor *or*
41 *microbrewery* and a distributor *or microbrewery* may accept any such
42 financial instrument as payment. In addition, a prepayment plan may be
43 used for the purpose of making such purchases if the amount prepaid does

1 not exceed the usual purchases made for the period of time for which
2 prepayment is made.

3 (d) Sales of alcoholic liquor by a distributor *or microbrewery* to
4 clubs, drinking establishments, caterers or retailers licensed under the
5 Kansas liquor control act or under K.S.A. 41-2702, and amendments
6 thereto, shall be final except that a distributor *or microbrewery* may:

7 (1) Buy back any item of alcoholic liquor or cereal malt beverage
8 ~~which~~ *that* such club, drinking establishment, caterer or retailer has
9 obtained the approval of the director to close out;

10 (2) buy back any item of alcoholic liquor or cereal malt beverage
11 when required by the supplier; ~~and~~

12 (3) buy back or exchange, within 24 hours after delivery, any item of
13 alcoholic liquor or cereal malt beverage ~~which~~ *that* is damaged or
14 deteriorated in quality; *and*

15 (4) *buy back or exchange, at the original sales price, any item of beer*
16 *or cereal malt beverage that is within 30 days of its expiration date.*

17 Sec. 11. K.S.A. 41-1101 is hereby amended to read as follows: 41-
18 1101. (a) No distributor licensed under this act shall purchase any
19 alcoholic liquor from any manufacturer, owner of alcoholic liquor at the
20 time it becomes a marketable product, exclusive agent of such
21 manufacturer or owner, microbrewery, microdistillery, farm winery or
22 distributor of alcoholic liquor bottled in a foreign country either within or
23 without this state, unless the manufacturer, owner, exclusive agent,
24 microbrewery, microdistillery, farm winery or distributor files with the
25 director a written statement sworn to by the manufacturer, owner,
26 exclusive agent, microbrewery, microdistillery, farm winery or distributor
27 or, in case of a corporation, one of its principal officers, agreeing to sell
28 any of the brands or kinds of alcoholic liquor manufactured or distributed
29 by the manufacturer, owner, exclusive agent, microbrewery,
30 microdistillery, farm winery or distributor to any distributor licensed in
31 this state and having a franchise to distribute the alcoholic liquor pursuant
32 to K.S.A. 41-410, and amendments thereto, and to make such sales to all
33 such licensed distributors in this state at the same current price and without
34 discrimination. Each manufacturer, owner, exclusive agent, microbrewery,
35 microdistillery or farm winery shall provide to each distributor written
36 notice not less than 45 days before any change in the current price of any
37 spirits or wine ~~which~~ *that* such manufacturer, owner, exclusive agent,
38 microbrewery, microdistillery or farm winery sells to such distributor. If
39 any manufacturer, owner, exclusive agent, microbrewery, microdistillery,
40 farm winery or distributor making the agreement violates the agreement by
41 refusing to sell such alcoholic liquor to any such franchised licensed
42 distributor in this state or discriminates in current prices among such
43 franchised licensed distributors making or attempting to make purchases of

1 alcoholic liquor from the manufacturer, owner, exclusive agent,
2 microbrewery, microdistillery, farm winery or distributor, the director shall
3 notify, by registered mail, each such franchised licensed distributor in this
4 state of the violation. Thereupon, it shall be unlawful for a franchised
5 licensed distributor in this state to purchase any alcoholic liquor from the
6 manufacturer, owner, exclusive agent, microbrewery, microdistillery, farm
7 winery or distributor. If thereafter such a franchised licensed distributor
8 purchases any alcoholic liquor from the manufacturer, owner, exclusive
9 agent, microbrewery, microdistillery, farm winery or distributor, such
10 franchised distributor's license shall be revoked by the director. If any
11 manufacturer, owner, exclusive agent, microbrewery, microdistillery, farm
12 winery or distributor of alcoholic liquor bottled in a foreign country,
13 making any agreement hereunder, does not have a sufficient supply of
14 alcoholic liquor of any of the brands or kinds ~~which~~ *that* the manufacturer,
15 owner, exclusive agent, microbrewery, microdistillery, farm winery or
16 distributor manufactures or distributes to supply the demands of all
17 licensed distributors having a franchise to distribute such alcoholic liquor,
18 the manufacturer, owner, exclusive agent, microbrewery, microdistillery,
19 farm winery or distributor may ration such alcoholic liquor and apportion
20 the available supply among such franchised licensed distributors
21 purchasing or attempting to purchase it, in accordance with a plan ~~which~~
22 *that* shall be subject to the approval of the director.

23 (b) No retailer licensed under this act shall purchase any alcoholic
24 liquor from any distributor *or microbrewery* licensed under this act unless
25 the distributor *or microbrewery* files with the director a written statement
26 sworn to by the distributor *or microbrewery*, or in case of a corporation by
27 one of its principal officers, agreeing to sell any of the brands or kinds of
28 alcoholic liquor distributed by the distributor *or microbrewery* and to
29 provide service in connection therewith to any licensed retailer whose
30 licensed premises are located within the geographic territory of the
31 distributor's franchise for the alcoholic liquor *or the microbrewery's*
32 *geographic territory*, unless written approval to do otherwise is obtained
33 from the director, and to make such sales to all such licensed retailers at
34 the same current bottle, sleeve and case price and without discrimination.
35 For purposes of this subsection the "same current bottle, sleeve and case
36 price" for spirits and wine means a price effective for a specified period as
37 designated by the distributor *or microbrewery* on or before the first day of
38 each month. If any distributor *or microbrewery* making the agreement
39 violates the agreement by refusing to sell or provide service to any such
40 licensed retailer in this state without written approval of the director or
41 discriminates in current prices among such licensed retailers making or
42 attempting to make purchases of alcoholic liquor from the distributor *or*
43 *microbrewery*, the director may revoke the license of the distributor *or*

1 *microbrewery*. If any licensed distributor *or microbrewery* making any
2 agreement hereunder does not have a sufficient supply of alcoholic liquor
3 of any of the brands or kinds—~~which~~ *that* the distributor *or microbrewery*
4 distributes to supply the demands of all such licensed retailers, the
5 distributor *or microbrewery* may ration such alcoholic liquor and apportion
6 the available supply among such licensed retailers purchasing or
7 attempting to purchase the same, in accordance with a plan—~~which~~ *that*
8 shall be subject to the approval of the director.

9 (c) No club or drinking establishment licensed in this state shall
10 purchase any wine or beer from any distributor *or microbrewery* licensed
11 under this act unless the distributor *or microbrewery* files with the director
12 a written statement sworn to by the distributor *or microbrewery*, or in case
13 of a corporation by one of its principal officers, agreeing to sell any of the
14 brands or kinds of wine or beer distributed by the distributor *or*
15 *microbrewery* to those clubs and drinking establishments to which the
16 distributor *or microbrewery* is authorized to sell such wine or beer and to
17 which the distributor *or microbrewery* desires to sell such wine or beer,
18 unless written approval to do otherwise is obtained from the director and
19 to make such sales to all such licensed clubs or drinking establishments at
20 the same current bottle and case price and without discrimination. If any
21 distributor *or microbrewery* making the agreement violates the agreement
22 by refusing to sell to any such licensed club or drinking establishment in
23 this state without written approval of the director or discriminates in
24 current prices among such licensed clubs or drinking establishments
25 making or attempting to make purchases of wine or beer from the
26 distributor *or microbrewery*, the director may revoke the license of the
27 distributor *or microbrewery*. If any licensed distributor *or microbrewery*
28 making any agreement hereunder does not have a sufficient supply of wine
29 or beer of any of the brands or kinds—~~which~~ *that* the distributor *or*
30 *microbrewery* distributes to supply the demands of all such licensed clubs
31 or drinking establishments, the distributor *or microbrewery* may ration
32 such wine or beer and apportion the available supply among such licensed
33 clubs or drinking establishments purchasing or attempting to purchase the
34 same, in accordance with a plan—~~which~~ *that* shall be subject to the approval
35 of the director.

36 For the purposes of this subsection, a delivery charge shall not be
37 considered a part of the price of wine or beer sold by a distributor *or*
38 *microbrewery*.

39 (d) No retailer licensed under K.S.A. 41-2701 et seq., and
40 amendments thereto, shall purchase any cereal malt beverage from any
41 distributor licensed under this act unless the distributor files with the
42 director a written statement sworn to by the distributor, or in case of a
43 corporation by one of its principal officers, agreeing to sell any of the

1 brands or kinds of cereal malt beverage distributed by the distributor to
2 those retailers to which the distributor is authorized to sell such cereal malt
3 beverage, unless written approval to do otherwise is obtained from the
4 director, and to make such sales to all such licensed retailers at the same
5 current price and without discrimination. If any distributor making the
6 agreement violates the agreement by refusing to sell to any such licensed
7 retailer in this state without written approval of the director or
8 discriminates in current prices among such licensed retailers making or
9 attempting to make purchases of cereal malt beverage from the distributor,
10 the director may revoke the license of the distributor. If any licensed
11 distributor making any agreement hereunder does not have a sufficient
12 supply of cereal malt beverage of any of the brands or kinds which the
13 distributor distributes to supply the demands of all such licensed retailers,
14 the distributor may ration such cereal malt beverage and apportion the
15 available supply among such licensed retailers purchasing or attempting to
16 purchase the same, in accordance with a plan which shall be subject to the
17 approval of the director.

18 (e) No distributor *or microbrewery* shall sell alcoholic liquor or cereal
19 malt beverage to a retailer licensed under the Kansas liquor control act, to
20 a club, drinking establishment or caterer licensed under the club and
21 drinking establishment act or to a retailer licensed under K.S.A. 41-2702,
22 and amendments thereto, at a discount for multiple case lots.

23 Sec. 12. K.S.A. 2023 Supp. 41-1201 is hereby amended to read as
24 follows: 41-1201. (a) A temporary permit shall:

25 (1) Allow the permit holder to offer for sale, sell and serve alcoholic
26 liquor for consumption on licensed or unlicensed premises, or on premises
27 that are otherwise subject to a separate temporary permit, that may be open
28 to the public, subject to the terms of such permit. ~~A temporary permit shall~~
29 ~~also;~~

30 (2) authorize the permit holder to sell, in accordance with rules and
31 regulations adopted by the secretary, alcoholic liquor at a charitable
32 auction, or one or more limited issue porcelain containers containing
33 alcoholic liquor; *and*

34 (3) *allow the permit holder to offer for sale, sell and serve alcoholic*
35 *liquor that is beer or hard cider manufactured by a microbrewery licensee*
36 *and purchased by the temporary permit holder from such microbrewery*
37 *licensee as provided by K.S.A. 41-308b, and amendments thereto, for*
38 *consumption on licensed or unlicensed premises, or on premises that are*
39 *otherwise subject to a separate temporary permit, that may be open to the*
40 *public, subject to the terms of such permit.*

41 (b) A temporary permit holder may charge a fee for entrance into the
42 premises described in the permit, or any portion thereof.

43 (c) The director may issue a temporary permit to any one or more

1 persons or organizations applying for such a permit, in accordance with
2 rules and regulations of the secretary. The permit shall be issued in the
3 names of the persons or organizations to which it is issued.

4 (d) (1) Applications for temporary permits shall be required to be
5 filed with the director not less than 14 days before the event for which the
6 permit is sought, unless the director waives such requirement for good
7 cause. The application shall be upon a form prescribed by the director.
8 Each application shall be electronically submitted and accompanied by a
9 non-refundable permit fee of \$25 for each day for which the permit is
10 issued, and such fee shall be paid by a check or credit card in the full
11 amount thereof. All permit fees collected by the director pursuant to this
12 section shall be remitted to the state treasurer in accordance with the
13 provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of
14 each such remittance, the state treasurer shall deposit the entire amount in
15 the state treasury to the credit of the state general fund.

16 (2) No city, county or township shall charge more than a \$25 non-
17 refundable fee for each day for which the permit is issued.

18 (e) Each application for a temporary permit shall specify the premises
19 for which such permit is issued, including a diagram of the premises
20 covered by the temporary permit. The diagram shall clearly show the
21 boundaries of the premises, entrances to and exits from the premises and
22 the area in which the service of alcoholic liquor would take place. A
23 temporary permit shall be issued only for premises where the city, county
24 or township zoning code allows the use for which the permit is issued. No
25 temporary permit shall be issued for premises that are not located in a
26 county where the qualified electors of the county:

27 (1) (A) Approved, by a majority vote of those voting thereon, to
28 adopt the proposition amending section 10 of article 15 of the constitution
29 of the state of Kansas at the general election in November, 1986; or

30 (B) have approved a proposition to allow the sale of liquor by the
31 individual drink in public places within the county at an election pursuant
32 to K.S.A. 41-2646, and amendments thereto; and

33 (2) have not approved a proposition to prohibit such sales of alcoholic
34 liquor in such places at a subsequent election pursuant to K.S.A. 41-2646,
35 and amendments thereto.

36 (f) (1) (A) A temporary permit may be issued for the consumption of
37 alcoholic liquor on a city, county or township street, alley, road, sidewalk
38 or highway for an event if: (i) Such street, alley, road, sidewalk or highway
39 is closed to motor vehicle traffic by the governing body of such city,
40 county or township for such event; (ii) a written request for such
41 consumption and possession of such alcoholic liquor has been made to the
42 local governing body; and (iii) the event has been approved by the
43 governing body of such city, county or township by ordinance or

1 resolution.

2 (B) The boundaries of any such event shall be clearly marked by
3 signs, a posted map or other means that reasonably identify the area in
4 which alcoholic liquor may be possessed or consumed at such event.

5 (2) Drinking establishments that are immediately adjacent to, or
6 located within the licensed premises of an event, for which a temporary
7 permit has been issued and the consumption of alcoholic liquor on public
8 property has been approved, may request that the drinking establishment's
9 licensed premises be extended into and made a part of the licensed
10 premises of the event, for the duration of the temporary permit issued for
11 such event.

12 (3) Each licensee selling alcoholic liquor for consumption on the
13 premises of an event for which a temporary permit has been issued shall be
14 liable for violations of all laws governing the sale and consumption of
15 alcoholic liquor.

16 (4) Each temporary permit holder selling alcoholic liquor for
17 consumption on the permit premises shall be liable for all violations of
18 laws governing the sale and consumption of alcoholic liquor that occur in
19 areas covered by multiple temporary permits.

20 (g) (1) A temporary permit may be issued for the sale of wine, beer or
21 other alcoholic liquor on the Kansas state fairgrounds during the days of
22 the Kansas state fair, or as authorized by the Kansas state fair board, if the
23 Kansas state fair board has authorized such consumption and possession of
24 such wine, beer or other alcoholic liquor. Each application for such
25 temporary permit shall specify the premises within the fairgrounds for
26 which the permit is issued, including a diagram of the premises covered by
27 the temporary permit. Such diagram shall match the entirety of the
28 premises as leased from the Kansas state fair board. The boundaries of the
29 Kansas state fairgrounds shall be clearly marked by signs, a posted map or
30 other means that reasonably identify the area in which wine, beer or other
31 alcoholic liquor, may be possessed or consumed at the state fair.

32 (2) Each temporary permit holder selling wine, beer or other
33 alcoholic liquor for consumption on the premises of the Kansas state
34 fairgrounds that is covered by such temporary permit shall be liable for all
35 violations of laws governing the sale and consumption of such alcoholic
36 liquor that occur on such temporary premises.

37 (3) Any temporary permit holder who has received a temporary
38 permit for the sale of wine, beer or other alcoholic liquor on the Kansas
39 state fairgrounds may allow such wine, beer or other alcoholic liquor to be
40 removed from the temporary permit premises and onto the Kansas state
41 fairgrounds.

42 (h) (1) Except as otherwise provided in this subsection, a temporary
43 permit shall be issued for a period of time not to exceed three consecutive

1 days, the dates and hours of which shall be specified in the permit. An
2 applicant may not be issued more than four temporary permits in a
3 calendar year.

4 (2) The director may issue a sufficient number of temporary permits
5 as required by the state fair board, valid for the entire period of time of the
6 Kansas state fair, which authorizes the sale of wine in its original,
7 unopened container and the serving by the drink of wine, beer or other
8 alcoholic liquor on the state fairgrounds on premises specified in the
9 temporary permit, by a person who has entered into an agreement with the
10 state fair board for that purpose subject to the conditions imposed by the
11 state fair board. Nothing in this paragraph shall be construed to limit the
12 number of temporary permits the director may issue for the sale of wine,
13 beer or other alcoholic liquor on the state fairgrounds consistent with the
14 requirements of the state fair board.

15 (3) For an event approved by the governing body of a city, county or
16 township pursuant to subsection (e)(1), the director may issue a temporary
17 permit, which may, at the director's discretion, be valid for the entire
18 period of such event, but in no event shall such permit be issued for a
19 period of time that exceeds 30 consecutive days.

20 (i) An application for a temporary permit may be rejected by the
21 director if:

22 (1) The applicant has been granted 12 permits in the current calendar
23 year;

24 (2) the application was not filed with the director at least 14 days
25 prior to the event;

26 (3) the applicant, or any officer, director, partner, registered agent,
27 trustee, manager or owner of the applicant has previously owned or
28 operated any entity holding a temporary permit, club, drinking

30 and at the time such permit or license was surrendered had been ordered to
31 appear and show cause why the permit or license should not be revoked or
32 suspended;

33 (4) the applicant has designated an area for an event that was the
34 subject of the order to appear and show cause as set forth in paragraph (3),
35 and it appears that the new application for a temporary permit covering the
36 premises is an attempt to avoid any possible remedial action taken by the
37 director against the former permit or license holder;

38 (5) the applicant has had a license or permit revoked under the club
39 and drinking establishment act, or has been convicted of a violation of the
40 Kansas liquor control act, the club and drinking establishment act, the
41 Kansas cereal malt beverage act or the provisions of K.S.A. 79-41a01 et
42 seq., and amendments thereto; or

43 (6) the applicant has not remitted all liquor drink taxes due from a

1 previous temporary permit.

2 (j) (1) A temporary permit holder may purchase and possess alcoholic
3 liquor for resale for a period of three days prior to the first day of sale of
4 such alcoholic liquor. A distributor may, without any further permission
5 from the director, deliver such alcoholic liquor to the permit premises.

6 (2) If a licensee has sold alcoholic liquor to a temporary permit
7 holder, and a distributor directly delivers such alcoholic liquor to such
8 temporary permit holder, but such licensee's normal hours of operation
9 make immediate payment to the distributor impossible, the licensee may
10 pay the retailer and the retailer may pay the distributor for such alcoholic
11 liquor within 48 hours of the sale.

12 (3) Within three business days after the end of an event conducted
13 pursuant to a temporary permit, the temporary permit holder may sell back
14 to the retailer ~~or~~, farm winery *or microbrewery* from whom alcoholic
15 liquor was purchased any alcoholic liquor sold to the temporary permit
16 holder for such event.

17 (4) Upon written permission from the director and after four business
18 days after the end of an event conducted pursuant to a temporary permit,
19 the temporary permit holder may sell back to the licensee from whom
20 alcoholic liquor was purchased any alcoholic liquor sold to the temporary
21 permit holder for such event.

22 (k) A temporary permit shall not be transferable or assignable.

23 (l) Each temporary permit holder shall not employ or use the services
24 of any person:

25 (1) Who is under 18 years of age to serve alcoholic liquor;

26 (2) who is under 21 years of age to mix or dispense drinks containing
27 alcoholic liquor;

28 (3) who is under 21 years of age and not supervised by the temporary
29 permit holder or an employee who is at least 21 years of age;

30 (4) who has been convicted of a felony or of any crime involving a
31 morals charge to dispense, mix or serve alcoholic liquor; or

32 (5) who has been convicted within the previous two years of a
33 violation of any intoxicating liquor law of this state, any other state or the
34 United States, to dispense, mix or serve alcoholic liquor.

35 Sec. 13. K.S.A. 41-1202 is hereby amended to read as follows: 41-
36 1202. (a) A temporary permit holder shall only purchase alcoholic liquor
37 or cereal malt beverage from a retailer ~~or~~, a farm winery *or a*
38 *microbrewery, as provided by K.S.A. 41-308b, and amendments thereto,*
39 and may receive delivery of such alcoholic liquor or cereal malt beverage
40 from a distributor.

41 (b) Temporary permit holders shall only purchase alcoholic liquor or
42 cereal malt beverage from a retailer who possesses a federal wholesaler's

5 warehouse any alcoholic liquor or cereal malt beverage on the licensed
6 premises of any retailer~~or~~, farm winery *or microbrewery* for more than 48
7 hours.

8 (c) Each temporary permit holder, when purchasing alcoholic liquor or
9 cereal malt beverage from a retailer~~or~~, farm winery *or microbrewery*, shall
10 obtain and keep for at least one year from the date of purchase a sales
11 receipt that contains the following information:

12 (1) The date of purchase;

33 liquor, no temporary permit holder shall sell alcoholic liquor or cereal malt
34 beverage for removal from or consumption off the licensed premises,
35 except that alcoholic liquor or cereal malt beverage may be removed to a
36 drinking establishment that has extended its premises into the event area in
37 accordance with K.S.A. 41-2608, and amendments thereto.

38 (f) The boundary of any premises covered by a temporary permit
39 shall be marked by a line of demarcation.

40 Sec. 14. K.S.A. 41-2642 is hereby amended to read as follows: 41-
