Upon receipt by the secretary, each such contribution shall be retained in a subaccount of the water pollution control account for use solely in the project for which the municipality has made application.

Whenever the director of property valuation shall determine that any county has failed, neglected or refused to properly provide for the appraisal of property or the updating of the appraisals on an annual basis in substantial compliance with the provisions of law and the guidelines and timetables prescribed by the director, the director shall file with the state board of tax appeals a complaint stating the facts upon which the director has made the determination of noncompliance as provided by K.S.A. 79-1413a, and amendments thereto. If, as a result of such proceeding, the state board of tax appeals finds that the county is not in substantial compliance with the provisions of law and the guidelines and timetables of the director of property valuation providing for the appraisal of all property in the county or the updating of the appraisals on an annual basis, it shall order the immediate assumption of the duties of the office of county appraiser by the director of the division of property valuation until such time as the director of property valuation determines that the county is in substantial compliance with the provisions of law. ~~In addition, the board shall order the state treasurer to withhold all or a portion of the county's entitlement to moneys from either or both of the local ad valorem tax reduction fund and the city and county revenue sharing fund for the year following the year in which the order is issued.~~ Upon service of any such order on the board of county commissioners, the appraiser shall immediately deliver to the director of property valuation, or the director's designee, all books, records and papers pertaining to the appraiser's office.

(b) On or before June 1 of each year, the director of property valuation shall review the appraisal of property in each county or district to determine if property within the county or district is being appraised or valued in accordance with the requirements of law. If the director determines the property in any county or district is not being appraised in accordance with the requirements of law, the director of property valuation shall notify the county or district appraiser and the board of county commissioners of any county or counties affected that the county has 30 days within which to submit to the director a plan for bringing the appraisal of property within the county into compliance.

If a plan is submitted and approved by the director the county or district shall proceed to implement the plan as submitted. The director shall continue to monitor the program to insure that the plan is implemented as submitted. If no plan is submitted or if the director does not approve the plan, the director shall petition the state board of tax appeals for a review of the plan or, if no plan is submitted, for

authority for the division of property valuation to assume control of the appraisal program of the county and to proceed to bring the same into compliance with the requirements of law.

If the state board of tax appeals approves the plan, the county or district appraiser shall proceed to implement the plan as submitted. If no plan has been submitted or the plan submitted is not approved, the board shall fix a time within which the county may submit a plan or an amended plan for approval. If no plan is submitted and approved within the time prescribed by the board, the board shall order the division of property valuation to assume control of the appraisal program of the county ~~and shall certify its order to the state treasurer who shall withhold distributions of the county's share of moneys from the county and city revenue sharing fund and the local ad valorem tax reduction fund and credit the same to the general fund of the state for the year following the year in which the board's order is made.~~ The director of property valuation shall certify the amount of the cost incurred by the division in bringing the program in compliance to the state board of tax appeals. The board shall order the county commissioners to reimburse the state for such costs.

(c) The state board of tax appeals shall within 60 days after the publication of the Kansas assessment/sales ratio study review such publication to determine county compliance with K.S.A. 79-1439, and amendments thereto. If in the determination of the board one or more counties are not in substantial compliance and the director of property valuation has not acted under subsection (b), the board shall order the director of property valuation to take such corrective action as is necessary or to show cause for noncompliance.

Sec. 14. On and after July 1, 2024, K.S.A. 2023 Supp. 79-2988 is hereby amended to read as follows: 79-2988. (a) On or before June 15 each year, the county clerk shall calculate the revenue neutral rate for each taxing subdivision and include such revenue neutral rate on the notice of the estimated assessed valuation provided to each taxing subdivision for budget purposes. The director of accounts and reports shall modify the prescribed budget information form to show the revenue neutral rate.

(b) No tax rate in excess of the revenue neutral rate shall be levied by the governing body of any taxing subdivision unless a resolution or ordinance has been approved by the governing body according to the following procedure:

(1) At least 10 days in advance of the public hearing, the governing body shall publish notice of its proposed intent to exceed the revenue neutral rate by publishing notice:

(A) On the website of the governing body, if the governing body maintains a website; and

(B) in a weekly or daily newspaper of the county having a general circulation therein. The notice shall include, but not be limited to, its proposed tax rate, its revenue neutral rate and the date, time and location of the public hearing.

(2) On or before July 20, the governing body shall notify the county clerk of its proposed intent to exceed the revenue neutral rate and provide the date, time and location of the public hearing and its proposed tax rate. For all tax years commencing after December 31, 2021, the county clerk shall notify each taxpayer with property in the taxing subdivision, by mail directed to the taxpayer's last known address, of the proposed intent to exceed the revenue neutral rate at least 10 days in advance of the public hearing. Alternatively, the county clerk may transmit the notice to the taxpayer by electronic means at least 10 days in advance of the public hearing, if such taxpayer and county clerk have consented in writing to service by electronic means.

The county clerk shall consolidate the required information for all taxing subdivisions relevant to the taxpayer's property on one notice. The notice shall be in a format prescribed by the director of accounts and reports. The notice shall include, but not be limited to:

(A) The revenue neutral rate of each taxing subdivision relevant to the taxpayer's property;

(B) the proposed property tax revenue needed to fund the proposed budget of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(C) the proposed tax rate based upon the proposed budget and the current year's total assessed valuation of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(D) the percentage by which the proposed tax rate exceeds the revenue neutral rate;

(E) the tax rate and property tax of each taxing subdivision on the taxpayer's property from the previous year's tax statement;

(F) the appraised value and assessed value of the taxpayer's property for the current year;

(G) the estimates of the tax for the current tax year on the taxpayer's property based on the revenue neutral rate of each taxing subdivision and any proposed tax rates that exceed the revenue neutral rates;

(H) the difference between the estimates of tax based on the proposed tax rate and the revenue neutral rate on the taxpayer's property described in subparagraph (G) for any taxing subdivision that has a proposed tax rate that exceeds its revenue neutral rate; and

(I) the date, time and location of the public hearing of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate.

Although the state of Kansas is not a taxing subdivision for purposes of this section, the notice shall include a statement of the statutory mill levies imposed by the state and the estimate of the tax for the current year on the taxpayer's property based on such levies.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held not sooner than August 20 and not later than September 20. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section. Nothing in this section shall be construed to prohibit additional public hearings that provide additional opportunities to present testimony or public comment prior to the public hearing required by this section.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be conducted at the public hearing after the governing body has heard from interested taxpayers and shall be a roll call vote. If the governing body approves exceeding the revenue neutral rate, the governing body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section. A copy of the resolution or ordinance to approve exceeding the revenue neutral rate and a certified copy of any

roll call vote reporting, at a minimum, the name and vote of each member of the governing body related to exceeding the revenue neutral rate, whether approved or not, shall be included with the adopted budget, budget certificate and other budget forms filed with the county clerk and the director of accounts and reports and shall be published on the website of the department of administration.

(c) (1) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate.

(2) Any taxpayer of the taxing subdivision that is the subject of the complaint or such taxpayer's duly authorized representative may file a complaint with the state board of tax appeals by filing a written complaint, on a form prescribed by the board, that contains the facts that the complaining party believes show that a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and that a reduction or refund of taxes is appropriate. The complaining party shall provide a copy of such complaint to the governing body of the taxing subdivision making the levy that is the subject of the complaint. Notwithstanding K.S.A. 74-2438a, and amendments thereto, no filing fee shall be charged by the executive director of the state board of tax appeals for a complaint filed pursuant to this paragraph. The governing body of the taxing subdivision making the levy that is the subject of the complaint shall be a party to the proceeding. Notice of any summary proceeding or hearing shall be served upon such governing body, the county clerk, the director of accounts and reports and the complaining party. It shall be the duty of the governing body to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity of such levy. If upon a summary proceeding or hearing, it shall be made to appear to the satisfaction of the board that the governing body of the taxing subdivision did not comply with subsection (b), the state board of tax appeals shall order such governing body to refund to taxpayers the amount of property taxes over collected or reduce the taxes levied, if uncollected. The provisions of this paragraph shall not be construed as prohibiting any other remedies available under the law.

(d) On and after January 1, 2022, in the event that the ~~20-mills tax~~ levied by a school district pursuant to K.S.A. 72-5142, and amendments thereto, increases the property tax revenue generated for the purpose of calculating the revenue neutral rate from the previous tax year and such amount of increase in revenue generated from ~~the 20 mills such tax levied~~ is the only reason that the school district would exceed the total property tax revenue from the prior year, the school district shall be deemed to not have exceeded the revenue neutral rate in levying a tax rate in excess of the revenue neutral rate to take into account the increase in revenue from only ~~the 20-mills such tax levied~~.

(e) (1) Notwithstanding any other provision of law to the contrary, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before October 1, to the proper county clerk the amount of ad valorem tax to be levied.

(f) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.

The revenue neutral rate shall be expressed to the third decimal place.

(g) In the event that a county clerk incurred costs of printing and postage that were not reimbursed pursuant to K.S.A. 2023 Supp. 79-2989, and amendments thereto, such county clerk may seek reimbursement from all taxing subdivisions required to send the notice. Payment of such costs shall be due to the county clerk by December 31.

(h) The department of administration or the director of accounts and reports shall make copies of adopted budgets, budget certificates, other budget documents and revenue neutral rate documents available to the public on the department of administration's website on a permanently accessible web page that may be accessed via a conspicuous link to that web page placed on the front page of the department's website. The department of administration or the director of accounts and reports shall also make the following information for each tax year available on such website:
