

Deadline for Advance Voting Ballots; SB 209

SB 209 changes the deadline for all advance voting ballots to be received by the county election officer from the third day following the date of the election to 7:00 p.m. on the date of the election. The deadline change applies to advance voting ballots received by mail or in the office of the county election officer, the satellite election office, any polling place, or a county-maintained election drop box.
