§ 8: Organization and sessions. The legislature shall meet in regular session annually commencing on the second Monday in January, and all sessions shall be held at the state capital. The duration of regular sessions held in even-numbered years shall not exceed ninety calendar days. Such sessions may be extended beyond ninety calendar days by an affirmative vote of two-thirds of the members elected to each house. Bills and concurrent resolutions under consideration by the legislature upon adjournment of a regular session held in an odd-numbered year may be considered at the next succeeding regular session held in an even-numbered year, as if there had been no such adjournment.

The legislature shall be organized concurrently with the terms of representatives except that the senate shall remain organized during the terms of senators. The president of the senate shall preside over the senate, and the speaker of the house of representatives shall preside over the house of representatives. A majority of the members then elected (or appointed) and qualified of the house of representatives or the senate shall constitute a quorum of that house. Neither house, without the consent of the other, shall adjourn for more than two days, Sundays excepted. Such statements shall be made either immediately before or immediately after the vote is called but before the result is announced. The question on excusing any Senator from voting shall be taken without debate and a majority of those voting shall be necessary to excuse the Senator. Rule 28. Reconsideration of Pending Matters. When a question has been once put and decided it shall be in order for any Senator who voted with the prevailing side to move for a reconsideration thereof, but no motion for reconsideration of any vote shall be in order after the bill, resolution, message, report, amendment or motion, upon which the vote was taken, shall have gone out of the possession of the Senate, nor shall any motion for reconsideration be in order unless made on the same day on which the vote was taken or the next legislative day. No question shall be reconsidered more than once.

If amendments are pending a motion for the previous question shall concern only the last amendment that is pending on which, if the previous question is adopted, the debate will be closed only upon such amendment. Each bill or resolution appearing on the Consent Calendar shall remain thereon for at least two full legislative days before being considered under the order of business Final Action. At any time prior to the call for the vote under the order of business Final Action on a bill or resolution on the Consent Calendar, any member may object to the same as being controversial and the same shall be stricken from the Consent Calendar and take its place on General Orders in the usual order. If no such objection is made prior to the call for such vote on the bill or resolution, it shall be voted upon with other bills and resolutions under the order of business Final Action but before consideration of other bills or resolutions appearing on the calendar under such order of business.

Rule 34. Final Action on Bills and Concurrent Resolutions. On final action on any bill or concurrent resolution, the reading clerk shall read the title, except citations to statutes amended or repealed. If the bill is reported for final action without debate, the question shall be at once put: "Shall the bill pass?" No debate shall be allowed, and no motion shall be in order except the motion for a call of the Senate, unless in case where a bill has been ordered to be placed on final action subject to amendment, or to amendment and debate or unless by the unanimous consent of the Senate, amendments may be made and considered. On final action, bills and resolutions may be bulked together for roll call unless objection be made by any Senator.

Rule 35. Final Passage by Yeas and Nays. The question upon the final passage of a bill and every concurrent resolution for amendment of the constitution of Kansas or ratification of an amendment to the Constitution of the United States shall be taken by a roll call vote of the yeas and nays, which shall be entered on the Journal, and unless the bill or concurrent resolution receives the number of votes required by the constitution to pass it, it shall be declared lost, except in cases provided for in Rule 36 (relating to the absence of a quorum).

If the committee report is not adopted, the bill or resolution, without committee amendments, shall be considered section by section, and as each section is considered amendments from the floor are in order to that section. After a section has been considered, no amendment thereto shall be in order until the whole bill or resolution has been read through. After the original bill or resolution, together with standing committee amendments, has been considered section by section the chairperson shall announce "Amendments to the bill (or resolution) generally are in order," and amendments not before offered may be made to any part of the bill or resolution. A motion to amend the bill or resolution shall not be in order while a motion to strike the enacting clause or resolving clause is pending.

Rule 43. Amendments. (1) Amendments to bills shall be germane to the subject of the bill being amended, and the fact that an amendment is to a section in the same chapter of the Kansas Statutes Annotated as an existing section in the bill shall not automatically render the amendment germane. A motion that the Committee of the Whole shall rise and report progress on any bill shall always be in order and shall be decided without debate, and the matter being considered shall be the first order of business at the next session of the committee, subject to such postponement as the subsequent Committee of the Whole may determine. (b) Amendment, suspension or revocation of joint rules; previous notice; vote required. After one day's previous notice, joint rules may be amended, suspended or revoked by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house. Upon the filing of such notice in either house, a message shall be sent to the other house advising of the filing of such notice and the reading of the message shall constitute notice to the members of such house. If such previous notice is not given, the affirmative vote of 2/3 of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions. Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president; and (2) either: (a) A copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence; or (b) in lieu of mailing, copies of the concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day.

Joint Rule 2. Joint sessions.

(a) Joint session called by concurrent resolution; vote required; time, place and subject matter. A joint session of the senate and house of representatives may be called by concurrent resolution adopted by the affirmative vote of not less than a majority of the members elected (or appointed) and qualified in each house of the legislature or as may otherwise be prescribed by law. Any such resolution shall fix the time and place of the joint session, and the subject matter to be considered at the joint session. Joint sessions shall consider only such matters as are prescribed by law or by the concurrent resolution calling such joint session.

(b) Presiding officer at joint sessions; record of joint session; rules applicable. The

speaker of the house of representatives shall preside at all joint sessions of the senate and house of representatives, and the clerk of the house of representatives shall keep a record of the proceedings thereof and shall enter the record of each such session in the journal of the house of representatives. The rules of the house of representatives and the joint rules of the two houses, insofar as the same may be applicable shall be the rules for joint sessions of the two houses.

(c) *Votes in joint session; taking; requirements.* All votes in a joint session shall be taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the senate first to call the names of the members of the senate, and after which the clerk of the house of representatives shall in like manner call the names of the members of the house. Each member of the senate and the house of representatives present shall be required to vote on all matters considered in joint session, unless excused by a vote of a majority of the members of both houses present.

Joint Rule 3. Conference committee procedure.

(a) *Action by house of origin of bill or concurrent resolution amended by other house.* When a bill or concurrent resolution is returned to the house of origin with amendments by the other house, the house of origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments; or (3) refuse to concur in such amendments and request a conference on the bill or concurrent resolution.

(b) *Concurrence by house of origin; concurrence prior to taking action on conference committee report by other house; final action; effect of failure of motion to concur.* The house of origin of any bill or concurrent resolution may concur in any amendments made by the other house, except that if the bill or concurrent resolution has been referred to a conference committee such action may only be taken prior to the taking of final action upon the conference committee report upon such bill or concurrent resolution by the other house. A vote in the house of origin of any bill or concurrent resolution on a motion to concur in amendments to such bill or concurrent resolution by the other house shall be considered action on the final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has been appointed and action has not been taken upon the report of such committee by the other house and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and the motion to concur may be renewed but not on the same legislative day. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) *Motion to nonconcur; when considered final action; effect of adoption of motion.* A vote in the house of origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference committee shall be considered action on final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) *House of origin refusal to concur or nonconcur; request for conference; procedure.* When a bill or concurrent resolution is returned by either house to the house of origin with amendments, and the house of origin refuses to concur or to nonconcur

Rules 26

therein, a conference may be requested by a majority vote of the members present and voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(e) Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee. Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not fewer than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) Conference committee reports; matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business. Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation.

Subject to any limitations imposed under the constitution of the state of Kansas, no more than a total of four additional bills or concurrent resolutions or parts of bills or concurrent resolutions in conference or bills or concurrent resolutions or parts of bills or concurrent resolutions which have passed in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution, except that reports of conference committees on any taxation bill are not subject to the limitation contained in this provision.

A conference committee report shall not be subject to amendment.

The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to

accede to or recede from all amendments of the second house, electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk's or secretary's desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative vote of 2/3 of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) *Signatures required on conference committee reports.* All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) *Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report.* The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) *Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee.* If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon, the bill or concurrent resolution shall be deemed to have been killed upon the adoption by either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.

Rules 28

(j) *Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year.* Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

Journal of the Senate

FIRST DAY

SENATE CHAMBER, TOPEKA, KANSAS
Monday, January 8, 2024, 2:00 p.m.

In accordance with the provisions of the Constitution of the State of Kansas and by the virtue of his office as President of the Senate, Senator Ty Masterson declared the 2024 Senate to be in session.

The roll was called with 40 senators present.

President Masterson welcomed Reverend Cecil T. Washington, who will again serve as the Senate Chaplain. Reverend Washington delivered the following invocation:

Aligned With Godly Wheels of Wisdom
James 1:17, Proverbs 3:5-7

Heavenly Father, it's a significant expression of Your mercy and grace for us to be here today. In James 1:17, You made it clear, that every good and blessed gift comes from You. So, thank You Lord, for gifting us with this new opportunity to serve You and Your people.

In conjunction with this Lord, we're asking for Godly wisdom to know what You want us to do; guidance to know how, and strength for the ability. When the wheels of a vehicle are not properly aligned, it can lead to major repair costs. And the sooner they are corrected, the better the chances for us to have a good run. Lord, that's what we want this go around. We want this to be a good run; a winning run; a Godly run. Help us to see more than the normal, and to see beyond the natural.

Let this be the kickoff of a time marked by clear and obvious evidence that the power of Your Holy Spirit is moving among us. Bring all our wheels into a blessed alignment with You; every thought, every attitude, every decision, every action.

You gave us, through the wisdom of Solomon in Proverbs 3:5-7, to trust You with all our hearts and not depend on our own understanding or be impressed by our own wisdom. You said we're to seek Your will in everything we do and You would show us what path to take.

So, when we begin to drift to the left or right, use that internal warning light of Godly guilt, to bring us back to center. In the Name of Jesus, this appeal is for continuing alignment with You. Amen

The Pledge of Allegiance was led by President Masterson.

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 2 of article 2 of the constitution of the state of Kansas is hereby amended to read as follows:

"§ 2. Senators and representatives. (a) The number of representatives and senators shall be regulated by law, but shall not exceed ~~one hundred twenty-five~~ 125 representatives and ~~forty~~ 40 senators. (2) *From and after January 13, 2025, no individual shall be elected as a senator for more than three four-year terms.*

(3) *From and after January 13, 2025, no individual who has been elected to serve as a representative then elected to serve as a senator or elected to serve as a senator and then elected to serve as a representative shall serve longer than a total of 16 years.*

(4) *For the purpose of computing the time period under either paragraph (1) or (2), no time spent serving as either a representative or senator prior to January 13, 2025, shall be counted."*

INTRODUCTION OF SENATE RESOLUTIONS

SR 1730, A RESOLUTION concerning the rules of the Senate for 2021-2024, by Senators Olson, Pyle and Sykes

INTRODUCTION AND CONSIDERATION OF SENATE RESOLUTIONS

Senators Masterson, Alley and Sykes introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1728—

A RESOLUTION relating to the organization of the Senate.

Be it resolved by the Senate of the State of Kansas: That the Secretary of the Senate notify the House of Representatives that the Senate is organized with the following officers:

Ty Masterson, president,
Rick Wilborn, vice president,
Larry Alley, majority leader,
Dinah Sykes, minority leader,
Corey Carnahan, secretary,
Don Cackler, sergeant at arms,
and awaits the pleasure of the House of Representatives.

On emergency motion of Senator Alley **SR 1728** was adopted by voice vote.

Senators Erickson, Alley, Baumgardner, Billinger, Blasi, Claeys, Corson, Dietrich, Fagg, Kerschen, Kloos, Masterson, McGinn, Peck, Steffen, Thompson and Warren (see kslegislature.org for updated sponsor list) introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1729—

A RESOLUTION condemning the October 7 attacks on the State of Israel and reaffirming Kansas' support and cooperation with the State of Israel.

WHEREAS, Israel was founded following the killing of 6,000,000 Jewish people during the horror of the Holocaust and World War II; and

WHEREAS, On October 7, 2023, Hamas launched air, ground and sea strikes on Israel, targeting Israel's civilian population; and

WHEREAS, The United States has considered Hamas to be a terrorist organization since 1997; and

WHEREAS, Hamas has murdered, burned, raped, beheaded and disfigured over 1,400 Israelis, including hundreds of women, children and elderly, throughout southern

Israel while concurrently launching indiscriminate rocket attacks across the entirety of Israel; and

WHEREAS, Hamas deliberately and systematically used sexual violence against women as a weapon; and

WHEREAS, American citizens were among those murdered on October 7; and

WHEREAS, The attacks on October 7 resulted in the deadliest day for Jewish people since the Holocaust and the deadliest day on Israeli soil since the Yom Kippur war in 1973; and

WHEREAS, Over 240 hostages were taken from Israel into Gaza, including over 100 women, children and elderly; and

WHEREAS, The hostages taken included Americans and citizens from around the world; and

WHEREAS, The ages of hostages range from nine months old to 86 years old and include over 30 hostages under the age of 16; and

WHEREAS, Over half of the hostages taken on October 7 remain unaccounted for with no end to their captivity in sight; and

WHEREAS, Hamas' actions have resulted in a 400% increase in antisemitism nationally, including multiple incidents at the University of Kansas; and

WHEREAS, Local Jewish communities have had to increase their security, similar to the security presence required after the 2014 antisemitic attacks in Overland Park; and

WHEREAS, The people of Kansas share a connection with the people of Israel and view Israel as a trusted ally: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we condemn the unprovoked attacks on the State of Israel and reaffirm Kansas' support and cooperation with the State of Israel; and

Be it further resolved: That we demand the unconditional safe return of the hostages; and

Be it further resolved: That we unequivocally support Israel's right to exist, defend itself and protect its citizens from terrorism and harm; and

Be it further resolved: That we place the blame for all violence that occurred on October 7 and thereafter on Hamas, who in their founding charter have stated their intent to exterminate both Israel and the Jewish people at any cost; and

Be it further resolved: That we reject all forms of antisemitism, including threats against Jewish people and Jewish institutions; and

Be it further resolved: That the Secretary of the Senate shall send an enrolled copy of this resolution to Consul General Maor Elbaz-Starinsky, Director of AJC/JCRB Kansas City, Gavriela Geller, Jewish Federation of Greater Kansas City president and CEO, Jay Lewis and David Soffer.

Senator Alley motioned to advance to Emergency Final Action, subject to amendment, debate and roll call. Motion carried.

Nays: Doll, Francisco, Haley, Holland, Sykes, Ware.

The resolution was adopted.

The Call of the Senate was lifted.

EXPLANATION OF VOTE

I vote “NO” on **Senate Resolution No. 1729**. As written, this resolution seems more political theatre than substance and was presented with little advance notice and no opportunity for public hearings or amendments on the floor. Kansans can do little to demand the unconditional safe return of the hostages and certainly should consider withholding a placement of all blame before we learn of the findings of the International Court of Justice regarding allegations of genocide. I do believe, however, that the legislature should address concerns of threats and safety. My Senate district has a diverse constituency, and because it includes the University of Kansas, I have both Israeli and Palestinian people as residents. As I see it, the State’s priority is for everyone to be physically safe, and to have an opportunity to peacefully express their views. I hope we focus on those during the rest of the session.—MARC FRANCISCO

As currently the longest tenured Kansas Senator, I can attest with certainty that in my 30 years here seldom, if ever, has any non-binding, inconsequential to Kansas policy, measure been brought to the Floor for debate AND vote on the FIRST day of any Session. Further, that a Call of the Senate compelling myself and other Members who had voted “PASS” to vote “AYE” or “NO” would be raised only adds to this dumbfounding theatre. My push to vote from “PASS” to “NO” on this Resolution is only due to the incompleteness of the entire matter in the document; the “rest of the story” as some might say. We all have heard of the response by Israel in the fair and frenzied hunt to root out and destroy Hamas and most cheer that. The concern has been the aggrieved taking of thousands of innocent lives and properties of Palestinians who are hapless pawns where the terrorists hide and prey. And that too is wrong to allow and, I feel, for the US (and yes, I guess that too must include Kansans) to support. With no opportunity for committee discussion or amendment, this hurriedly crafted Resolution is pure theatre addressing one major wrong but not another. And these two wrongs, don’t make this Resolution right so I am compelled to vote “NO” instead of “PASS” by our colleagues.—DAVID HALEY

Our legislative process is broken. Senate Republican leadership has once again put the needs of the special interests ahead of everyday Kansas citizens by pushing through a roll call vote on the very first day of the 2024 legislative session. Today’s rushed debate and vote, combined with the lack of properly scheduled, announced and conducted public hearings regarding the subject matter laid before this body, puts on full display Senate Republican leadership’s complete disregard of the needs, thoughts, and aspirations of ALL Kansans. I vote NO on **SR 1729**.—TOM HOLLAND

Senator Francisco requests the record to show she concurs with the "Explanation of Vote" offered by Senator Holland on **SR 1729**.

The Israel-Hamas war is a tragedy, and I’m praying every day for a resolution that allows both sides to live in peace. That said, there is little or nothing the Kansas legislature can do to influence this conflict. I stand with those who reject the crime of intentionally targeting civilians. However, that violence is aided and abetted when we

oversimplify history and ignore nuance. We're better than that. Let me be clear: I do not condone antisemitism. I do not support terror. This resolution trivializes human suffering in a way that does not lead to justice, peace, or joy. That's why I'm voting no. I hope we find a way to focus on policy that leads to positive change for Kansans.—
DINAH SYKES

Senators Francisco and Ware request the record to show they concur with the “Explanation of Vote” offered by Senator Sykes on **SR 1729**.

Invocation by Reverend Cecil T. Washington:

Knowing That God Is With Us!
Psalm 33:12, Exodus 33:15,22-23

Lord, You have called us to personify righteousness; to exemplify it openly and widely, even while facing contrariness. You've blessed us to have influence with the purpose of promoting an improved, more significant and substantial way of life.

In Psalm 33:12, You confirm that the nation or the people that stick with You will be blessed prosperous and flourishing. Lord, as we are confronted with the trials and challenges involved in serving Your people, give us the confidence that You gave Your servant-leader Moses.

In Exodus 33:15, realizing the gravity of the task he was facing, he declared that he would not tackle it alone. He needed Your assurance that You would go with him. In a like manner, Lord, as we tackle the concerns of Your people, we need the promise of Your presence. We need the confidence of knowing that You're with us, even when it doesn't look like it. Lord, when all is said and done, let the words be uttered that God really was with us.

Thank You for blessing us with the evidence of Your presence. In the Name of our Emmanuel. Amen

The Pledge of Allegiance was led by Vice President Wilborn.

FOURTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, January 11, 2024, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 38 senators present.
Senators Doll and Steffen were excused
Invocation by Reverend Cecil T. Washington:

Our Only True Source!
Exodus 20:1-3,5; Exodus 34:14

Heavenly Father, before I ask You to bless us, I have to acknowledge Your holiness. You desire that we come to You in humility. And too often, in our humanity, we don't acknowledge Your Divinity.

Yet there are times, when we have to acknowledge that You are our God, with a capital G. And none of the little small g gods are worthy of the honor, loyalty and devotion due to You. You are our only true source for purpose, hope and optimism.

Your Ten Commandments in Exodus, chapter 20, begin in verses 1-3, with the requirement to honor You in the vertical before honoring anything or anybody else. Lord, You make it clear in vs 5, and in Exodus 34:14, that You are jealous of us and in Your jealousy You don't want anything or anybody to come before You or to displace You in our affections.

So, with renewed acknowledgment of our dependance on You, I'm asking You Lord to bless us, all of us. Since You are the real source of purpose and meaning in life, give us Your wisdom-to know Your will; Your guidance-in how to achieve it and Your empowerment for strength to accomplish it. Then in closing this prayer, Lord, I humbly ask that everyone under the sound of my voice receive a special touch of Your loving grace and mercy. I ask this in the precious Name of Jesus, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

POINT OF PERSONAL PRIVILEGE

Senator Haley rose on a Point of Personal Privilege to deliver the following remarks on the Rev. Dr. Martin Luther King, Jr. holiday: Various value and core beliefs define us; each of us as a person...and, assumedly, much in what we are, whom we have become and perhaps known to be, as leaders in our communities and in general society. You know what I mean. Everyone knows someone that when you first see them or pick up the phone and hear their voice, you already pretty much know what they are going to profess because you've heard it, or seen it, from them all so much before. Well for those

of you who may have heard this annual Legislative exhortation from me (especially the now Senator from Baxter Springs who, as then House Speaker, allowed my very first Personal Privilege on the topic THIRTY Sessions ago having no idea what was going to come out of my mouth), I hasten to underscore the obvious yet, slow a bit to plead a freshness in the intent and it's necessity. See this year, 2024, an election year, will be the last time some of us will sit in these hallowed seats and reflect on the long holiday weekend ahead. As I've noted before, so often in our country the true meaning of a holiday is lost; the Spirit of a celebration succumbs to being just another day "off" from work or school or other daily routine. As an acolyte of the struggles for inclusion based on content of character and not color of skin, it's my continuing plea to each of you, my Honorable colleagues, to be ambassadors for a few days at least to this idyllic, uniquely American (our multi-ethnicity; multi-faith, etc. "melting pot" or at LEAST "stir fry" of a country) Holiday. You knew when you saw me stand that your colleague David Haley was going to seek your favor to share my (and my father, former Senator George Haley's) Morehouse College brother's life's message, known now as the Martin Luther King Jr. Holiday celebrated on or around his January 15th birthday, to focus on what Dr. King said "Human progress is neither automatic nor inevitable. And every step towards the goal of justice requires sacrifice, suffering and struggle. It calls for the tireless, passionate concern of dedicated individuals." Indeed, the moral arc of the Universe bends towards Justice. And I submit, gentle colleagues, that Justice in a truly great, diverse State must somehow encompass inclusion and, ultimately, acceptance. This holiday is not a black holiday or a white holiday or a brown holiday or a yellow holiday or a red holiday (and I have actually bemoaned that some have swayed it and even fashioned it to seem as if it should be ... it is NOT) it IS a UNITED all-racial, all creed, all religion AMERICAN holiday. It doesn't "belong" to my people or your people or those people or that people, look at ourselves; the legend of the many various backgrounds that fought the battles of equal access and inclusion for all Americans belongs to us ALL. And I pray you, gentle leaders, will charge that to your heads and to your hearts and share the meaning to those you love and those you represent. I implore each of US, not just as pillars from within our individual Senate districts but uniting all within our Kansas communities to use the true meaning of this holiday as not just a day "off" but a day to live out the true meaning of an inspirational and decidedly unique American Holiday. As I have urged so often before from this seat of the MLK Holiday, often to unhearing ears or too hardened, non-receptive hearts, this concept, this often diminishing but societally civil reality, this tapestry of a strong, diverse Country is not the sole province of my political party or of yours. This celebration, this Spirit doesn't belong to my religion or to your religion, to my community or to yours. It isn't creed, or racial or economically based. No, Mister President. The Martin Luther King, Jr. Holiday belongs to us ALL. To the beauty of the "stir-fry" blend when combined produces our unique (though yet still somewhat dysfunctional, like any, family) AMERICAN culture! Please have a safe, reverent and evocative, King Holiday.

SIXTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, January 16, 2024, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
Invocation by Reverend Cecil T. Washington:

To Hear "Well done, good and faithful servant..."
Matthew 25:21

Heavenly Father, we thank You today that we were blessed yesterday, not only with another day off but with the opportunity to use that day remembering and honoring Dr. Martin Luther King Jr's life and legacy. And Lord, although his life was cut short by evil, the impact of his life was not. Your influence in his life empowers his legacy to live on. He exhibited for us a life of sacrifice. He showed us what it means to suffer or even be martyred for a cause.

Lord, he is quoted as saying, "if you have never found something so dear and precious that you would die for it, then you aren't fit to live." He said, "You may be 38 years old as I am, and some great opportunity stands before you calling upon you to stand up for some great principle, some great issue, or cause and you refuse because you are afraid; you refuse because you want to live longer, or are afraid you'll lose your job, or afraid you'll be criticized or lose your popularity or that somebody will stab you, shoot you or bomb your house, so you refuse to take the stand. Well, you may go on and live until you are 90, but you're just as dead at 38, as you would be at 90!

And the cessation of breathing in your life is but the belated announcement of an earlier death of your spirit. You died when you refused to stand up for right, you died when you refused to stand up for truth, and when you refused to stand up for justice." z

So, Lord, let me close thanking You for giving us the day off, but asking that love, grace, mercy and justice take no days off. Impress, inspire and empower us to live life sacrificially not only, in the example of MLK, Jr., but in the example of Jesus, the One, MLK Jr. chose to follow. So, at the end of our lives, we can hear You say those Words of Matthew 25:21, "Well done, thou good and faithful servant...Come and join Me in glory." Amen!

The Pledge of Allegiance was led by President Masterson.

Invocation by Reverend Cecil T. Washington:

Love Is What The World Needs
Mark 12:28-33; Matthew 22:40, 25.21

Heavenly Father, in Mark 12:28-33 someone considered to be an expert in Your law, asked the Lord, which commandment is the most important of them all? The answer for then and now is we only have one God, so, "Love the Lord your God with all your heart, with all your soul, with all your mind and with all your strength."

The second most important commandment is this: "Love your neighbor as you love yourself! No other commandment is greater than these." Matthew 22:40 adds to the importance of this, saying, "All the Law and the Prophets, all of Your Old Testament directives hang on these two Commandments."

So, in the shadow of MLK, Jr's life and legacy, help us to faithfully love You, and in conjunction with that love one another, not just in word, but in deed. Let the laws that spring from these halls reflect love for our neighbors. Even when our neighbors oppose us or we don't like what they stand for. Help us love them, like You love us, even when we're unlovely.

At the end of our lives, we want to hear You say those Matthew 25:21 words "Well done, thou good and faithful servant...Come and join Me In glory."

Lord, I pray this in the precious Name of Jesus. Amen

The Pledge of Allegiance was led by President Masterson.

Journal of the Senate

EIGHTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, January 18, 2024, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 36 senators present.
Senators Doll, Holland, O'Shea and Steffen were excused.
The Vice President introduced Doug Burleigh, guest chaplain to deliver the invocation:

Dear Lord, in the words of the old hymn, "O God our help in ages past, our hope for years to come. Our shelter from the stormy blast and our eternal home." As we look across the world, we lift up those in harm's way in Ukraine and Gaza and we pray for peaceful solutions to these devastating conflicts. We pray, closer to home, for those in our state who are undergoing hardship from physical maladies, financial hardship, and grief from the recent loss of loved ones. We also pray for those suffering from the effects of the recent bitter cold weather.

We pray that our demeanor, in the midst of disagreement over a multitude of issues, would be honoring to You, Lord, who said, "Blessed are the peacemakers for they will be called the children of God."

As we seek to make decisions affecting the people of Kansas, help us to be good stewards of this great responsibility. And as far as our own personal integrity is lived out, may we remember the words of Jesus in the Sermon on the Mount, "let your yes be yes and your no be no. Anything other than that is from the evil one."

We ask for wisdom and guidance as we seek to engage in the people's work for the great state of Kansas. In the Name of Jesus we pray, Amen.

The Pledge of Allegiance was led by Vice President Wilborn.

POINT OF PERSONAL PRIVILEGE

Senator Ryckman rose on a Point of Personal Privilege and offered the following remarks: It is my honor and privilege to bring to the Senate's attention today an institution that provides a true beacon of hope and progress in our State: The University of Kansas Cancer Center. The Center has long been a symbol of excellence, demonstrating an unwavering commitment to eradicating the burdens of cancer within Kansas and beyond. Through tireless dedication, groundbreaking research, and compassionate patient care, they have become a leading force in the fight against one of the most formidable challenges of our time. Their work was recently recognized by the National Cancer Institute, which rewarded the KU Center with "comprehensive" status in 2022. With this award, they are now one of only 56 NCI-designated comprehensive

cancer centers in the country -- and the only one in our state and region. As the highest level of recognition awarded by NCI, this is the “gold standard” for cancer centers. This places KU in the top 1% of cancer centers across the country -- and means that Kansans will be cared for by the world’s leading experts with access to cutting-edge research and technologies. Simply put, this translates into saved lives, for patients treated at NCI-designated cancer centers have a 25% greater chance of survival. I am fortunate to be hosting in the VIP Gallery today not only the leadership from The University of Kansas Cancer Center but also three of their survivors and real-life success stories. The first (who is, regrettably, detained on the other side of the Capitol giving a presentation to the House Health and Human Services Committee, but definitely warrants introduction) is Dr. Roy Jensen, Vice Chancellor and Director of The University of Kansas Cancer Center, as well as Director of the Kansas Masonic Cancer Research Institute and CEO of the Masonic Cancer Alliance. Since joining the Center in 2004, Dr. Jensen has recruited a world-class leadership team and built a robust research program that made their “comprehensive” designation possible. Jeff Wright [Please stand] serves as the Senior Vice President of Cancer Services at The University of Kansas Health System. He is also the current Chairman of the Board of Ambassadors for the American Cancer Society. Cici Rojas [And I will ask you to please stand as well] is co-owner and President of Tico Productions and Tico Sports, a multicultural marketing firm in Mission, Kansas. She is also an actively engaged citizen, serving on the boards of multiple community organizations, including the YMCA. In 2017, Cici was diagnosed with Stage 4 Large B-cell Lymphoma. She underwent several chemotherapy treatments, including two (what are called) CAR-T treatments and a bone marrow transplant. Cici has been in remission since 2020! Darren McLaughlin serves as the Chief of Police for Merriam, Kansas, where he has been serving its citizens for 34 years. He and his wife, Mindy, are the proud parents of two children, Kyle and Grace. Darren was diagnosed in January of 2019 with Stage 4 Non-Hodgkin's Lymphoma. He received CAR-T therapy in June 2019 and has been cancer-free ever since! Fred Logan is Head of the Masonic Cancer Alliance Partners Advisory Board. In 2023, he received the first-ever Chancellor’s Award for Distinguished Service, in part for his work in support of The University of Kansas Cancer Center. He and our other four guests are here today with many others as part of “KU Cancer Center Day in the Statehouse.” Because my wife, Mary (also seated in the gallery), is herself a KU Cancer Center success story, I have an immense sense of personal gratitude for the blessing of the true miracles they perform, mindful, of course, that it is with a lot of help “from above.” Since ultimately all of us have friends or loved ones whose lives have been impacted by cancer in some way, please join me now in applause and appreciation for the amazing accomplishments and legacy of The University of Kansas Cancer Center.

Invocation by Reverend Cecil T. Washington:

Why Kansas?
Acts 17:26-28

Heavenly Father, the question I had in 1984 but didn't want to seem defiant in asking it was, "Why Topeka? Why Kansas?" And Lord, after being blessed to be here 40 years, I continue to see and understand why You said, "Go To Topeka!"

In Acts 17:26-28, Your Word says, from one man, You have made every nationality to live over the whole earth and You have determined our appointed time periods and the boundaries of where we would live. And You did this so that we would seek You, reach out for You and find that You're not far from any one of us, for it is in You that we live and move and have our being.

So, Lord, on Kansas Day, Your Word reminds us why You have us here. You brought me to Kansas, along with so many others, to enhance and even boost our relationship with You. And in blessing our obedience, we can be more of a blessing to those You are calling us to serve.

I thank You Lord, in Jesus Name, that in 1984 You gave me those three words, "Go To Topeka!" And it was so. Amen

The Pledge of Allegiance was led by President Masterson.

We will most certainly engage in many conversations of substance and importance in the coming hours. Your Word teaches, "A gentle answer turns away wrath, but a harsh word stirs up anger."

Help us look for the way of gentleness in our debate and decision making. Remind us, if You will, that few good decisions are made out of an angry heart. TWELFTH DAY

Wednesday, January 24, 2024, 2:30 p.m.

Invocation by Reverend Cecil T. Washington:

Never Stop Praying
1 Thessalonians 5:17; Acts 10:1-5, 34-35

Heavenly Father, in 1 Thessalonians 5:17 Your Word says we should never stop praying. Lord, I believe You're telling us that in everything, no matter what it is, we should always be in tune with You, never so busy or engaged as to miss specific guidance from You. Help us maintain an ongoing attitude of prayer where our spiritual antenna is always up and tuned in, ready to hear from You.

In Acts 10:2-5, Cornelius, a Roman military officer, had his Godly antenna up while the Apostle Peter, a Jew, was also tuned in to You; two different people representing contrary, divided cultures. But Lord, You desire that people endeavor to overcome their differences and come together. After it was clear that You wanted harmony, both Cornelius and Peter overcame their differences and Peter says, in Acts 10:34-35, "I see very clearly now that God shows no favoritism. In every nation He accepts those who revere Him and do what is right." Lord, in like manner, help us keep our ears tuned to Your frequency.

And, as we listen to You, guide us in looking beyond our differences, that we may be in a Godly alliance blessing You, then each other and blessing those we serve. I offer this prayer in the Name of the Tri-Unity, God the Father, God the Son and God the Holy Spirit, that we might practice loving one another. Amen.

The Pledge of Allegiance was led by President Masterson.

Journal of the Senate

THIRTEENTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, January 25, 2024, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 38 senators present.
Senators Holland and Steffen were excused.
Invocation by Reverend Cecil T. Washington:

Numbering Our Days
Genesis 1:14, Hebrews 9:27, Psalm 90:12

Heavenly Father, today is the 25th day of the new year, and just 54 days from now we'll embrace the blessings of Spring, then Summer, after that Fall and then Winter again. Lord, You've made it clear in Genesis 1:14, that these changes will continually follow one another day after day, month after month, year after year.

But Lord, keep us from being hypnotized, lulled into thinking, that this repeating cycle is how it will always be until the end of time. In the past, You ended everything for everybody by overcoming the earth with water. You said it would be by fire next time. You also said in Hebrews 9:27, that You have given all of us an appointment, an appointed time to meet with You...a time of accountability. Even though it's not on our calendar, the date and time is set by You.

And Lord, that's why the Psalmist said in 90:12, "teach us to number our days, teach us to realize the brevity of life, so that we may grow in wisdom".

So Lord, by Your Holy Spirit, awaken each of us from any complacency. Give us the wisdom that comes from You and guide us in making decisions that will bless Your people. Continually remind us Lord, that the people belong to You, not to us, and that our responsibility is to You more than anyone else.

Thank You Lord for the opportunity to serve and for Your ongoing grace and mercy. In Jesus' Name, Amen.

The Pledge of Allegiance was led by President Masterson.

Invocation by Reverend Cecil T. Washington:

Reward Good - Punish Evil - Guilt Free
Romans 13:1-10

Heavenly Father, we come today with gratefulness, delighted that the Kansas City Chiefs are AFC Champions and headed for the Super Bowl. But beyond that, in these halls, we're grateful for the opportunity to serve, to be part of our governing process.

In Romans 13:1-10, You give us the responsibilities of a civilized government. And Lord, please keep those principles forefront in our minds. You said that civilized governing authorities are actually instituted by You for the good of the people. And with the divine purpose of rewarding good, punishing evil and enabling us to have a clear conscience, You said that paying our taxes is for the financial support of this endeavor. But, You make it clear that what we owe is far more than just tax support.

You command us to pay ALL our obligations, to fulfill ALL indebtedness, tolls, levies, and fees. Also respect appreciation, honor and kindness, and standing above these is the indebtedness that we cannot pay in full that encapsulates everything.

Lord, it's the obligation You make primary and with these being the halls where civil laws are being considered, You say it's the law that none of us can say, "I've done that... been there... got the t-shirt!"

In verse 10, You sum it up this way, love your neighbor as yourself. Love does no wrong to a neighbor, therefore, love is the fulfillment of the law. So Lord, in the Name of Jesus, I'm asking You to help me and each of us to work at loving one another as we love ourselves, Amen.

The Pledge of Allegiance was led by President Masterson.

Reverend Washington sang "Home on the Range" in celebration of Kansas' 163rd Birthday.

SIXTEENTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, January 30, 2024, 2:30 p.m.

The Senate was called to order by President Ty Masterson.

The roll was called with 39 senators present.

Senator Longbine was excused.

The President introduced Doug Henkle who delivered the Invocation:

Thank You for bringing us together here this afternoon. Remind us we have come together here, in this 2024 legislative session, in this chamber, to serve the people of Kansas who elected us. I lift up President Masterson, Vice-President Wilborn, Majority Leader Alley and Minority Leader Sykes to You. Give them Your direction as they lead this chamber.

I pray for Your peace in this chamber and in this building. Cause us to think before we speak. Before our lips start moving, cause us to pause and think about our words. Remind us to never think our words will be overlooked and easily erased. Cause us to focus on the issues at hand. Cause us to argue our positions, to present reasons for or against the matter at hand, in an honorable way to the best of our ability.

Keep us from quarrels and angry disputes, injuring otherwise friendly relations. Remind us that death words destroy, hurt, create humiliating feelings. Life words build and increase strength of character. They center on the truth, and therefore they set the other person free. Cause us to ask ourselves: Are our words accurate or exaggerated? Necessary or needless? Wholesome or vile? Cause us, as Your Word admonishes us to do, to speak the truth in love. Cause us not to think more of ourselves than we ought.

At the end of the day, cause us to reflect not on what we gained or lost personally, but by what we accomplished for the people of Kansas in this legislative body called the Kansas Senate. In Jesus' Name, Amen.

The Pledge of Allegiance was led by President Masterson.

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to change the procedure for selecting supreme court justices by requiring senate consent and to change the membership of the supreme court nominating commission. The members of the commission would be changed to: One member, who shall be chairperson, appointed by the governor; one member appointed by the chief justice; the lieutenant governor; the secretary of state; the attorney general; the president of the senate; and the speaker of the house of representatives. The gubernatorial appointments to the commission would be reduced from four members to one member. The members of the bar would no longer elect members of the commission. The commission would continue to nominate three persons for appointment by the governor. The governor would appoint one of such persons to the office of justice of the supreme court, and such person's appointment is subject to the consent of the senate. A procedure is established whereby senate consent would occur within 60 days of receiving the appointment. If the senate does not consent by a majority vote, the governor would then select a different appointment that would again go to the senate for consent. The same appointment and consent procedure would be followed until a valid appointment is made. If the senate fails to vote on an appointment within 60 days, it will be considered that the senate has consented to the appointment. Supreme court justices would continue to hold six-year terms and be subject to retention elections.

"A vote for this proposition would add a senate confirmation requirement to the current system in which justices of the supreme court are appointed by the governor from a list of three individuals submitted by the supreme court nominating commission. The members of the commission would be changed to: One member, who shall be chairperson, appointed by the governor; one member appointed by the chief justice; the lieutenant governor; the secretary of state; the attorney general; the president of the senate; and the speaker of the house of representatives.

"A vote against this proposition would continue in effect the current system in which justices of the supreme court are appointed by the governor from a list of three individuals submitted by the supreme court nominating commission, without senate confirmation. The members of the commission would continue to be: One member, who shall be chairperson, chosen from among their number by the members of the bar who are residents of and licensed in Kansas; one member from each congressional district chosen from among their number by the resident

members of the bar in each such district; and one member, who is not a lawyer, from each congressional district, appointed by the governor from among the residents of each such district."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at a special election which is hereby called on March 19, 2024, pursuant to section 1 of article 14 of the constitution of the state of Kansas, to be held in conjunction with the primary election held on such date.

On page 1, by striking all in lines 7 through 32; following line 32 by inserting "New Section 1. As used in sections 1 through 3, and amendments thereto:

(a) "Kansas sheltered workshop employer" or "workshop employer" means a private nonprofit, state or local government institution that provides employment opportunities for individuals with intellectual, developmental or physical disabilities and provides such employment opportunities for all or a portion of such individuals under a certificate issued by the United States secretary of labor under 29 U.S.C. § 214(c).

(b) "Secretary" means the secretary of labor.

New Sec. 2. (a) There is hereby created in the state treasury the Kansas sheltered workshop transition fund. The secretary of labor shall administer the fund. Such purpose shall be achieved by providing matching grants from fund moneys to Kansas sheltered workshop employers that commit to paying at least the minimum wage to all employees. A grant shall be matched on a \$1-to-\$1 basis by the Kansas sheltered workshop employer from nonstate sources.

(b) Applications for matching grants shall be made by Kansas sheltered workshop employers to the secretary in the form and manner required by the secretary. The Kansas sheltered workshop shall commit to completing the plan to receive a grant. If the secretary approves the transition plan, finds that the Kansas sheltered workshop has sufficient nonstate funding to match the grant with nonstate funds on a \$1-to-\$1 basis and approves the application, the secretary shall award the Kansas sheltered workshop a matching grant in the amount determined by the secretary. The secretary may award subsequent additional grants to the same Kansas sheltered workshop employer upon satisfactory progress shown by such workshop employer pursuant to the workshop employer's transition plan.

(c) Kansas sheltered workshop employers that receive a matching grant shall provide such information to the secretary as requested, excluding any information prohibited from disclosure under state or federal law, regarding the use of grant funds, use of associated nonstate funds and progress made toward achievement of the

transition plan as developed pursuant to subsection (b). Such information shall be utilized by the secretary to analyze and monitor the use of grant funds and compliance with and progress toward completion of the transition plan by workshop employers and to develop best uses of grant funds and transition methods to attain the goal of sections 1 through 3, and amendments thereto.

(d) On or before January 31, 2025, and annually on or before January 31 thereafter, the secretary shall report to the house of representatives standing committee on commerce, labor and economic development or its successor committee and the senate standing committee on commerce or its successor committee on the amount and uses of grant funding by each Kansas sheltered workshop employer that has received a matching grant and the progress made by each Kansas sheltered workshop employer toward the goal of sections 1 through 3, and amendments thereto.

(e) All expenditures from the Kansas sheltered workshop transition fund shall be for the purpose described in subsection (a) and shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of labor or the secretary's designee.

(f) On July 1, 2024, and each July 1 thereafter, or as soon thereafter as moneys may be available, the director of accounts and reports shall transfer \$1,000,000 from the state economic development initiatives fund established by K.S.A. 79-4804, and amendments thereto, to the Kansas sheltered workshop transition fund.

Journal of the Senate

EIGHTEENTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, February 1, 2024, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 37 senators present.
Senators Longbine, O'Shea and Steffen were excused.
Invocation by Reverend Cecil T. Washington:

Same Mud – Same Blood – Equal In God's Sight
Acts 17:26, Romans 14:11

Lord, let us thank You today, for Carter J Woodson, who, behind W.E.B. Du Bois, was the second African American to receive a doctorate from Harvard, and became known as the Father of Black History. You led him to lobby and encourage others in pushing for Black History Month to become a nationwide institution, choosing the month of February for its celebration because of two great Americans born in February.

You brought Abraham Lincoln, a white brother, into the world on February 12th and Frederick Douglas, a Black brother, on February 14th, and You used both of them to play powerful roles in honoring and shaping Black history.

Lord, I pray that all of us would become active for the cause of equality. We're all in this thing together. Lord, I'm reminded of the story where all the elements involved would lead to racial conflict; a Black Squad Sgt, out of Detroit was leading a Squad of White soldiers out of Mississippi. When the war was over and they came home, they were the best of friends and inseparable because they'd been fighting the same war, dodging the same bullets, diving into the same fox holes, experiencing the same mud, and according to Acts 17:26, sharing the same blood. Lord, help us to realize that today we're fighting the same war, dodging the same bullets, experiencing the same mud, sharing the same blood.

Remind us that we're equal in Your sight. I offer this prayer in the Name of Jesus, the One to Whom, according to Romans 14:11, all of us will one day bow. Amen!

The Pledge of Allegiance was led by President Masterson.

SENATE CONCURRENT RESOLUTION No. 1617

By Committee on Federal and State Affairs

A PROPOSITION to amend section 11 of article 1 of the constitution of the state of Kansas; relating to vacancies in the offices of the secretary of state and the attorney general.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 11 of article 1 of the constitution of the state of Kansas is hereby amended to read as follows:

"§ 11. Vacancies in executive offices. (a) When the office of governor is vacant, the lieutenant governor shall become governor. In the event of the disability of the governor, the lieutenant governor shall assume the powers and duties of governor until the disability is removed. The legislature shall provide by law for the succession to the office of governor should the offices of governor and lieutenant governor be vacant, and for the assumption of the powers and duties of governor during the disability of the governor, should the office of lieutenant governor be vacant or the lieutenant governor be disabled.

(b) (1) ~~When the office of secretary of state or attorney general is vacant, the governor shall fill the vacancy by appointment for the remainder of the term. If the secretary of state or attorney general is disabled, the governor shall name a person to assume the powers and duties of the office until the disability is removed~~ *or if the secretary of state or attorney general is disabled, the vacancy in either case shall be filled by a state party delegate convention of the party of the executive officer at the time of such officer's election, except as provided in paragraph (4).* The procedure for determining disability and the removal thereof shall be provided by law.

(2) *The convention shall be called by the state party chairperson. Such convention shall be convened within 21 days of notice that a vacancy has occurred or will occur. The delegates to the convention shall be the state party committee members. The officers of the convention shall be the officers of the state party committee. At such convention, the vote to fill such vacancy shall be taken. The election shall be by secret ballot, and the person elected shall be the person who receives the majority of all votes cast. If no person receives a majority of all votes cast on any ballot, the balloting shall continue until a person receives a majority of all the votes cast. Each state delegate of the party shall be entitled to vote. No state delegate shall be represented or vote by proxy. The*

convention may adopt such rules necessary to govern its procedure in making nominations, voting, counting and canvassing votes and for the conduct of any business that may properly be brought before the convention, except that such rules shall not be in conflict with the provisions of this section.

(3) After a person has been elected to fill the vacancy, the chairperson or vice-chairperson of the party committee shall execute a certificate, under oath, stating that such person has been duly elected to fill such vacancy. The chairperson or vice-chairperson shall transmit such certificate either by hand delivery by a person designated by the chairperson or vice-chairperson or by registered mail, return receipt requested, to the governor and a copy to the secretary of state. If transmitted by registered mail, such certificate and copy shall be mailed within 24 hours of the election, unless the day following the election is a Sunday or legal holiday, in which case, it shall be mailed by the next regular business day. Not later than seven days after the certificate is received in the office of the governor, the governor, or in the governor's absence, the lieutenant governor, shall fill the vacancy by appointing to the office of the secretary of state or the attorney general the person elected. In the event the governor or the lieutenant governor fails to appoint any person as required by this subsection after receiving a lawfully executed certificate, such person shall be deemed to have been appointed notwithstanding the governor's or lieutenant governor's failure to appoint such person. The person so appointed may qualify and enter upon the duties of the secretary of state or the attorney general immediately after appointment and shall serve for the unexpired term and until a successor is elected and qualified.

(4) If the secretary of state or the attorney general whose office will become or has become vacant was an independent when elected, the vacancy shall be filled by the governor, who shall appoint a suitable person to serve for the unexpired term and until a successor is elected and qualified."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to replace the authority of the governor to fill vacancies by appointment in the offices of secretary of state and attorney general with an election for the filling of vacancies in those offices conducted at a convention of the state party delegates for the political party of the secretary of state or attorney general at the time of such officer's election, unless such officer was an independent candidate at the time of election, in which case, the governor shall make an appointment to fill the vacancy.

"A vote for this proposition would replace the authority of the governor to fill vacancies by appointment in the offices of secretary of state and attorney general with an election for the filling of

vacancies in those offices conducted at a convention of the state party delegates for the political party of the secretary of state or attorney general at the time of such officer's election, unless such officer was an independent candidate at the time of election, in which case, the governor shall make an appointment to fill the vacancy.

"A vote against this proposition would make no changes to the constitution with respect to filling vacancies in the offices of the secretary of state or attorney general and the current provision giving the governor authority to fill vacancies by appointment in those offices."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2024, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case the proposed amendment shall be submitted to the electors of the state at the special election.

INTRODUCTION AND CONSIDERATION OF SENATE RESOLUTIONS

Senator McGinn introduced the following Senate resolution, which was read:
SENATE RESOLUTION No. 1735—

A RESOLUTION recognizing February 2024 as American Heart Month and supporting efforts to raise awareness on the rise of cardiovascular disease as the world's leading cause of death and disability.

WHEREAS, More than 350,000 persons experience cardiac arrest outside of a hospital each year, and only about 1 in 10 survive; and

WHEREAS, More than 23,000 children under the age of 18 experience cardiac arrest outside of a hospital each year in the United States, and almost 40% of these are sports related; and

WHEREAS, There are effective ways to mitigate the rise of cardiovascular disease, such as promoting awareness and education, establishing cardiac emergency response plans and providing CPR education and automated external defibrillator (AED) training and accessibility; and

WHEREAS, About 70% of cardiac arrests that occur outside of a hospital happen at home; and

WHEREAS, Cardiopulmonary resuscitation (CPR), especially if performed immediately, can double or triple a person's chance of survival; and

WHEREAS, Only about 46% of those who experience cardiac arrest receive CPR

from persons close by while waiting for emergency responders to arrive; and

WHEREAS, The ability to properly perform CPR has encouraged more people to act when faced with a cardiac emergency and save more lives from cardiac arrest outside of a hospital; and

WHEREAS, There is an urgent need for a greater number of people to take action and immediately respond to cardiac arrest events by calling 911, so that high-quality CPR using AED may be administered as soon as possible; and

WHEREAS, CPR is a lifesaving skill that most people, including children as young as age nine, can learn; and

WHEREAS, The American Heart Association has set a goal of doubling cardiac arrest survival rates by 2030 by turning bystanders into lifesavers, so that everyone, everywhere, may be prepared and empowered to become a vital link in the chain of survival and provide CPR in response to a cardiac emergency; and

WHEREAS, Currently, 90% of those who experience cardiac arrest outside of a hospital do not survive, in part because they do not receive CPR more than half of the time: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we recognize the month of February as American Heart Month and support efforts to raise awareness on the rise of cardiovascular disease as the world's leading cause of death and disability; and

Be it further resolved: That we congratulate the American Heart Association on its 100th anniversary and urge every household to help in the ongoing fight against heart disease and stroke by learning CPR and joining a growing nation of lifesavers; and

Be it further resolved: That the Secretary of the Senate shall send an enrolled copy of this resolution to Senator McGinn.

On emergency motion of Senator McGinn **SR 1735** was adopted by voice vote.

How To Know The Way To Go
Proverbs 3:5-7

Heavenly Father, You daily continue to bless us and protect us. When we look at the works of service You've assigned to us, we need the confidence of knowing that You oversee and manage everything we do.

Lord, You cautioned us in Proverbs 3:5-7 that when it comes to decision making, we should always be asking for Your guidance. You counseled us to trust You that You'd help us in making sense of things. And Lord, that's really what we need because a lot of things are not making sense. Please deliver us from being impressed with self, feeling that personal independent thinking should be sufficient. You've created us with a need for one another. Even when others oppose us, You want us to listen to them.

So Lord, help us to trust You for the answers we need. When we do that, You said You'd step in and make clear the path we're to travel. And when the work in these halls is done, let it be obvious that it was Your blessed influence that prevailed. I'm thanking You Lord for what You enable us to do.

In the Name of Him Who Loved us to death, Amen.

In God's Presence Expressing Thanksgiving
Psalm 100:4

Heavenly Father, it was in the 100th number of Psalms, verse 4, that the Psalmist spoke of us entering Your presence with thanksgiving. After thinking about that Lord, we should realize that we're always in Your presence. But we're not always expressing thankfulness. So, here's to You...

Thank You Lord. Thank You Lord. Thank You Lord.
I just want to thank You Lord. You've Been So Good.
You've Been So Good. You've Been So Good.
I just want to thank You Lord;

To God be the Glory, Amen.

TWENTY-SIXTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, February 13, 2024, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.

The roll was called with 40 senators present.

Invocation by Reverend Cecil T. Washington:

Four Benefits of God's
Word 2 Timothy 3:16-17

Heavenly Father, in the aftermath of winning the Superbowl, there is so much we can thank You for. We just celebrated Kansas Day, Kansas' Birthday. Thank You for the sacred privilege of living in a free state; for the willing determination and resolve to maintain that freedom. You've blessed us to live in a state that enjoys numerous firsts; first in football, one of the first in basketball, in agricultural development, in fighting for the abolition of slavery.

And Lord, we thank You today, that unlike some other places in the world, we can live in a country and state where owning a Bible is not against the law. In fact, You said in 2 Timothy 3:16, all Scripture is given by inspiration of God, and is profitable for doctrine, teaching us what's right for reproof; teaching us where we went wrong, for correction getting us back right and for instruction in righteousness, to keep us going right, that the man or woman of God can be thoroughly equipped and capable for every good work You've called us to do.

Thank You Lord, for giving us the guidance of Your Word. And Lord, when in our humanness we resist, I pray that like a devoted parent You'll lovingly correct us. In Jesus' Name, Amen.

The Pledge of Allegiance was led by Vice President Wilborn.

Journal of the Senate

TWENTY-SEVENTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, February 14, 2024, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The President introduced Doug Henkle who delivered the Invocation:

Heavenly Father, thank You for the men and women who serve our state in this chamber and for their families. Please provide them with reminders each day of why You called them to public service and use that calling to encourage them. Father, bless and protect the wives, husbands, and children of the members of this chamber. Give them peace as they are away from their loved ones on this Valentine's Day. We ask that You draw near to them and give them wisdom on how to best support one another as they are apart. I pray the time they do have with loved ones is rich and filled with warmth and gracious support.

I pray that You would grant wisdom, understanding, discernment and knowledge to the members of this body. Grant them favor, increase their faith and equip them to pursue Your excellence. Draw them to You and cause them to know and fulfill Your purposes. Thank You that You can be our standard, that You can be the mark toward which we strive.

I pray for President Masterson, Vice President Wilborn, Majority Leader Alley and Minority Leader Sykes as they lead this chamber. Give them Your perception and Your wisdom. Father, we lift up our governor to You. Your word tells us that You control rulers, just as You control the course of rivers. Please give our governor Your direction as she leads the executive branch of our government, that Your Devine will for our state would be accomplished.

Father God, we are so grateful for the legislative staff, for the housekeeping staff and the security personnel. They have such an important job keeping this legislature running as it should. Thank You for the ways You have gifted them to support so well. Wrap Your arms around these men and women to show them love, grace, strength, and encouragement. Cause them to know You and see Your presence in the work they do. And, Father, give them the stamina to approach each day and to find a balance between work and life so that they would be sustained.

Lord, You are sovereign and have total, clear perspective. You see the end from the beginning. You have no match on earth or in heaven. You entertain no fears, no ignorance, and have no needs. You have no home. You are able to create rather than invent, You direct rather than wish, You control rather than hope. You have no limitations and always know what is best. You never make a mistake. You possess the ability to bring everything to a purposeful conclusion and an ultimate goal. You are invincible, immutable, infinite, and self-sufficient. Your judgments are unsearchable

and Your way unfathomable. What a blessing to rest in Your warm embrace! In Jesus' Name, Amen.

The Pledge of Allegiance was led by President Masterson.

POINT OF PERSONAL PRIVILEGE

Senator Haley rose on a Point of Personal Privilege and submitted the following comments: MR. PRESIDENT AND FELLOW MEMBERS OF THE KANSAS SENATE: For many of us the travel outside of our State and even outside of our country, often you may have noted that the great pride we hold for KANSAS (or in my case, representing Wyandotte County, here in the Senate), KANSAS CITY, often the familiar link to where we're from or what we stand for is distilled into a sports franchise as, in the case, "Oh, the KANSAS CITY CHIEFS!" We are not the home of the native Kanza tribe for which Kansas the Territory, which became a member of the United States of America in 1861, was named. Kansas is not often worldwide known for our many innovations, or personages, or accomplishments for which we have triumphed ... and trumpeted. It has been a football team, The KANSAS CITY CHIEFS, specifically, that instills recognition and pride in the KANSAS name, uplifting the unique word "Kansas" and the "Kansas City" (which even a former POTUS attributed as our State and not another's where the team's home stadium currently sits) in stature and recognition around the globe in a way that should make all Kansans proud. Today, as a tremendous Parade in celebration is being shared by hundreds of thousands of revelers throughout Kansas City to honor the entire team: players, coaches, staff a deranged shooter in a regrettable incident sought to mar our civic pride by taking and injuring innocent lives. But, as my late mother Doris Moxley Haley would ALWAYS admonish me whenever some small person or some unfortunate action would creep into an overwhelming favorable aspect of Life and of Living: "As persons of faith, please don't ever let nothing steal your Joy!" And THIS is Joy: On Sunday, February 11, 2024, in front of a record television audience of 123.7 million viewers, the Kansas City Chiefs defeated the San Francisco 49ers by a score of 25 to 22 to win Super Bowl LVIII in Las Vegas, Nevada, and became the first franchise since 2004 to win back-to-back Super Bowls championship games! The Chiefs franchise was established on August 14, 1959, with their most recent season concluding their 63rd in the National Football League (NFL) and marking their fourth Super Bowl appearance in five years. The Chiefs have shown an unrivaled dominance and consistency in the modern era of the NFL, winning three of their four recent Super Bowl appearances! In Super Bowl LVIII, the players and coaches overcame adversity and completed a stunning second half and overtime period which became one of the greatest Super Bowl contests in history. The players, coaches, staff and entire organization instill immeasurable pride in Kansans all over the world, who recognize and appreciate the positive attention and reputation that the Chiefs' continued excellence brings to both Kansas City, Kansas, and Kansas as a whole! So, Mr. President and Members, we congratulate and commend the KANSAS CITY CHIEFS on being back-to-back Super Bowl Champions and recognize how they uplift the name and stature of KANSAS that we celebrate this day, ever still in JOY! How about those CHIEFS?!

Journal of the Senate

TWENTY-EIGHTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, February 15, 2024, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Love Is A Many Splendered Thing
1 Corinthians 13, Matthew 24: 12

Lord of Love, Mercy and Grace. Every year in the middle of February, we remind ourselves of that strange phenomenon called love and how everything we do should first show love for You at its center and secondly, love for others. But we need Your help in clearing up the confusion over what it is and how to do it. For if we ask 100 people to define it, we'll get 100 definitions.

Back in 1955, a Paul Webster tried to help us with the words to his song, He said "Love Is A Many-Splendered Thing." His lyric continued with, "It's the April rose that only grows in the early spring, that it's nature's way of giving a reason to be living; That it's the golden crown that makes a man a king." Lord, we're pretty good at poetry, and talking about love being multi-faceted. And we've come to know that it is. But, like a diamond takes in pure light and reflects it in a variety of brilliant hues, shine the pure light of Your love into our hearts to such a degree that we reflect it in a variety of ways. So much so, that those around us take note and say, "that's a man or woman who consistently demonstrates love."

In 1 Corinthians 13, the love chapter of Your Holy Word, You tell us how love does and does not behave. Help us to regularly use that passage as a love test to examine ourselves. For You predicted in Matthew 24: 12, that as we draw closer to the end times, due to lawlessness multiplying, the love of the many will grow cold.

So, Lord, help us to start telling folk and showing folk that we love them. For the need to promote love for our neighbor is amplified more now than ever. I thank You for Your love and for hearing this prayer, In Jesus' Name, Amen.

The Pledge of Allegiance was led by President Masterson.

All employee and employer contributions shall be deposited in the state treasury to be credited to the Kansas public employees retirement fund. The fund is a trust fund and shall be used solely for the exclusive purpose of providing benefits to members and member beneficiaries and defraying reasonable expenses of administering the fund. Investment income of the fund shall be added or credited to the fund as provided by law. All benefits payable under the system, refund of contributions and overpayments, purchases or investments under the law and expenses in connection with the system unless otherwise provided by law shall be paid from the fund. The director of accounts and reports is authorized to draw warrants on the state treasurer and against such fund upon the filing in the director's office of proper vouchers executed by the chairperson or the executive director of the board. As an alternative, payments from the fund may be made by credits to the accounts of recipients of payments in banks, savings and loan associations and credit unions. A payment shall be so made only upon the written authorization and direction of the recipient of payment and upon receipt of such authorization such payments shall be made in accordance therewith. Orders for payment of such claims may be contained on:

(a) A letter, memorandum, telegram, computer printout or similar writing; or

(3) Moneys in the fund shall be invested and reinvested to achieve the investment objective which is preservation of the fund to provide benefits to members and member beneficiaries, as provided by law and accordingly providing that the moneys are as productive as possible, subject to the standards set forth in this act. No moneys in the fund shall be invested or reinvested if any investment objective is for economic development or social purposes or objectives.

(4) In investing and reinvesting moneys in the fund and in acquiring, retaining, managing and disposing of investments of the fund, the board shall exercise the judgment, care, skill, prudence and diligence under the circumstances then prevailing, which persons of prudence, discretion and intelligence acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and with like aims by diversifying the investments of the fund so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so, and not in regard to speculation but in regard to the permanent disposition of similar funds, considering the probable income as well as the probable safety of their capital.

(5) Notwithstanding subsection (4):

(a) Total investments in common stock may be made in the amount of up to 60% of

the total book value of the fund;

(b) the board may invest or reinvest moneys of the fund in alternative investments if the following conditions are satisfied:

(iii) the system's share in any individual alternative investment is limited to an investment representing not more than 20% of any such individual alternative investment;

(iv) the system has received a favorable and appropriate recommendation from a qualified, independent expert in investment management or analysis in that particular type of alternative investment;

(v) the alternative investment is consistent with the system's investment policies and objectives as provided in subsection (6);

(vi) the individual alternative investment does not exceed more than 2.5% of the total alternative investments made under this subsection. If the alternative investment is made pursuant to participation by the system in a multi-investor pool, the 2.5% limitation contained in this subsection is applied to the underlying individual assets of such pool and not to investment in the pool itself. The total of such alternative investments made pursuant to participation by the system in any one individual multi-investor pool shall not exceed more than 20% of the total of alternative investments made by the system pursuant to this subsection. Nothing in this subsection requires the board to liquidate or sell the system's holdings in any alternative investments made pursuant to participation by the system in any one individual multi-investor pool held by the system on the effective date of this act, unless such liquidation or sale would be in the best interest of the members and beneficiaries of the system and be prudent under the standards contained in this section. The 20% limitation contained in this subsection shall not have been violated if the total of such investment in any one individual multi-investor pool exceeds 20% of the total alternative investments of the fund as a result of market forces acting to increase the value of such a multi-investor pool relative to the rest of the system's alternative investments; however, the board shall not invest or reinvest any moneys of the fund in any such individual multi-investor pool until the value of such individual multi-investor pool is less than 20% of the total alternative investments of the fund;

(vii) the board has received and considered the investment manager's due diligence findings submitted to the board as required by subsection (6);

(viii) prior to the time the alternative investment is made, the system has in place procedures and systems to ensure that the investment is properly monitored and investment performance is accurately measured; and

(ix) ~~the total~~ subject to the provisions of subsections (3), (4) and (5), the board shall adopt a limitation for the investment of alternative investments ~~does not exceed 15% expressed as a percentage~~ of the total investment assets of the fund. ~~The 15% Such limitation contained in this subsection shall not have been violated if the total of such alternative investments exceeds 15% of the total investment assets of the fund the percentage adopted by the board,~~ based on the fund total market value, as a result of

market forces acting to increase the value of such alternative investments relative to the rest of the system's investments. However, the board shall not invest or reinvest any moneys of the fund in alternative investments until the total value of such alternative investments is less than ~~15% of the total investment assets of the fund based on the market value. If the total value of the alternative investments exceeds 15% of the total investment assets of the fund, the limitation adopted by the board or the board adopts a new limit.~~ The board shall not be required to liquidate or sell the system's holdings in any alternative investment held by the system, unless such liquidation or sale would be in the best interest of the members and beneficiaries of the system and is prudent under the standards contained in this section;

(c) for purposes of this section, "alternative investment" includes a broad group of investments that are not one of the traditional asset types of public equities, fixed income, cash or real estate. Alternative investments are generally made through limited partnership or similar structures, are not regularly traded on nationally recognized exchanges and thus are relatively illiquid, and exhibit lower correlations with more liquid asset types such as stocks and bonds. Alternative investments generally include, but are not limited to, private equity, private credit, hedge funds, infrastructure, commodities and other investments that have the characteristics described in this paragraph; and

(6) (a) Subject to the objective set forth in subsection (3) and the standards set forth in subsections (4) and (5) the board shall formulate policies and objectives for the investment and reinvestment of moneys in the fund and the acquisition, retention, management and disposition of investments of the fund. Such policies and objectives shall include:

(i) Specific asset allocation standards and objectives;

(ii) establishment of criteria for evaluating the risk versus the potential return on a particular investment;

(iii) a requirement that all investment managers submit such manager's due diligence findings on each investment to the board or investment advisory committee for approval or rejection prior to making any alternative investment;

(iv) a requirement that all investment managers shall immediately report all instances of default on investments to the board and provide the board with recommendations and options, including, but not limited to, curing the default or withdrawal from the investment; and

(v) establishment of criteria that would be used as a guideline for determining when no additional add-on investments or reinvestments would be made and when the investment would be liquidated.

(b) The board shall review such policies and objectives, make changes considered

necessary or desirable and readopt such policies and objectives on an annual basis.

(7) The board may enter into contracts with one or more persons whom the board determines to be qualified, whereby the persons undertake to perform the functions specified in subsection (2) to the extent provided in the contract. Performance of functions under contract so entered into shall be paid pursuant to rates fixed by the board subject to provisions of appropriation acts and shall be based on specific contractual fee arrangements. The system shall not pay or reimburse any expenses of persons contracted with pursuant to this subsection, except that after approval of the board, the system may pay approved investment related expenses subject to provisions of appropriation acts. The board shall require that a person contracted with to obtain commercial insurance which provides for errors and omissions coverage for such person in an amount to be specified by the board, provided that such coverage shall be at least the greater of \$500,000 or 1% of the funds entrusted to such person up to a maximum of \$10,000,000. The board shall require a person contracted with to give a fidelity bond in a penal sum as may be fixed by law or, if not so fixed, as may be fixed by the board, with corporate surety authorized to do business in this state. Such persons contracted with the board pursuant to this subsection and any persons contracted with such persons to perform the functions specified in subsection (2) shall be deemed to be agents of the board and the system in the performance of contractual obligations.

(8) (a) In the acquisition or disposition of securities, the board may rely on the written legal opinion of a reputable bond attorney or attorneys, the written opinion of the attorney of the investment counselor or managers, or the written opinion of the attorney general certifying the legality of the securities.

(b) The board shall employ or retain qualified investment counsel or counselors or may negotiate with a trust company to assist and advise in the judicious investment of funds as herein provided.

(9) (a) Except as provided in subsection (7) and this subsection, the custody of money and securities of the fund shall remain in the custody of the state treasurer, except that the board may arrange for the custody of such money and securities as it considers advisable with one or more member banks or trust companies of the federal reserve system or with one or more banks in the state of Kansas, or both, to be held in safekeeping by the banks or trust companies for the collection of the principal and interest or other income or of the proceeds of sale. The services provided by the banks or trust companies shall be paid pursuant to rates fixed by the board subject to provisions of appropriation acts.

(b) The state treasurer and the board shall collect the principal and interest or other income of investments and the proceeds of sale of securities in the custody of the state treasurer and pay same when so collected into the fund.

(c) The principal and interest or other income or the proceeds of sale of securities as provided in this subsection shall be reported to the state treasurer and the board and credited to the fund.

(10) The board shall with the advice of the director of accounts and reports establish the requirements and procedure for reporting any and all activity relating to investment functions provided for in this act in order to prepare a record monthly of the investment income and changes made during the preceding month. The record will reflect a detailed summary of investment, reinvestment, purchase, sale and exchange transactions and such other information as the board may consider advisable to reflect a

true accounting of the investment activity of the fund.

(11) The board shall provide for an examination of the investment program annually. The examination shall include an evaluation of current investment policies and practices and of specific investments of the fund in relation to the objective set forth in subsection (3), the standard set forth in subsection (4) and other criteria as may be appropriate, and recommendations relating to the fund investment policies and practices and to specific investments of the fund as are considered necessary or desirable. The board shall include in its annual report to the governor as provided in K.S.A. 74-4907, and amendments thereto, a report or a summary thereof covering the investments of the fund.

"Section 1. K.S.A. 2023 Supp. 74-4921 is hereby amended to read as follows: 74-4921. (1) There is hereby created in the state treasury the Kansas public employees retirement fund. All employee and employer contributions shall be deposited in the state treasury to be credited to the Kansas public employees retirement fund. The fund is a trust fund and shall be used solely for the exclusive purpose of providing benefits to members and member beneficiaries and defraying reasonable expenses of administering the fund. Investment income of the fund shall be added or credited to the fund as provided by law. All benefits payable under the system, refund of contributions and overpayments, purchases or investments under the law and expenses in connection with the system unless otherwise provided by law shall be paid from the fund. The director of accounts and reports is authorized to draw warrants on the state treasurer and against such fund upon the filing in the director's office of proper vouchers executed by the chairperson or the executive director of the board. As an alternative, payments from the fund may be made by credits to the accounts of recipients of payments in banks, savings and loan associations and credit unions. A payment shall be so made only upon the written authorization and direction of the recipient of payment and upon receipt of such authorization such payments shall be made in accordance therewith. Orders for payment of such claims may be contained on:

(a) A letter, memorandum, telegram, computer printout or similar writing; or

(b) any form of communication, other than voice, which is registered upon magnetic tape, disc or any other medium designed to capture and contain in durable form conventional signals used for the electronic communication of messages.

(2) The board shall have the responsibility for the management of the fund and shall discharge the board's duties with respect to the fund solely in the interests of the members and beneficiaries of the system for the exclusive purpose of providing benefits

to members and such member's beneficiaries and defraying reasonable expenses of administering the fund and shall invest and reinvest moneys in the fund and acquire, retain, manage, including the exercise of any voting rights and disposal of investments of the fund within the limitations and according to the powers, duties and purposes as prescribed by this section.

(3) Moneys in the fund shall be invested and reinvested to achieve the investment objective which is preservation of the fund to provide benefits to members and member beneficiaries, as provided by law and accordingly providing that the moneys are as productive as possible, subject to the standards set forth in this act. No moneys in the fund shall be invested or reinvested if any investment objective is for economic development or social purposes or objectives.

(4) In investing and reinvesting moneys in the fund and in acquiring, retaining, managing and disposing of investments of the fund, the board shall exercise the judgment, care, skill, prudence and diligence under the circumstances then prevailing, which persons of prudence, discretion and intelligence acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and with like aims by diversifying the investments of the fund so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so, and not in regard to speculation but in regard to the permanent disposition of similar funds, considering the probable income as well as the probable safety of their capital.

(5) Notwithstanding subsection (4):

(a) Total investments in common stock may be made in the amount of up to 60% of the total book value of the fund;

(b) the board may invest or reinvest moneys of the fund in alternative investments if the following conditions are satisfied:

(i) The total of the annual net commitment to alternative investments does not exceed 5% of the total market value of investment assets of the fund as measured from the end of the preceding calendar year;

(ii) if in addition to the system, there are at least two other qualified institutional buyers, as defined by section (a)(1)(i) of rule 144A, securities act of 1933;

(iii) the system's share in any individual alternative investment is limited to an investment representing not more than 20% of any such individual alternative investment;

(iv) the system has received a favorable and appropriate recommendation from a qualified, independent expert in investment management or analysis in that particular type of alternative investment;

(v) the alternative investment is consistent with the system's investment policies and objectives as provided in subsection (6);

(vi) the individual alternative investment does not exceed more than 2.5% of the total alternative investments made under this subsection. If the alternative investment is made pursuant to participation by the system in a multi-investor pool, the 2.5% limitation contained in this subsection is applied to the underlying individual assets of such pool and not to investment in the pool itself. The total of such alternative investments made pursuant to participation by the system in any one individual multi-investor pool shall not exceed more than 20% of the total of alternative investments made by the system pursuant to this subsection. Nothing in this subsection requires the board to liquidate or sell the system's holdings in any alternative investments made

pursuant to participation by the system in any one individual multi-investor pool held by the system on the effective date of this act, unless such liquidation or sale would be in the best interest of the members and beneficiaries of the system and be prudent under the standards contained in this section. The 20% limitation contained in this subsection shall not have been violated if the total of such investment in any one individual multi-investor pool exceeds 20% of the total alternative investments of the fund as a result of market forces acting to increase the value of such a multi-investor pool relative to the rest of the system's alternative investments; however, the board shall not invest or reinvest any moneys of the fund in any such individual multi-investor pool until the value of such individual multi-investor pool is less than 20% of the total alternative investments of the fund;

(vii) the board has received and considered the investment manager's due diligence findings submitted to the board as required by subsection (6);

(viii) prior to the time the alternative investment is made, the system has in place procedures and systems to ensure that the investment is properly monitored and investment performance is accurately measured; and

(ix) the total of alternative investments does not exceed ~~15%~~ 20% of the total investment assets of the fund. The ~~15%~~ 20% limitation contained in this subsection shall not have been violated if the total of such alternative investments exceeds ~~15%~~ 20% of the total investment assets of the fund, based on the fund total market value, as a result of market forces acting to increase the value of such alternative investments relative to the rest of the system's investments. However, the board shall not invest or reinvest any moneys of the fund in alternative investments until the total value of such alternative investments is less than ~~15%~~ 20% of the total investment assets of the fund based on the market value. If the total value of the alternative investments exceeds ~~15%~~ 20% of the total investment assets of the fund, the board shall not be required to liquidate or sell the system's holdings in any alternative investment held by the system, unless such liquidation or sale would be in the best interest of the members and beneficiaries of the system and is prudent under the standards contained in this section;

(c) for purposes of this section, "alternative investment" includes a broad group of investments that are not one of the traditional asset types of public equities, fixed income, cash or real estate. (i) The system has received a favorable and appropriate recommendation from a qualified, independent expert in investment management or analysis in that particular type of real estate investment;

(ii) the real estate investment is consistent with the system's investment policies and objectives as provided in subsection (6); and

(iii) the system has received and considered the investment manager's due diligence findings.

(6) (a) Subject to the objective set forth in subsection (3) and the standards set forth in subsections (4) and (5) the board shall formulate policies and objectives for the investment and reinvestment of moneys in the fund and the acquisition, retention, management and disposition of investments of the fund. Such policies and objectives shall include:

- (i) Specific asset allocation standards and objectives;
- (ii) establishment of criteria for evaluating the risk versus the potential return on a particular investment;

- (v) establishment of criteria that would be used as a guideline for determining when no additional add-on investments or reinvestments would be made and when the investment would be liquidated.

(b) The board shall review such policies and objectives, make changes considered necessary or desirable and readopt such policies and objectives on an annual basis.

(7) The board may enter into contracts with one or more persons whom the board determines to be qualified, whereby the persons undertake to perform the functions specified in subsection (2) to the extent provided in the contract. Performance of functions under contract so entered into shall be paid pursuant to rates fixed by the board subject to provisions of appropriation acts and shall be based on specific contractual fee arrangements. The system shall not pay or reimburse any expenses of persons contracted with pursuant to this subsection, except that after approval of the board, the system may pay approved investment related expenses subject to provisions of appropriation acts. The board shall require a person contracted with to give a fidelity bond in a penal sum as may be fixed by law or, if not so fixed, as may be fixed by the board, with corporate surety authorized to do business in this state. Such persons contracted with the board pursuant to this subsection and any persons contracted with such persons to perform the functions specified in subsection (2) shall be deemed to be agents of the board and the system in the performance of contractual obligations.

(8) (a) In the acquisition or disposition of securities, the board may rely on the written legal opinion of a reputable bond attorney or attorneys, the written opinion of the attorney of the investment counselor or managers, or the written opinion of the attorney general certifying the legality of the securities.

(b) The board shall employ or retain qualified investment counsel or counselors or may negotiate with a trust company to assist and advise in the judicious investment of funds as herein provided.

(9) (a) Except as provided in subsection (7) and this subsection, the custody of money and securities of the fund shall remain in the custody of the state treasurer,

except that the board may arrange for the custody of such money and securities as it considers advisable with one or more member banks or trust companies of the federal reserve system or with one or more banks in the state of Kansas, or both, to be held in safekeeping by the banks or trust companies for the collection of the principal and interest or other income or of the proceeds of sale. EXPLANATION OF VOTE

President Biden's failed open border policies have unleashed a nationwide crisis and influx of illegal immigrants. Texas should not have to shoulder the financial and physical burden of protecting our nation's southern border alone. Do we need to start referring to California as Taiwan, Arizona as Ukraine, and Texas as Israel to get our Kansas Governor and Federal Government to aid Texas in defending our nation? As Texas Governor Greg Abbott closed his letter to his fellow Governor's in May of 2023, "When United, We can overcome any challenge together." I stand United with Texas, and vote Aye on **SR 1737**.—ALICIA STRAUB

EMERGENCY FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

EXPLANATION OF VOTE

Misunderstanding of alternative assets seem to be prevalent which proves why we want professionals investing our money. The pros of alternative investments that they are not necessarily correlated to the stock market which gives diversification benefits to our KPERs retirees. The cons are that there are higher fees and hard to get into

sometimes, not that they are inherently risky. They can give good returns and have slow risk and be liquid or longer term, so I support **SB 23**.—JEFF PITTMAN

I voted NO on **SB 23** because alternative investments are risky and ill-liquid. The idea of increasing these volatile investments to 20% of KPERS investments underlies a disconcerting degree of overconfidence among the funds managers.—MARK STEFFEN

SB 142, AN ACT concerning traffic regulations; relating to the duty of drivers approaching stationary vehicles; providing a penalty for unlawful passing thereof; amending K.S.A. 8-2118 and repealing the existing section.

EXPLANATION OF VOTE

This session we have passed several resolutions, and some in this body wonder whether or not they matter...or if they are symbolic. Six years ago, my predecessor, Mary Pilcher Cook, sponsored a resolution which this chamber adopted, by a vote of 35-4, recognizing pornography as a public health hazard that leads to a broad spectrum of individual and public health impacts and societal harms. That resolution recognized the need for additional educational, prevention, research, and policy change at the community level, and urged this chamber and other governing bodies, to take appropriate steps to ensure progress was made on fighting the very real impacts that pornography has. Now, 6 years later, that progress is being realized with this bill by addressing the public health hazard of pornography in a way that solves the problem in a constitutional manner. I raise this point to both acknowledge the important work of my predecessor on this topic, and also to recognize that the resolutions we pass are not merely symbolic but can also set the stage for further positive action on issues such as this. I vote YES.—MIKE THOMPSON

Senator Erickson requests the record to show she concurs with the "Explanation of Vote" offered by Senator Thompson on **SB 394**.

SB 410, AN ACT concerning roads and highways; designating a portion of United States highway 69 as the Ken W Brock memorial highway; designating a portion of United States highway 81 as the Merle Miller memorial highway; redesignating a current portion of the Frank Carlson memorial highway for United States 81; amending K.S.A. 68-1036 and repealing the existing section.

Journal of the Senate

THIRTY-FIRST DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, February 20, 2024, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
The President introduced Doug Henkle who delivered the invocation:

Heavenly Father, we have a problem. You've put us together, but we're not together. There's diversity in who we are, where we came from, what we want to achieve and how to achieve it. Father, we see that diversity is such a reality and that in Your creative ability, even identical twins, are not really identical.

So, Lord, the problem we have is in determining not to look at our diversities as divisive. Cause us to see them, rather, as opportunities, opportunities to broaden the borders of our viewpoints. Cause us to understand that even when we don't think alike, look alike or like the same things, we can start looking at things through the eyes of others. Cause us to begin looking at others from that perspective.

Father, in Your Word (1 Corinthians 12:12-31), You remind us of the harmony, despite diversity, in the human body. Likewise, in this legislative body, as diverse as we are, You have put us all together with a need for each other. Like the eye and the hand work together despite their differences, You brought this legislative body of diverse people together to improve our state.

Thank You for what has been accomplished, and for what You will yet accomplish, for Your glory through the work done here in the Kansas Senate. Lord, the motto "E Pluribus Unum" is a reminder that the oneness, the unity in these halls is made up of many parts and all the parts issue into the one.

Heavenly Father, as weeks, months and even years go by and we look back at the work You have given us to do here, cause us to see that You put together a symphony of talent in these halls, to produce for Your people, a better, harmonious way of life. Lord, I ask this of You in the Loving Name of Jesus, Amen.

The Pledge of Allegiance was led by President Masterson.

MESSAGE FROM THE HOUSE

Announcing passage of **HB 2760**.

Announcing the House here with transmits the veto message from the Governor on **HB 2284**, AN ACT concerning taxation; relating to income tax; providing a 5.25% tax rate for individuals; eliminating the income limitation to receive the subtraction modification exempting social security benefits; increasing the Kansas standard deduction by a cost-of-living adjustment; increasing the Kansas personal exemption; relating to privilege tax; decreasing the normal tax rate; relating to property tax; increasing the extent of exemption for residential property from the statewide school levy; concerning sales and compensating use tax; relating to sales of food and food ingredients; reducing the rate of tax imposed; modifying the percent credited to the state highway fund from revenue collected; amending K.S.A. 79-1107 and 79-1108 and K.S.A. 2023 Supp. 79-201x, 79-32,110, 79-32,117, 79-32,119, 79-32,121, 79-3603, 79-3603d, 79-3620, 79-3703 and 79-3710 and repealing the existing sections., received on January 26, 2024 and read on January 29, 2024.

"I support responsible tax cuts, but I refuse to sign into law a reckless flat tax that would take us back to Brownback while doing next to nothing for the middle class. This flat tax experiment would overwhelmingly benefit the super wealthy, and I'm not going to put our public schools, roads, and stable economy at risk just to give a break to those at the very top.

I am dead set on making sure working Kansans get a tax cut this year. That's why I've brought together Republican, Democratic, and Independent legislators to champion a \$1 billion tax cut over three years, all while maintaining our state's strong fiscal foundation. Our bipartisan tax cut will make it easier for families to pay for groceries, child care, diapers, and school supplies - while also cutting property, sales, and

retirement taxes.

While I urge the legislature to take this irresponsible flat tax experiment off the table once and for all, know that I will not let legislators leave Topeka this year without meaningfully and responsibly cutting taxes for middle-class families. I will call a special session if I have to - anything to ensure Kansans see tax relief, immediately. Let's work together to cut taxes in a way that continues our economic growth while benefiting all Kansans, not just the wealthiest.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2284.**"

LAURA KELLY
Governor

A motion was made that **HB 2284** be passed notwithstanding the Governor's veto. By a vote of 81 Yeas and 42 Nays, the motion failed to receive the required two-thirds constitutional majority of the elected members or appointed to the House of Representatives and the veto was sustained.

INTRODUCTION OF HOUSE BILLS AND CONCURRENT RESOLUTIONS

HB 2760 was thereupon introduced and read by title.

CONSIDERATION OF ORIGINAL MOTIONS

Citing Senate Rule 11(b), Senator Holland motioned to withdraw **SB 302** from the Committee on **Financial Institutions and Insurance** and advance the bill to the Calendar under the heading of **General Orders**, below the line.

Under Senate Rule 11(b), I hereby move to bring **Senate Bill 302** out of the Senate Financial Institutions and Insurance Committee and bring below the line under the heading of General Orders on the Senate Calendar. I bring this motion before the body because it is imperative that Kansas ensure the soundness and integrity of those financial markets operating under its jurisdiction. **SB 302** would suspend all future TEFFI fidfin transactions, custodial services and trust business of technology-enabled fiduciary financial institutions until the legislature expressly consents to and approves such activities by an act of the legislature and require the legislature to conduct a forensic audit of technology-enabled fiduciary financial institutions. My concerns regarding the enacted TEFFI legislation are two-fold: 1) the continued lack of effective regulatory oversight most recently expressed by Commissioner David Herndon of the Kansas Office of the State Bank Commission this past November, and 2) the dramatic collapse in the parent company Beneficient's share price which trades on the NASDAQ stock exchange; the 52-week high for the stock was \$16.50 a share and just last week shares were trading for under 30 cents. I am extremely concerned about any unforeseen negative consequences given the continued operation of the Beneficient Fiduciary Financial LLC TEFFI, and I ask the body for its support of the motion.—TOM HOLLAND

Citing Senate Rule 11(b), Senator Holland motioned to withdraw **SB 328** from the Committee on **Federal and State Affairs** and advance the bill to the Calendar under the heading of **General Orders**, below the line.

Under Senate Rule 11(b) I hereby move to bring **Senate Bill 328** out of the Senate Federal and State Affairs Committee and bring below the line under the heading of General Orders on the Senate Calendar. I bring this motion before the body because I have significant concerns about the appearance of conflicts of interest regarding two State of Kansas employees. If enacted, **SB 328** would address these concerns. The first major conflict of interest concerns the Lt. Governor who is simultaneously serving as Kansas' Secretary of Commerce. The conflict is this – when the Lt. Governor is simultaneously negotiating, awarding, promoting and administering economic development projects as the Secretary of Commerce, whose interests is he representing – Kansas taxpayers, the political interests of the Governor's Office, or the financial interest of developers? The second conflict is this – when a legislator who is also currently employed by the Attorney General's Office is introducing bills, voting on legislation and preparing budgets, whose interests is that legislator representing – district constituents or the Attorney General's office? Also, would that legislator have access to confidential KBI investigative information concerning fellow legislators should such an investigation ever arise? I strongly believe both employees as currently serving in their dual state roles make our legislative process less transparent to Kansas citizens, and I ask the body for its support of the motion.—TOM HOLLAND

Citing Senate Rule 11(b), Senator Sykes motioned to withdraw **SB 377** from the Committee on **Assessment and Taxation** and advance the bill to the Calendar under the heading of **General Orders**, below the line.

Senator Pyle moved to suspend the rules on **SB 377**.

Upon the showing of five hands a roll call vote was requested.

On roll call, the vote was: Yeas 13; Nays 24; Present and Passing 0; Absent or Not Voting 3.

Yeas: Corson, Doll, Faust-Goudeau, Francisco, Haley, Holland, Holscher, Olson, Pittman, Pyle, Reddi, Sykes, Ware.

Nays: Alley, Baumgardner, Billinger, Blasi, Bowers, Claeys, Dietrich, Erickson, Fagg, Gossage, Kerschen, Kloos, Masterson, McGinn, Peck, Petersen, Ryckman, Shallenburger, Steffen, Straub, Thompson, Tyson, Warren, Wilborn.

Absent or Not Voting: Longbine, O'Shea, Pettey.

Failing to reach the required 27 affirmative votes, the motion was rejected.

EXPLANATION OF VOTE

My motion to suspend the rules was done to allow action on the motion by the senator from Johnson to withdraw **SB 377**, (the governor's tax cut) from the Committee on Assessment and Taxation for a fair debate and vote.—DENNIS PYLE

Senator Francisco requests the record to show she concurs with the "Explanation of Vote" offered by Senator Pyle on **SB 377**.

Journal of the Senate

THIRTY-SECOND DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, February 21, 2024, 10:00 a.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

YOU Are GOD - THE only GOD!
Psalm 139:1-16; Romans 1:18-32

Lord, in humble appreciation we must acknowledge that there are no adjectives big enough, wide enough or deep enough to embrace Your being. There are no words to fully capture or enable us to apprehend the scope of Your being. YOU ARE GOD!

Your Word, in Psalm 139:1-16, reveals that there's no place that any of us can hide from Your presence. You can't be outsmarted, outdone, outpaced or overwhelmed. You can't be caught off-guard, overpowered, shocked, stunned or dumbfounded by anything. YOU ARE GOD!

And even though we are created by You and our human understanding is vastly limited, You have given us an awareness that You are vastly unlimited. You are unrestricted and unrestrained in all that You choose to do. So, thank You for choosing to reveal Yourself and even to share with us various qualities of Your Being along with the many blessings You provide. Your mercies are new every day. Your compassion fails not and Your grace is sufficient for all our needs.

Keep us ever aware of Your loving kindness and save us from being a part of that group mentioned in Romans 1:18-32 where they refused to glorify You as God and were not thankful. Help us to maintain a daily awareness and appreciation that YOU ARE GOD! In Jesus' Name, Amen!

The Pledge of Allegiance was led by President Masterson.

EXPLANATION OF VOTE

Many school districts that nonresident transfer policies. It would be good to have an audit of how many schools have a nonresident transfer policy, what do those policies encompass, data on number of nonresidents transfers and where they are coming from and why, how many were denied and why. Without completely understanding what is working and not what is not working. It is difficult to define the problem. While the legislation states a legislative post audit will be conducted in 2027 for an audit of nonresident student transfers, I believe it would be best to have that information first to define the problem and develop legislation accordingly. This is also an issue of local control. Local Board of Education members are elected by their community to make the best decisions for their school district. In most school districts, the BOE members are volunteers and serve on many subcommittees as well, and often they do not get paid. They are very dedicated to their community, parents, and students. The appeal process is a concern. There is no other appeal process that I'm aware of that would take a BOE decision to the Commissioner of Education.—*USHA REDDI*

EXPLANATION OF VOTE

I vote AYE and stand in strong support of **SB 430**. While I believe the proposed permanent total disability indemnity cap of \$400,000 is woefully inadequate, I also believe this bill, when considered in its entirety, is a solid step forward in both recognizing and compensating those Kansas workers who are injured on the job.—Tom HOLLAND

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

Journal of the Senate

THIRTY-THIRD DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, February 22, 2024, 10:00 a.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Leaning On The Everlasting Arms
Proverbs 3:5-7

Lord, God of Heaven and earth, in moving forward, in pushing for progress, there's a lot of ground we need to cover. Yet it's encouraging to know, that we can lean on You as we go. In fact, You've indicated that it's not wise to lean on any other.

Back in 1972, Bill Withers came up with a song where the singer was saying "Lean on Me" and I'll help you carry on. But then he went on to say that it wouldn't be long before he would need somebody to lean on.

In the wisdom, You've given us through Solomon, in Proverbs 3:5-7, You let us know that we're not to lean on our human understanding or try to be wise in our own eyes. But, if we acknowledge You in all our ways, You promised to show us the paths to take. So, Lord, as we push for progress, help us to hear Your voice calling us to lean on You; that You'd help us to carry on. I'm so very grateful for Your loving direction and protection. In Jesus' Name, Amen.

The Pledge of Allegiance was led by President Masterson.

EXPLANATION OF VOTE

I vote NO on **HB 2105**. I am extremely concerned that this legislation, as currently written, will institutionalize a predatory loan scheme upon those Kansas workers who financially struggle living from paycheck to paycheck. I am also concerned about how this might adversely impact the existing rights of an employee working in a right-to-work state.—TOM HOLLAND

SB 352, AN ACT concerning health and healthcare; enacting the John D. Springer patient's bill of rights; requiring hospitals to allow in-person visitation in certain circumstances; requiring hospitals to adopt visitation policies and procedures; establishing the medical care facility reimbursement fund to reimburse medical care facilities for lost federal funding due to compliance with the John D. Springer patient's bill of rights; creating a civil cause of action for violation of such rights.

On roll call, the vote was: Yeas 26; Nays 13; Present and Passing 1; Absent or Not Voting 0.

McGinn, Pettey, Reddi, Sykes, Ware.
 Present and Passing: Faust-Goudeau.
 The bill passed, as amended.

EXPLANATION OF VOTE

I voted for **SB 352**, the John D. Springer Patient Bill of Rights, because a NO vote was a vote against basic human rights.—MARK STEFFEN

I vote Aye in support of **SB 352**, the John D. Springer Patient's Bill of Rights, and extend my deepest sympathies to Peggy Springer and the rest of her family. May no other families endure the torture their family did while their loved one was in the hospital.—ALICIA STRAUB

The John D Springer Patient's Bill of Rights is necessary. The intent of the bill is to prohibit placing medically unnecessary, unfounded, and non-scientific policies ahead of the rights of individuals. Families were kept from the bedside of dying patients, and those who were so sick they could not advocate for themselves. The farther we get from the COVID pandemic, the more we seem to be forgetting the lessons we must remember, to prevent out-of-control mandates from happening in the future. The totalitarian whims of people like Dr. Fauci should never be allowed to have the force and effect of law and take precedence over the most basic of individual rights. But that is exactly what happened in 2020 and 2021. I believe the amendment was ill conceived and confusing, but I cannot allow that to prevent our effort to provide surety to future patients and their families during times when their needs are paramount. For that reason, I vote "aye." —MIKE THOMPSON

Senator Gossage requests the record to show she concurs with the "Explanation of Vote" offered by Senator Thompson on **SB 352**.

EXPLANATION OF VOTE

Kansans depend on the expertise and competence of the Kansas Department of Health and Environment (KDHE) and the state's public health practitioners to provide leadership and direction in times of health emergencies. **SB 391** limits the authority of the secretary of KDHE to only be able to recommend but not take action .when it comes to exercising general supervision of the health of the state of Kansas. **SB 391** designates required reporters to local health officials on contagious diseases who then may only recommend actions to protect Kansans from infectious or contagious diseases. **SB 391** is poor state policy I vote No.—PAT PETTEY

EXPLANATION OF VOTE

I vote "NO" on **Senate Bill 455** as amended by the Senate Committee. The original bill permitted a utility to retain coal-fired electric generating facilities and operate them at a low capacity or hold them offline if determined by the Kansas Corporation Commission to be just, reasonable, and necessary for the provision of sufficient and efficient service. Wording added from **Senate Bill 456**, rather than permission, disallows the Corporation Commission from approving the abandonment or retirement of a fossil fuel-fired electric generating unit unless they determine relevant evidence supports findings that the abandoned unit will be replaced, the change is not expected to harm the utility's customers, and, unless it is required to comply with federal or state laws, it is for economic purposes and not based on achieving environmental, social or governance goals. We should be allowing changes that not only do no harm but also those that reduce costs. Kansas needs an energy plan, not this bill.—MARCI FRANCISCO

SB 458, AN ACT concerning seizure and forfeiture of property; relating to the Kansas standard asset seizure and forfeiture act; specifying that certain drug offenses do not give rise to forfeiture under the act; requiring courts to make a finding that forfeiture is not excessive; restricting actions prior to commencement of forfeiture proceedings; requiring probable cause affidavit filing and review to commence forfeiture proceedings; increasing the burden of proof required to forfeit property to clear and convincing evidence; providing persons involved in forfeiture proceedings the ability to request a jury trial; authorizing courts to order payment of attorney fees and costs for certain claimants; requiring the Kansas bureau of investigation to submit forfeiture fund financial reports to the legislature; amending K.S.A. 2023 Supp. 60-4104, 60-4106, 60-4107, 60-4109, 60-4111, 60-4112, 60-4113, 60-4114, 60-4116, 60-4117 and 60-4127 and repealing the existing sections.

The President introduced guest chaplain, Reverend Justin Panzer, who delivered the invocation:

Almighty God, Your Word commands us to pray for our leaders that "we may lead a peaceful and quiet life, godly and dignified in every way," 1 Timothy 2:2. It is from You that comes all rule and authority over the nations of the world for the punishment of evildoers and for the praise of those who do well.

To that end, guard and preserve the members of the Senate in the State of Kansas who make and administer the laws of this state. We especially pray for: Larry, Molly, Rick, Chase, Elaine, JR, Ethan, Brenda, John, Renee, Michael, Oletha, Marci, Beverly, David, Tom, Cindy, Dan, Rick, Jeff, Ty, Carolyn, Rob, Kristen, Virgil, Mike, Pat, Jeff, Dennis, Usha, Ron, Tim, Mark, Alicia, Dinah, Mike, Caryn, Mary, Kellie, and Richard.

Equip them to use the positions entrusted to them to bring You honor and glory. Lead them to protect life from conception to natural death. Guide them to make decisions that will benefit all citizens of this State. In all matters of deliberation, give them open ears and discerning and understanding hearts as they debate with one another and as they hear the pleas of their constituents.

We commend ourselves to You, imploring You in the Name of Jesus Christ, our Lord and Savior, whom You have sent to shed His precious blood on the Cross and be bodily raised from the grave for the forgiveness of sins all people. In His Name, we pray. Amen.

THIRTY-EIGHTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Monday, March 4, 2024, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 39 senators present.

Invocation by Reverend Cecil T. Washington:

Exponentially Adding Days To My Life
Job 14:5, Proverbs 9:11, Matthew 25:14-30

Lord, in humble appreciation, You are the Author of life. And Your Word, in Job 14:5, reveals that the days of our lives are numbered. You have placed limits on the time we will spend here. The days You're giving us to serve will one day be cut off.

But like leap year adds another day to the calendar, in Proverbs 9:11, You tell us that wisdom will add days and even add years to our calendars. So, Lord, our request today, is for wisdom; for the ability to look at life and all of life's concerns through Your eyes, to see things from Your perspective as we handle our assignments.

In the Gospel of Matthew, chapter 25:14-30, Jesus tells the illuminating story of three servants. One lacked Godly wisdom and was unprofitable in handling his responsibility. But two of them faithfully and wisely handled theirs. They heard Your words of affirmation, "Well Done," and received great reward.

Lord, we'd like, one day, to hear You tell us, "Well Done!" For if we wisely tackle the responsibilities we have here, using the abilities You've given us, You proclaim that we'll be rewarded even more greatly, exponentially in eternity.

I thank You for the opportunity and privilege to be of service. In Jesus' Name, Amen.

The Pledge of Allegiance was led by Vice President Wilborn.

The voter's ballot shall be:

(i) Marked by the voter, or by a person assisting the voter as otherwise permitted by law, either by hand or, prior to January 1, 2025, by use of a voting machine that is a non-tabulating paper ballot marking or printing device or system that may be electromechanical or electronic. On and after January 1, 2025, ballots shall only be marked by hand;

(ii) made available to the voter for inspection and verification by the voter after the voter has marked the ballot but before the voter's vote is cast and counted, that may be spoiled by the voter if it fails to reflect the voter's choices and that permits the voter to cast a new paper ballot; and

(B) The voting system shall provide the voter with an opportunity to correct any error on the paper ballot before the paper ballot is secured and preserved.

(2) The voting system shall not preserve the paper ballots in any manner that makes it possible, at any time after the ballot has been cast, to associate a voter with the record of the voter's vote without the voter's consent.

(3) The paper ballot shall constitute the official ballot and shall be preserved and used as the official ballot suitable for purposes of the tabulation of votes and any audit or recount conducted with respect to any election in which the voting system is used. On and after January 1, 2025, each paper ballot shall be counted by hand in any recount conducted with respect to any election, ~~unless the requestor of a recount pursuant to K.S.A. 25-3107, and amendments thereto, elects not to have the ballots counted by hand.~~

(4) In the event of any inconsistencies or irregularities between any electronic vote tallies counted prior to January 1, 2025, and the vote tallies determined by counting by hand the paper ballots cast, the paper ballots as counted by hand shall be the true and correct record of the votes cast.

(b) On and after January 1, 2025, the use of electronic or electromechanical voting or tabulation systems and electronic poll books or poll books not requiring a hand-written signature shall be prohibited.

(c) On or before January 1, ~~2023~~ 2025, the secretary of state shall adopt rules and regulations to implement the provisions of this section.

Sec. 3. K.S.A. 25-3001 is hereby amended to read as follows: 25-3001. Election boards shall make the original canvass according to the following procedure:

(a) A ballot box shall be opened and a judge designated by the supervising judge shall take the ballots out of the box either one at a time or in limited quantities as authorized by the supervising judge.

(b) A judge shall read and announce the vote on the ballot for each candidate. In reading and announcing the vote on ballots, the judge shall so place the ballot that another member of the election board may view the ballot as the vote is announced. The

clerks shall make a tally mark opposite the name of each candidate receiving a vote as announced by the judge. Such tally marks shall be made upon tally sheets provided by the county election officer. The supervising judge may direct a judge to perform the functions of a clerk for limited periods during the canvass and thereby temporarily relieve one or both clerks.

(c) After one judge announces the votes upon a ballot, ~~he such judge~~ shall hand the same to a second judge, who shall examine it and dispose of it as provided in this act.

(d) Void and blank ballots shall be announced by the judge, and the clerks shall make one tally mark for each such ballot opposite the proper designation on the tally sheet.

(e) From time to time during the canvass the clerks shall compare tally sheets and reconcile any differences to the satisfaction of a majority of the election board. When the canvass is completed, the number of votes received by each candidate shall be written in the indicated place on the tally sheet.

(f) When the canvass is completed on the night of the election, or if the canvass is continued from day to day at the completion of canvassing on each day, the supervising judge shall promptly transmit the number of votes received by each candidate or the number of votes received for and against a question submitted to the voters to the secretary of state or the secretary's designee as provided by K.S.A. 25-3006, and amendments thereto.

Sec. 4. K.S.A. 25-3006 is hereby amended to read as follows: 25-3006. (a) When the election board completes its canvass, it shall make three abstracts of the vote cast for all candidates whose names are printed on the ballot, all write-in votes cast and all votes cast on questions submitted. Such abstracts shall be made under the direction of the supervising judge upon forms provided by the county election officer. Each of such three abstracts shall bear a certificate of the validity thereof and each certificate shall be signed by all of the clerks and judges at the voting place.

(b) In voting places prior to January 1, 2025, where voting machines equipped with printed election returns mechanisms are used, the counter compartment shall not be opened and the original and duplicate originals of the printed return sheets of the votes cast on questions submitted and for candidates whose names are printed on the official ballot labels, together with the tabulation and inclusion of any write-in votes appearing on the paper roll shall constitute the official abstract for the votes cast on that machine, when coupled with the other originals and duplicate originals of other machines in the voting place and certified as abstracts of the vote cast at such voting place, upon forms and in the manner prescribed by the county election officer. On an after January 1, 2025, only manual hand counting of the votes cast, as provided by K.S.A. 25-3001, and amendments thereto, shall be permitted.

(c) When the election board completes its canvass on the night of the election and has made the abstracts as provided by subsections (a) and (b), the supervising judge shall promptly report the votes cast for all candidates whose names are printed on the ballot, all write-in votes cast and all votes cast on questions submitted to the secretary of state or the secretary's designee. If the canvass is not completed the night of the election, the supervising judge shall promptly report the votes counted as indicated by the tally sheets at the end of canvassing each day that the canvass continues until the canvass is completed and shall then promptly report the completed canvass results. Reports shall be made and transmitted in the form and manner as determined by the

secretary and approved by the legislature. All vote counts or results reported to the secretary of state or the secretary's designee shall be as agreed by the supervising judge and all judges and clerks at the voting place. Such reports shall not be considered in determining the official abstract or be considered as evidence in any proceeding challenging the results of any election but shall be utilized solely for purposes of providing current election vote count information for the interest of the public by the secretary of state. The secretary shall promptly publish such unofficial vote counts when reported and the final unofficial results on the secretary's website by voting area or precinct, county and aggregate totals.

~~(e)~~(d) The secretary of state may adopt rules and regulations prescribing procedures and forms to be used in carrying out the provisions of this section and K.S.A. 25-1338, as amended and amendments thereto.

Sec. 5. K.S.A. 2023 Supp. 25-3107 is hereby amended to read as follows: 25-3107. (a) At the time of commencement of any canvass by the county board of canvassers the county election officer shall present to the county board of canvassers the preliminary abstracts of election returns, together with the ballots and records returned by the election boards and, as provided by rules and regulations adopted by the secretary of state as authorized by K.S.A. 25-1132(b), and amendments thereto, advance voting ballots received after the closing of the polls pursuant to K.S.A. 25-1132(b), and amendments thereto. The county board of canvassers shall do what is necessary to obtain an accurate and just canvass of the election and shall finalize the preliminary abstract of election returns by making any needed changes, and certifying its authenticity and accuracy. The certification of the county board of canvassers shall be attested by the county election officer. Neither the county board of canvassers nor the county election officer shall open or unseal sacks or envelopes of ballots, except as is required by K.S.A. 25-409, 25-1136 and 25-1337, and amendments thereto, or other specific provision of law or as is authorized to carry out a recount under subsection (b), or as authorized under subsection (e).

(b) If a majority of the members of the county board of canvassers shall determine that there are manifest errors appearing on the face of the poll books of any election board, which might make a difference in the result of any election, or if any candidate shall request the recount of the ballots cast in all or in only specified voting areas for the office for which the person is a candidate, or if any registered elector who cast a ballot in a question submitted election requests a recount in all or only specified voting areas to determine the result of the election, the county board of canvassers shall cause a special election board appointed by the county election officer to meet under the supervision of the county election officer and recount the ballots with respect to any office or question submitted specified by the county board of canvassers or requested by the candidate or elector. If a recount is required in a county that uses optical scanning systems as defined in K.S.A. 25-4601 et seq., and amendments thereto, or electronic or electromechanical voting systems, as defined in K.S.A. 25-4401, and amendments thereto, the method of conducting the recount shall be at the discretion of the person requesting the recount. The county election officer shall not be a member of the special election board. Before the special election board meets to recount the ballots upon a properly filed request, the party who makes the request shall file with the county

election officer a bond, with security to be approved by the county or district attorney, conditioned to pay all costs incurred by the county in making the recount. In the event that the candidate requesting the recount is declared the winner of the election as a result of the recount, or if as a result of the recount a question submitted is overturned, no action shall be taken on the person's bond and the county shall bear the costs incurred for the recount. Any recount must be requested in writing and filed with the county election officer not later than 5 p.m. on the day following the last meeting of the county board of canvassers. The request shall specify which voting areas are to be recounted. The county election officer shall immediately notify any candidate involved in the election for which the recount is requested, or shall notify the county chairperson of each candidate's party. Any recount shall be initiated not later than the following day and shall be completed not later than 5 p.m. on the fifth day following the filing of the request for a recount, including Saturdays, Sundays and holidays. Upon completion of any recount under this subsection, the election board shall package and reseal the ballots as provided by law and the county board of canvassers shall complete its canvass. The members of the special election board shall be paid as prescribed in K.S.A. 25-2811, and amendments thereto, for time actually spent making the recount.

(c) (1) The provisions of this subsection shall apply to any election for:

(A) Any state or national office elected on a statewide basis;

(B) the office of president or vice president of the United States;

(C) the office of members of the United States house of representatives;

(D) the office of members of the state senate or house of representatives whose district is located in two or more counties;

(F) a constitutional amendment.

(2) Any candidate may request a recount in one or more counties. Any registered elector who cast a ballot in an election for a constitutional amendment submitted may request a recount in one or more counties. Any such recount shall be requested in writing and filed with the secretary of state not later than 5 p.m. on the day following the last meeting of the county board of canvassers canvassing votes in the election for which the recount is requested. The request shall specify which counties or precincts are to be recounted. If a recount is required in a county that uses optical scanning equipment, as defined in K.S.A. 25-4601, and amendments thereto, or electronic or electromechanical voting systems, as defined in K.S.A. 25-4401, and amendments thereto, the method of conducting the recount shall be at the discretion of the person requesting the recount. Except as provided by this subsection and subsection (d), the person requesting the recount shall file, contemporaneously with a request for a recount, a bond with the secretary of state, with security to be approved by the secretary of state, conditioned to pay all costs incurred by the counties and the secretary of state in making the recount. The amount of the bond shall be determined by the secretary of state. A candidate described in subsection (c)(1)(D) and (E) may post a bond as provided by subsection (b) in lieu of the bond required by this subsection. In the event that the candidate requesting the recount is declared the winner of the election as a result of the recount, no action shall be taken on the candidate's bond and the counties shall bear the costs incurred for the recount.

(3) The secretary of state immediately shall notify each county election officer affected by the recount and any candidate involved in the election for which the recount

is requested. If the candidate cannot be reached, then the secretary of state shall notify the state chairperson of such candidate's party. Any such recount shall be conducted under the supervision of the county election officers at the direction of the secretary of state, and shall be initiated not later than the following day and shall be completed not later than 5 p.m. on the fifth day following the filing of the request for a recount, including Saturdays, Sundays and holidays. Each county election officer involved in the recount shall appoint a special election board to recount the ballots. The members of the special election board shall be paid as prescribed in K.S.A. 25-2811, and amendments thereto, for time actually spent making the recount. Upon completion of any recount under this subsection, the special election board in each county shall package and reseal the ballots as provided by law and the county board of canvassers shall complete its canvass. The county election officer in each county immediately shall certify the results of the recount to the secretary of state.

(d) (1) The provisions of this subsection shall apply to any general elections for:

- (A) Any state or national office elected on a statewide basis;
- (B) the office of president or vice president of the United States;
- (C) the office of members of the United States house of representatives;
- (D) the office of members of the state senate or house of representatives; and
- (E) the office of members of the state board of education.

(2) Whenever the election returns reflect that a candidate for office was defeated by $\frac{1}{2}$ of 1% or less of the total number of votes cast and if the candidate requests a recount in one or more counties, no bond shall be required and the state shall bear the cost of any recount performed using the method by which the ballots were counted originally.

(3) Not later than 60 days following a recount conducted pursuant to this subsection, the board of county commissioners of each county in which the recount occurred shall certify to the secretary of state the amount of all necessary direct expenses incurred by the county. Payment for such expenses shall be made to the county treasurer of the county upon warrants of the director of accounts and reports pursuant to vouchers approved by the secretary of state. Upon receipt of such payment and reimbursements, the county treasurer shall deposit the entire amount thereof in the county election fund, if there is one and if there is not then to the county general fund.

THIRTY-NINTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, March 5, 2024, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Pursuing God's Wisdom Over Human Wisdom
1 Corinthians 2:1-16, Proverbs 1: 7, James 1:5

Heavenly Father, we need wisdom to do an appropriate job when addressing life's concerns, and not the worldly human wisdom, as defined in the second chapter of 1 Corinthians. The difficulties we face require a wisdom that is higher than ours. Our issues are so complex that, as humans, the best we can do would equate to putting band aids on terminal problems.

Lord, we need Your wisdom, Your wisdom to address our concerns. And in Proverbs 1:7, we learn that the wisdom which comes from You is given to those who revere You. So Lord, by Your Holy Spirit, confront us and open our eyes to see how much You want us to look to You. Keep us mindful of Your promise

Lord, in James 1:5, if we just ask You for Your wisdom, You will graciously and liberally give it to us. Lord, I thank You that You don't leave us to try and figure things out on our own. I thank You for the counsel You provide and for how You guide us through the turmoil in Jesus' Name, Amen.

The Pledge of Allegiance was led by President Masterson.

Upon the showing of five hands, a Call of the Senate was requested

On roll call, the vote was: Yeas 18; Nays 22; Present and Passing 0; Absent or Not Voting 0.

Yeas: Baumgardner, Billinger, Blasi, Claeys, Erickson, Fagg, Kerschen, Kloos, Masterson, Olson, Peck, Petersen, Pyle, Shallenburger, Steffen, Straub, Thompson, Tyson.

Nays: Alley, Bowers, Corson, Dietrich, Doll, Faust-Goudeau, Francisco, Gossage, Haley, Holland, Holscher, Longbine, McGinn, O'Shea, Pettey, Pittman, Reddi, Ryckman, Sykes, Ware, Warren, Wilborn.

The Call was lifted.

A constitutional majority having failed to vote in favor of the bill, **SB 365** did not pass.

EXPLANATION OF VOTE

I vote "NO" on **Senate Bill 365**. Currently Election Days have a 7pm deadline for ballots to be submitted to the election officer whether by advance vote, mailing an advance ballot, dropping in a dropbox, or voting in person. The majority of ballots are counted on Election Day evening; additional time is needed for the canvassing board to verify provisional ballots and staff to check signatures on advance ballots that arrived by mail on Election Day. Eliminating remote drop boxes could increase reliance on U.S. Mail; eliminating the three-day grace period could mean some ballots mailed before the deadline might not be counted however does nothing to make reporting of the final results come any earlier. I think those three days can and should be used to make as many legitimate votes as possible count. The requirement to hand count ballots, added in an amendment, would make the process more complicated, likely less accurate, and add considerably more time to get preliminary results. Kansas has a process for auditing election machine counts in each county that has shown them to be accurate. Let's defend, not undermine, a system that is working well for our constituents.—MARCI FRANCISCO

Senators Holland and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Francisco on **SB 365**.

I vote "YES" on **SB 365** because election integrity is a bipartisan issue that strikes to the very heart of our nation and great state. The pursuit towards safe and secure elections never rests and never ends. That fact is the essence of how success is achieved

and held. Elections are not easy or convenient. The pursuit of election integrity is not easy or convenient but it is necessary.—MARK STEFFEN

Trust is earned. Everyday I strive to retain the trust of not only the Kansas voter, but also the Kansas taxpayer. Election integrity is of the utmost importance in retaining that trust. I vote aye on **SB 365**.—ALICIA STRAUB

I support the underlying bill that emerged from committee that would have restored the previous law regarding the deadline for advance ballots to be returned. It has been passed by this Senate before and I support it. However, yesterday, a 20-page amendment was added that made broad changes to election law that deserve extensive scrutiny via the legislative process. While I understand those items can be fixed, I have to vote on the bill before me. As it stands now, as someone who believes we must thoroughly examine the impact of the laws we pass, I must vote No on **SB 365**.—KELLIE WARREN

Senator Gossage requests the record to show she concurs with the "Explanation of Vote" offered by Senator Warren on **SB 365**.

REPORTS OF STANDING COMMITTEES

Your Committee on **Assessment and Taxation** begs leave to submit the following reports: The following appointments were referred to and considered by the committee, and your committee recommends that the Senate approve and consent to such appointments:

Journal of the Senate

FORTIETH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, March 6, 2024, 2:30 p.m.

The Senate was called to order by President Ty Masterson.

The roll was called with 40 senators present.

The President introduced guest chaplain, Charles McKinzie, Great Plains UMC, Winfield, who delivered the invocation:

Would you join me in an attitude of quiet prayer and reflection: Creator who made all matter, and the One who reminds us that we, too, matter, we give You thanks for the gift of wisdom and pray that You'll lead this body to use it.

Hear our prayers for the citizenry of this State, especially those who need help. For those who seek help but find that it is out of reach, may they find consolation in Your healing presence. For all who are blessed with health and security, may they work to fulfill the needs of those who are less secure. For leaders who make decisions that affect the health and well-being of others, may they strive to meet the needs of those on the margins of our society.

O Great Mystery, remind us that You have called across the ages for us to be the helpers, to be the healers. May our generation be the one who makes the table of love longer and wider, not the generation who makes the walls higher and the doors bolted tighter. For your wisdom and guidance we ask, O God. Amen.

The Pledge of Allegiance was led by President Masterson.

Most companies and organizations fail from within. Whether you are operating a restaurant business or a construction business. There are challenges in every business; from managing employees, cash flow, project completion, and customer satisfaction. I commend Jon Rolph for succeeding in an industry in which most fail. Eighty percent of restaurants fail within the first five years. Fifty percent of construction businesses fail within the first five years. Jon Rolph is to be commended for his outstanding skills in not just managing people, but in managing cash flow. I appreciate his contribution to the Kansas Board of Regents, and sharing his skills with our state universities and colleges. The Senate was called to order by President Ty Masterson.

The roll was called with 39 senators present.

Senator O'Shea was excused.

The President introduced guest chaplain, Doug Henkle, who delivered the invocation:

Father God, it is such a blessing to know You love us and care about every detail of our lives. Thank You for personally caring about those things that worry us and prey on our thoughts. It is reassuring to know that not a single nagging, aching, worrisome thought escapes Your notice. Thank You for caring about them even more than we do. It is so encouraging to know that we are Your personal concern and that we never disappear from Your radar screen.

Heavenly Father, You care about the debate that will occur on the floor of this chamber in the weeks ahead. I pray that You would cause a bond of common purpose, the welfare of the citizens of Kansas, to unite this body and that Your peace, which is far beyond our understanding, would be over the Kansas Senate today.

I lift up every Senator here to You. Give them wisdom to accurately discern the issues presented before them. Cause them to make decisions that would strengthen and prosper our state. Provide them with guidance in conducting their affairs honorably, ethically and with integrity. May their actions and decisions be right, just and pleasing to You. Father, bring to light the things they need to know so they may vote in line with Your plan, will and purpose.

I pray for President Masterson, Vice President Wilborn, Majority Leader Alley, and Minority Leader Sykes. Give them Your divine insight and direction as they lead this chamber. FORTY-THIRD DAY

Monday, March 11, 2024, 2:30 p.m.

The Senate was called to order by President Ty Masterson.

Invocation by Reverend Cecil T. Washington:

Psalm 33:12, 144:12-15, Matthew 6:9-13

Heavenly Father, Noah Webster, who hobnobbed with and inspired the Founding Fathers of this blessed nation, helped to unite us linguistically when he gave us the Noah Webster's Dictionary. And inspired by Your Holy Spirit, he also wanted to unite us as a blessed nation, spiritually.

For Your Word says in Psalm 33: 12, blessed and sacred is the nation who's God is the LORD. He is quoted as saying, "All miseries and evils which men suffer from vice, crime, ambition, injustice, oppression, slavery and war proceed from their despising or neglecting the precepts contained in the Bible."

And Lord, a description of the nation that is blessed by You is poetically given to us in the Scriptures of Psalm 144:12-15 "May our sons be like full-grown, young plants. May our daughters be like stately columns that adorn the corners of a palace. May our barns be filled with all kinds of crops. May our sheep give birth to thousands of lambs, tens of thousands in our fields. May our cattle have many calves. May no one break in and may no one be dragged out. May there be no cries of distress in our streets. Blessed are the people who have these blessings! Blessed are the people whose God is the LORD."

So Lord, please unify us under Your Almighty Hand, that we not succumb to ungodly ways. I ask You, as Jesus taught the disciples to ask You in Matthew 6:13, to "Deliver us from influences of the evil one." In His Name, I pray, Amen.

The Pledge of Allegiance was led by President Masterson.

Servants God Is Looking For and People Need
Psalm 25:4-5

Lord God, the Psalm writer, David, had it right when he penned the following Words. And in Your providence, You preserved these Words in the Divine Cannon of Scripture. Help us to internalize and memorialize them. Psalm 25:4-5, "Show me Your ways, O Lord; Teach me Your paths. Lead me in Your truth and teach me, for You are the God of my salvation. On You I wait all the day."

Lord, when You answer the requests of these two verses when we grasp Your ways, learn Your paths, and are led guided by Your truth, we will be the servant leaders You are looking for and that the people need.

Lord, I offer this prayer on behalf of Your will being replicated here on earth, here in these halls, here among us even as it is done in Heaven. In Jesus' Name, Amen.

Journal of the Senate

FORTY-FIFTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, March 13, 2024, 1:00 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 38 senators present.
Senators Baumgardner and Thompson were excused.
Invocation by Reverend Cecil T. Washington:

Key To Answered Prayers
Psalm 66:18, Proverbs 28:9, 1 John 3:22

Heavenly Father, we come to You today praying for Your blessings. But Lord, we don't want to be guilty of presumption just taking it for granted that You'll hear and give a positive response.

You said in Psalm 66:18, if we know that some ungodliness is in our heart, if we know it's there and do nothing about it You would not hear us. You further told us in Proverbs 28:9, that if anyone turned a deaf ear to Your Word, their prayers would not be accepted by You. So Lord, You're saying if we turn a deaf ear to You, we'll be facing the dreadful problem of You turning a deaf ear to us. God, that's surely not the position we want to be in.

So Lord, by Your Holy Spirit, open our eyes to where repentance is needed so we can be the servant leaders You would have us to be, so we can be in harmony with that which pleases You and blesses the people. In fact, You told us in 1 John 3:22, the prayers that get heard are to come from people who have determined to listen to You with a heart of obedience to do what pleases You.

So Lord, we're going to have a moment of silence right now for You to speak to each of us individually. And Lord, during the quietness of the next few moments, let us hear Your still, small voice on the inside. Confront us and convict us now of any unruly attitudes and actions. For You said in 1 John 1:9, that if we confess our sins You'd be faithful and just to forgive and cleanse us.

I thank You now Lord, for Your mercy and grace. Let us now be about blessing You and those You've called us to serve. I offer this prayer in the precious Name of Jesus, Amen.

The Pledge of Allegiance was led by President Masterson.

EXPLANATION OF VOTE

I voted for the amendment to blunt the exorbitant pay raise for legislators provided in the budget. The process that took us to the huge pay raise was a premeditated plan to provide cover for legislators to receive a pay raise out of sight of the average taxpayer. I do not believe this at-large committee was neutral in any way, shape or form. Furthermore, the legislature is where you bring your life experiences not get them.—

MARK STEFFEN

Senator Straub requests the record to show she concurs with the "Explanation of Vote" offered by Senator Steffen on **Sub SB 514**.

I have not heard from constituents, clamoring for citizen legislators to get any increase in pay. Because the amendment would still provide a substantial pay raise, I vote No.—Kellie Warren

Journal of the Senate

FORTY-SIXTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, March 14, 2024, 2:30 p.m.

The Senate was called to order by President Ty Masterson.

The roll was called with 40 senators present.

The President introduced Pastor Jacob Heine, Faith Lutheran Church, Topeka, to deliver the invocation:

Jesus called His disciples over and said to them, "You know that those who are regarded as rulers of the Gentiles lord it over them, and those in high positions act as tyrants over them. But it is not so among you. On the contrary, whoever wants to become great among you will be your servant, and whoever wants to be first among you will be a slave to all. For even the Son of Man did not come to be served but to serve, and to give his life as a ransom for many." Mark 10:42-45

Heavenly Father, You remind us that our role in this world is one of service. You have called us to imitate Your Son, Jesus, who came not to be served but to serve. Forgive us for the times we have sought to have a place of honor rather than a place of service. Forgive us for the times when we have forgotten that You have placed us here to serve all people, not to be beholden to any one group or special interest.

As your servants, I ask that You would guide this government to do what is best for all people, regardless of their affinity or agenda. I ask You to help them to turn to You to ask what is best and not to look to themselves for personal thoughts and desires on what is best, so that none here would begin to lord over others their own agenda and purpose. I ask that You would guide each member of this chamber to seek Your agenda and Your purpose for the great state of Kansas. Give to each your heart of service, for in serving our neighbor we are able to truly see Your greatness.

Above all, O Lord, I ask that You would guide all hearts in this chamber, and throughout this great state, to once again come in humble submission before You, so that we would see all people, regardless of race, gender, or creed as those You love and therefore worthy of our love. In Jesus' name, Amen.

The Pledge of Allegiance was led by President Masterson.

(c) The secretary of revenue shall provide notice of the exemption period to retailers at least 60 days prior to the first day of the calendar month in which the exemption period established in this section commences.

(d) The following procedures are to be used in administering the exemption as provided in this section:

(1) A sale of eligible property under a layaway sale qualifies for exemption if:

(A) Final payment on a layaway order is made by, and the property is given to, the purchaser during the exemption period; or

(B) the purchaser selects the property and the retailer accepts the order for the item during the exemption period for immediate delivery upon full payment, even if delivery is made after the exemption period.

(2) There shall be no change during the period of exemption for the handling of a bundled sale as treated for sales tax purposes at times other than the exemption period.

(3) A discount by the seller reduces the sales price of the property, and the discounted sales price determines whether the sales price is within the price threshold provided in subsection (a). A coupon that reduces the sales price is treated as a discount if the seller is not reimbursed for the coupon amount by a third party. If a discount applies to the total amount paid by a purchaser rather than to the sales price of a particular item and the purchaser has purchased both eligible property and taxable property, the seller shall allocate the discount based on the total sales prices of the taxable property compared to the total sales prices of all property sold in that same transaction.

(4) Articles that are normally sold as a single unit must continue to be sold in that manner. Such articles cannot be priced separately and sold as individual items in order to obtain the exemption.

(5) Eligible property that customers purchase during the exemption period with use of a rain check will qualify for the exemption regardless of when the rain check was issued. Issuance of a rain check during the exemption period shall not qualify eligible property for the exemption if the property is actually purchased after the exemption period.

(6) The procedure for an exchange in regards to an exemption is as follows:

(A) If a customer purchases an item of eligible property during the exemption period but later exchanges the item for a similar eligible item, even if a different size, different color or other feature, no additional tax is due even if the exchange is made after the exemption period;

(B) if a customer purchases an item of eligible property during the exemption period, but after the exemption period has ended the customer returns the item and receives credit on the purchase of a different item, the appropriate sales tax is due on the sale of the new item; and

(C) if a customer purchases an item of eligible property before the exemption period, but during the exemption period the customer returns the item and receives

credit on the purchase of a different item of eligible property, no sales tax is due on the sale of the new item if the new item is purchased during the exemption period.

(7) For the purpose of an exemption, eligible property qualifies for the exemption if:

(A) The item is both delivered to and paid for by the customer during the exemption period; or

(B) the customer orders and pays for the item and the seller accepts the order during the exemption period for immediate shipment, even if delivery is made after the exemption period. For purposes of this subparagraph, the seller accepts an order when the seller has taken action to fill the order for immediate shipment. Actions to fill an order include placement of an "in date" stamp on a mail order or assignment of an order number to a telephone order. For purposes of this subparagraph, an order is for immediate shipment when the customer does not request delayed shipment. An order is for immediate shipment notwithstanding that the shipment may be delayed because of a backlog of orders or because stock is currently unavailable to, or on back order by, the seller.

(8) For a 60-day period immediately after the exemption period, when a customer returns an item that would qualify for the exemption, no credit for or refund of sales tax shall be given unless the customer provides a receipt or invoice that shows tax was paid or the seller has sufficient documentation to show that tax was paid on the specific item. The 60-day period is set solely for the purpose of designating a time period during which the customer must provide documentation that shows that sales tax was paid on returned merchandise. The 60-day period is not intended to change a seller's policy on the time period during which the seller will accept returns.

(9) The time zone of the seller's location determines the authorized time period for a sales tax holiday when the purchaser is located in one time zone and a seller is located in another.

Any contractor or agent, employee or subcontractor thereof, who purchased under such a certificate for any purpose other than that for which such a certificate is issued without the payment of the sales or compensating tax otherwise imposed upon such materials, shall be guilty of a misdemeanor and, upon conviction therefor, shall be subject to the penalties provided for in K.S.A. 79-3615(h), and amendments thereto. EXPLANATION OF VOTE

I offered this Amendment and obviously Vote AYE on the same. If it had passed, the Amendment would simply allow any County, if it so chose, to put before its' respective voters an Earnings tax of from 1-1.5% which, when collected, would be applied to property tax reductions in the enacting County. Taken from the successful model of Missouri's enabling legislation, Kansas City (MO) and St. Louis (MO) have implemented and prospered from Earnings taxes for decades; overwhelmingly renewed by their respective County's voters on ballots held every ten years. For example, Wyandotte County, MY County, would put the ballot question out to our people and, recognizing that only 30% of our employee work force actually resides in Wyandotte County (70% of the people who work in Wyandotte County are just "day-timers;" come to earn by day and leave the County at night.) The denial of this Amendment's adoption deprives Counties like mine, and perhaps yours, the ability to put before their people an opportunity to drastically reduce escalating real property tax bills by supplementing County revenues with a percent or more of all employment income earned in the County; the "host-site" which has infrastructure and public service needs to have met that all employees who work there need and benefit from. I vote AYE and hope one day that upon further study and reflection that a majority of our Legislature will join me in providing this economic parity tool option for our constituencies.—DAVID HALEY

EXPLANATION OF VOTE

SB 311 seeks to reverse the Kansas Supreme Court's decision to reject the "dark store" theory of valuing commercial property. If **SB 311** becomes law, millions of dollars in property tax revenue generated from commercial properties will disappear. This would significantly shift the property tax burden to residential homeowners, simply to benefit large commercial enterprises that are often owned by companies from outside Kansas. There was no hearing on this portion of **SB 311**, which was added to the bill just yesterday. Therefore, there's no fiscal note on the devastating impact this will have on all levels of Kansas government, and there was no chance for any parties to weigh in on this legislation.—*ETHAN CORSON*

Senators Francisco, Haley, Pettey and Ware request the record to show they concur with the "Explanation of Vote" offered by Senator Corson on **SB 311**.

EXPLANATION OF VOTE

Having voted to “Pass” on affirmation or denial of this long-debated, and pondered, tax bill, a Call of the Senate compelling me to “choose” will now produce a “no” on this bill; a reluctant “no” though at that. As this bill continues to make its way through the process; no doubt to a Governor’s veto and back, my consternation for immediate and significant tax-relief for ALL Kansans remains paramount. With all deliberate speed, we should cut social-security taxes, deduct the first \$100,000 in residential appraisal from taxation, accelerate the food sales and change the income exemptions immediately. The devil in the details of an inequitable single rate (or “flat-tax”) equation should be resolved from the 5.7 to, arguably, a 6.25% or better for my solid support; along with significant exemptions for middle-income earners as opposed to the practically non-measurable ones there in **SB 539** now. Rumor has it I actually voted For this measure today. I contend I voted Against it today; albeit ambiguously, reluctantly, merely compelled to.—**DAVID HALEY**

The idea that changing the structure of our tax system from three tiers to one tier gives inherent advantage is a fallacy in my mind; similar tax certainty can be had with the current three tier system. The current posture of **SB 539** is an attempt to replicate our current limited progressive tax structure using exemptions combined with a higher flat rate with decreasing yearly rates that appear to give the most benefits to the most wealthy. There was a compromise offered that gave significant tax cuts on property, social security, food and even income tax. This body can come up with a compromise that meets the needs of our citizens by continuing to work together and not deal with absolutes. I vote no on **SB 539**.—**JEFF PITTMAN**

Senator Francisco requests the record to show she concurs with the "Explanation of Vote" offered by Senator Pittman on **SB 539**.

S Sub HB 2036, AN ACT concerning sales taxation; relating to exemptions; providing an exemption for certain purchases by disabled veterans of the armed forces of the United States.

On roll call, the vote was: Yeas 38; Nays 2; Present and Passing 0; Absent or Not Voting 0.

Yeas: Alley, Baumgardner, Billinger, Blasi, Bowers, Claeys, Corson, Dietrich, Doll, Erickson, Fagg, Faust-Goudeau, Francisco, Gossage, Haley, Holland, Holscher, Kerschen, Kloos, Longbine, Masterson, O'Shea, Olson, Peck, Petersen, Pettey, Pittman, Pyle, Reddi, Ryckman, Shallenburger, Straub, Sykes, Thompson, Tyson, Ware, Warren, Wilborn.

Nays: McGinn, Steffen.

The substitute bill passed.

EXPLANATION OF VOTE

Senate Substitute for HB 2036 is a win for our disabled veterans. I was proud to be a bipartisan co-sponsor on the original bill **SB 58** giving critical sales tax exemptions on key goods. Sales tax cuts help the most needed. With that said, there still needs to be done to help this same group with property tax relief, as we have potentially done on with the current amendments we did this evening on **HB 2465** and more. I vote Aye.—JEFF PITTMAN

I voted YES on **S Sub HB 2036** because it provides sales tax relief for disabled veterans, however **HB 2036** passed in the House with a 123-1 vote which exempts property taxes for disabled veterans. My constituents include Fort Riley, military families, and disabled veterans. I received an overwhelming number of emails to support **HB 2036** for property tax relief, instead with the “gut and go” element of legislation the bill was replaced with another bill. The process creates confusion and is deceptive to the public.—USHA REDDI

HB 2465, AN ACT concerning taxation; relating to the salt parity act; clarifying the determination of taxable income of an electing pass-through entity; providing for the passing through of tax credits to electing pass-through entity owners; relating to Kansas adjusted gross income; providing subtraction modifications for certain federal credit disallowances and the employee retention credit disallowance and to permit the carryforward of certain net operating losses; clarifying the disallowed business interest expense deduction; excluding social security payments from household income and increasing the appraised value threshold for eligibility of seniors and disabled veterans related to increased property tax claims; citing the section as the golden years homestead property tax freeze program; amending K.S.A. 2023 Supp. 79-32,117, 79-32,284, 79-32,287 and 79-4508a and repealing the existing sections.

On roll call, the vote was: Yeas 38; Nays 2; Present and Passing 0; Absent or Not Voting 0.

Yeas: Alley, Baumgardner, Billinger, Blasi, Bowers, Claeys, Corson, Dietrich, Doll, Erickson, Fagg, Faust-Goudeau, Francisco, Gossage, Haley, Holland, Holscher, Kerschen, Kloos, Longbine, Masterson, O'Shea, Peck, Petersen, Pettey, Pittman, Pyle, Reddi, Ryckman, Shallenburger, Steffen, Straub, Sykes, Thompson, Tyson, Ware, Warren, Wilborn.

Nays: McGinn, Olson.

The bill passed, as amended.

EXPLANATION OF VOTE

I appreciate the amendments we have made to **HB 2465**, increasing the number of disabled veterans who will be able to realize property tax relief by increasing the eligibility income and property tax limits for tax freezes. I vote Aye.—JEFF PITTMAN

Senator Francisco requests the record to show she concurs with the "Explanation of Vote" offered by Senator Pittman on **HB 2465**.

FORTY-EIGHTH DAY

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 35 senators present.

Invocation by Reverend Cecil T. Washington:

How To Formulate And Build For Success
Luke 6:46-49

Heavenly Father, in the parable of the wise and foolish builders, Luke 6:46-49, a comparison is made between those of us that truly look to You for guidance versus those of us that only fake it, those who actually walk it vs. those who just talk it. In the analogy, You share that two houses were built. It contrasts two builders, one foolish and one wise.

Lord, as we develop and shape things for the future, help us to exercise wisdom and be guided by Your building codes. The foolish builder ignored your design, and the house he built collapsed. But in listening to You, the wise builder closely followed Your direction and the house he built stood strong. Energy was expended and two houses were actually built. While contrasting efforts were laid out, one was destined for success, the other destined for failure.

Lord, You show us the wisdom of the successful builder in three ways: 1) he came to You, the SOURCE of Godly Wisdom, seeking guidance from Your Holy Word; 2) he listened to You with ears to hear Your instructions and, 3) he did what You told Him, in the way that You told Him, living it out.

I thank You Lord for You are the Architect, the Designer, the Engineer that we must turn to for guaranteed success in all that we're trying to accomplish.

I offer this prayer in the beloved Name of Jesus, Amen.

The Pledge of Allegiance was led by Vice President Wilborn.

God Bless America
Psalm 84:11

Shortly after becoming an American citizen, Irving Berlin wrote, the earliest version of this prayer, a prayer that was set to music and went on to become a national anthem. Psalm 84:11 For the LORD God is a sun and a shield; the LORD gives grace and glory; He withholds no good thing from those who walk with integrity.

God Bless America, land that I love.
Stand beside her, and guide her
Thru the night with a light from above.
From the mountains, to the prairies,
To the oceans, white with foam,
God bless America, My home sweet home. Amen.

FIFTIETH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, March 20, 2024, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Difficulties Make Us Stronger
2 Corinthians 12:7-10, John 15:5-8

Heavenly Father, we thank You today, for our lives, for the freedoms we enjoy, for a portion of health and strength. We thank You for our loved ones, for our families, friends and neighbors. Lord, we even thank You today for our enemies...for our struggles, for our difficulties. For it is through them that You increase our strength, as resistance increases stamina and endurance.

Teach us the value of our troubles, as You taught the Apostle Paul in 2 Corinthians 12:7-10. Due to the importance and status of the work we're called to do, You lovingly use our difficulties and pain to keep us humble, to keep us from becoming so proud or conceited that we lose sight of the fact that it's Your grace that sustains us, Your strength that carries us.

For You tell us in John 15:5-8, without You we can't produce anything of real value. So, like Paul, who declared, "when I am weak, then I am strong." Teach us to be content with our limited abilities, with weaknesses, insults, hardships and even disasters. Lord, if two negatives equal a positive, then teach us to be optimistic and when problems prevail, stay connected to You. Teach us to pray and search until we find the good. I offer this prayer, simply as a branch, connected to Jesus, The True Vine. Amen and Amen

The Pledge of Allegiance was led by President Masterson.

On emergency motion of Senator Haley **SR 1749** was adopted by voice vote.

This particular delegation, the Kinaway AUS-OZ, is alleged to be the largest Australian trade mission of indigenous leadership to have ever reached our State. Indeed historic in that realization is too found a bit of history in and of itself with the return to this Chamber of our colleague, my former seatmate, my teacher, my mentor of whom I couldn't be more proud of if he were my biological son, the Honorable Senator (once a Senator ALWAYS a Senator) DONALD BETTS! You know Mr. President, looking back on the journey and lessons of our lives is often taken for granted; and actually, seldom done. Once we leave these hallowed halls, my experience (of now nearly 30 years here) is to seldom see any of us return to visit; even when fostering stronger ties and enhancing trade as is before us now. Senator Betts in spearheading this

trade mission from Australia is embodying the spirit of Sankofa or “going back, looking back in order to retrieve and to grow”, along with his beloved mother, Charmaine Betts, who too is with us today. Welcoming this delegation here is nothing short of historic! Godspeed and good luck to this indigenous Australian delegation: Senator Donald Betts; Charmaine Betts; Jenny Ockwell; Jane Tittums; Karen Millard; Trent Brickle; Lawrence Moser; David Parkins; Denny Francisco; Chris Elstoft (AUS Consul General); Brian Carnahan; AMB. Justin Mohamed; Jen Tomasik; Chelsea Harris; and Jason Briggs. —DAVID HALEY

Journal of the Senate

FIFTY-FIRST DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, March 21, 2024, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Unstableness of Double Mindedness
James 1:8

Heavenly Father, I pray Your special blessings upon all in this house, that our hearts and minds come into sync with Yours. In James 1:8, You tell us that the uncertainty of double mindedness causes instability in everything we do. So Lord please meet each one of us at the point of our particular need.

Where there is double mindedness bring Godly decisiveness.

Where there is harshness bring gentleness.

Where there is partiality bring sensitivity.

Where there is indifference bring compassion.

Where there is apathy bring enthusiasm.

Where there is hypocrisy bring sincerity.

Where there is willfulness bring obedience.

Where there is fearfulness bring boldness.

Where there is wastefulness bring resourcefulness.

Where there is impulsiveness bring cautiousness.

Where there is disorganization bring order.

Where there is unfaithfulness bring loyalty.

Where there is anger bring peace.

Lord, we are in what is called the heartland of this nation. Let us be the heartbeat for this nation's good. Let the pulse of Your Holy Spirit's presence in us permeate this land. Work Your work in us. Then work Your work through us. I pray this in the Name of Jesus, whose stability never changes. Amen.

The Pledge of Allegiance was led by President Masterson.

EXPLANATION OF VOTE

I vote No. Kansans spoke loud and clear on August 2nd that a woman should have bodily autonomy. I vote no because the people of Kansas have decided this issue.—
DINAH SYKES

Senator Francisco requests the record to show she concurs with the "Explanation of Vote" offered by Senator Sykes on **SB 286.**

Sometimes allies in a war disagree on battle tactics. On multiple occasions over the past year and a half, I have explained to my allies, who are the proponents of **SB 286**, why hearing this bill would be detrimental to achieving our mutual goal of overturning the Hodes decision and protecting life in Kansas. I have sought the counsel of pro-life leaders here in Kansas, and those who have been on the forefront of fighting for pro-life legislation nationally for decades. They all agreed there are issues with the language that would thwart our efforts to establish a culture of life in Kansas. Our situation here in Kansas is not like that of Florida, Texas, or many other states. We must deal with the unique political climate that exists here today if we are to make the right decisions. Otherwise, we are simply running headlong into a burning building without a fire hose. We cannot expect victory in the battle for the lives of the unborn without being united in

purpose and possessing the proper tools to achieve our goal. I just cannot support an effort that I firmly believe will set us back...and so I must vote no.—MIKE THOMPSON

Senator Bowers requests the record to show she concurs with the "Explanation of Vote" offered by Senator Thompson on **SB 286**.

EXPLANATION OF VOTE

I vote NO on **HB 2783**. Once again the Kansas Legislature attempts to exceed its constitutional boundaries by limiting the duties and obligations of the executive branch.

—TOM HOLLAND

Senator Francisco requests the record to show she concurs with the "Explanation of Vote" offered by Senator Holland on **HB 2783**.

Local Control or Home Rule whichever you'd rather call it, is a basic Kansas concept. This guiding principle has been ignored over and over again in the Kansas legislature. Going forward it will be very hard for me to vote for any bill that turns its

back on our counties and cities authority to govern themselves. I vote NO.—MARY WARE

FIFTY-THIRD DAY

SENATE CHAMBER, TOPEKA, KANSAS
Monday, March 25, 2024, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 40 senators present.
The Vice President introduced L. D. Holmes to deliver the invocation:

Dear Father, we would ask You to come and sit beside us today as we discuss the business of our State. Your Word directs our minds and spirits to "Acquire Wisdom! Acquire understanding! Do not forsake her and she will guard you. Love her and she will watch over you."

Help us to turn off any negative thoughts or ideas which are not filtered through Your wisdom. You are the One who can help us to get understanding about what we hear and believe to know. If today You would want to impart new truth and understanding into our minds and spirits, we will do our best to listen and even possibly embrace.

We pray for Your protection and insight as we seek to find truth in the midst of often confusing and opposing ideas. Help us to see the big picture and not get caught up in the minutia of the moment.

We pray for the less fortunate, who are needing to be seen and acknowledged. They often live in a chaos they understand, yet do not see a pathway forward. Lighten their way I pray.

Bless our families who add so much purpose and value to our lives. We pray for our Nation and its leaders. Might wisdom and understanding walk with them as they make decisions which influences our very life. I pray these things in Jesus' Name.

The Pledge of Allegiance was led by Vice President Wilborn.

"Section 1. K.S.A. 2023 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which

such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

Journal of the Senate

FIFTY-FOURTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, March 26, 2024, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

God's Provision Of Grace And Mercy!
Hebrews 4:16; James 4:6

Heavenly Father, in humility, we come to Your throne today. The Hebrew writer hit it on the head when he said in Hebrews 4:16, "Let us approach the throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need."

And then You inspired James, the half brother of Jesus, to write in James 4:16, that You increase Your grace toward the humble, while You resist the prideful. Lord, the provision of Your grace is when You give us blessings, benefits and advantages that we need, but do not deserve. And the provision of Your mercy is when You relieve us; You withhold from us the harsh, painful punishment that we do deserve.

Lord, You spare us from the bad, but You also shower us with the good! And the reason we're able to enjoy our successes is because You furnish us generously with a balance. You're charitable with both Your grace and Your mercy.

So Lord, the work and the success we desire will only be realized through You, through Your grace and mercy. So Lord, I come embracing humility, rejecting pride and truly in need of Your grace and mercy.

In Jesus' Name, I pray, Amen.

The Pledge of Allegiance was led by Vice President Wilborn.

The bill passed, as amended.

EXPLANATION OF VOTE

I vote "NO" on **SB 386**. I understand the change to base school district funding on current enrollment figures but also recognize that, in districts that are losing population, it is helpful to have some funding to adapt to those circumstances. I appreciate the amendment added to the bill and would have been an "AYE" if the amendment applied to more than the one upcoming school year.—**MARCI FRANCISCO**

SB 427, AN ACT concerning education; relating to boards of education; requiring school districts to publicly list the names and email addresses of current board members; authorizing local school board members to add new items to board meeting discussions, ask questions or engage in discussion with members of the public and access school property; authorizing members of the public to address school boards at board meetings; authorizing payment of annual dues to any not-for-profit organization that provides services to member school districts; amending K.S.A. 72-1145 and 72-1416 and K.S.A. 2023 Supp. 72-1138 and repealing the existing sections, was considered on final action.

Present and Passing: Billinger, Gossage, Warren.

A constitutional majority having failed to vote in favor of the bill, **SB 427** did not pass.

EXPLANATION OF VOTE

SB 427 is a brazen overreach on local control of our duly elected school boards, forcing policies that are already available for each school board to adopt-brought by a few disgruntled school board members to this body. Making a law forcing two way communication at school board meetings can cause chaos in meetings that the board chair needs to keep orderly-a rule easily adopted at appropriate times as needed. Likewise allowing one member to set the agenda against the will of the majority works against parliamentary rules of the elected majority. And finally allowing unfettered access of rogue members has already been shown to have negative effects when they go on the hunt for evidence of conspiracies and false narratives. This overreach only hurts our kids and I vote no on **SB 427**.—**JEFF PITTMAN**

Senators Francisco, Pettey and Sykes request the record to show they concur with the "Explanation of Vote" offered by Senator Pittman on **SB 427**.

Here we go again. Preempting local control is simply not a good idea. Our Kansas cities and counties are not identical by any measure you want to consider. To block Local Control in regard to our local school board functions is contrary to a provision of our constitution. I vote No on **SB 427**.—**MARY WARE**

Senator Francisco requests the record to show she concurs with the "Explanation of

Vote" offered by Senator Ware on **SB 427**.

SB 488, AN ACT concerning the attorney general; relating to the office of the inspector general and the powers, duties and responsibilities thereof; expanding the power of the inspector general to investigate and audit all state cash, food and health assistance programs; amending K.S.A. 75-7427 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 22; Nays 18; Present and Passing 0; Absent or Not Voting 0.

Yeas: Alley, Baumgardner, Billinger, Blasi, Claey's, Erickson, Fagg, Gossage, Kloos, Masterson, Olson, Peck, Petersen, Pyle, Ryckman, Shallenburger, Steffen, Straub, Thompson, Tyson, Warren, Wilborn.

Nays: Bowers, Corson, Dietrich, Doll, Faust-Goudeau, Francisco, Haley, Holland, Holscher, Kerschen, Longbine, McGinn, O'Shea, Pettey, Pittman, Reddi, Sykes, Ware.

The bill passed, as amended.

EXPLANATION OF VOTE

SB 488 is a bill that waste taxpayers dollars by funding positions and giving powers to the Inspector General to do a job that is already being done by DCF. This bill also perpetuates the idea that a poor Kansas mother who needs cash or food assistance is committing fraud. 1 in 7 Kansas children face hunger every day and 291,430 Kansans are facing hunger daily. Let's work to get families out of poverty not paint them as thieves. I vote No on **SB 488**.—PAT PETTEY

EXPLANATION OF VOTE

I vote "NO" on **HB 2749**. The question that this bill requires to be asked has patients choose from a list of reasons for seeking an abortion; a list that is not complete yet does not offer an alternative for "other." Individuals should not have to justify their access to legal health care. The question is not medically necessary and yet it requires providers to interrogate their patients asking about their life circumstances. That questioning is not only disruptive but is likely to trigger trauma and create hardships for staff. Instead of asking for more and more detailed reports, I hope the legislature will work on finding ways to improve reproductive health care in Kansas.—MARCI FRANCISCO

Senators Haley, Holland, Pettey and Ware request the record to show they concur with the "Explanation of Vote" offered by Senator Francisco on **HB 2749**.

I have a 20 year record of voting pro-life and I would have liked to have voted for this bill as well. But from listening to the debate yesterday, it clearly showed that there were a lot of flaws in this bill that I think could have unintended consequences regarding people's privacy. I don't think it clearly spelled out as to what the bill is going to do, how it will help pregnant women and decrease abortions. I hope that once it goes to conference they can clean up some of the language and I will have another opportunity at that time to vote for it.—CAROLYN MCGINN

I voted YES on **HB 2749** because the concept of gathering data to better understand abortion is a worthwhile endeavor. What we do know about abortion is that it is not a pathway to convenience or "the pursuit of happiness," because the "pursuit of happiness" is not convenient but rife with difficulties, like all great accomplishments, such as motherhood. Abortion is the pathway to a life of regret and emptiness, that I promise you. With today's technology, we all know that a "baby bump" is a baby, a living human being. Remember this statement as if your life depends on it. Every abortion kills an innocent child. That's a fact. Every abortion kills an innocent child.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income

tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 75-643,

and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xv) or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xiii), or if such amounts are not already included in the federal adjusted gross income.

EXPLANATION OF VOTE

I vote "NO" on **HB 2446**. Home rule was enacted in 1960 as part of our constitution; Article 12, Section 5 of the Kansas Constitution "Powers and authority granted cities pursuant to this section shall be liberally construed for the purpose of giving to cities the largest measure of self-government." This home rule gives communities the ability to enact ordinances addressing their particular concerns. The City of Lawrence chose to

enact an ordinance to regulate single-use plastic bags based on detailed review, identification of concerns for public health and the environment, and the city's costs of recycling and solid waste collection. The ordinance went into effect on March 1st and has been well received. It may be appropriate to address these concerns on a state-wide basis, but this bill simply avoids the issues. The City of Lawrence should be able to continue and other communities throughout the state be given the opportunity to regulate plastic and other containers designed for the consumption, transportation or protection of merchandise, food, or beverages tailored to their solid waste programs and their needs.—MARCI FRANCISCO

Senator Holland requests the record to show he concurs with the "Explanation of Vote" offered by Senator Francisco on **HB 2446**.

I recall during the hearing on this bill an individual saying "this bill has been recycled more than actual plastic bags." It can take thousands of years for a plastic bag to decompose; it seems that is the same for this bill. Citizens want local governments to make decisions that reflect their unique communities - this bill violates the spirit of local control ingrained in the constitution. The biggest issue is **HB 2446** does nothing positive to address the bigger problem of plastic pollution in Kansas, rather it's a preemptive measure where once again the legislature overstepping it's boundaries.—CINDY HOLSCHER

Senators Francisco and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Holscher on **HB 2446**.

Here we go again! **HB 2446** ignoring Home Rule. The Kansas Chamber must be going into the plastics production business because this bill will insure that Kansas continues to be further buried in plastic waste. Adopted by Kansas voters in the 1960 general election and taking effect July 1, 1961, Article 12, Section 5 of the Kansas Constitution authorized cities to be "empowered to determine their local affairs and government."and thus significantly altering the relationship between the State and it's municipal governments. It ends by saying, the "powers and authority granted cities pursuant to this section shall be liberally construed for the purpose of giving to cities the largest measured of self government."—MARY WARE

HB 2483, AN ACT concerning audits; relating to the legislative division of post audit; eliminating the requirement for such division to conduct a recurring 911 implementation audit and a recurring Kansas public employees retirement system audit limiting recurring economic development incentive audits to new programs providing more than \$50,000 of annual incentives that have not previously been audited and have been recommended for review by the house or senate commerce committees; amending K.S.A. 12-5377 and 46-1137 and repealing the existing sections; also repealing K.S.A. 46-1136, was considered on final action.

On roll call, the vote was: Yeas 39; Nays 1; Present and Passing 0; Absent or Not Voting 0.

Yeas: Alley, Baumgardner, Billinger, Blasi, Bowers, Claeys, Corson, Dietrich, Doll, Erickson, Fagg, Faust-Goudeau, Francisco, Gossage, Haley, Holscher, Kerschen, Kloos, Longbine, Masterson, McGinn, O'Shea, Olson, Peck, Petersen, Pettey, Pittman, Pyle, Reddi, Ryckman, Shallenburger, Steffen, Straub, Sykes, Thompson, Tyson, Ware, Warren, Wilborn.

Nays: Holland.

The bill passed, as amended.

EXPLANATION OF VOTE

Given the fact that Kansas' Secretary of Commerce also concurrently serves as Lieutenant Governor, the Commerce Department's economic development programs need more external oversight, not less. I vote NO on **HB 2483**.—TOM HOLLAND

EXPLANATION OF VOTE

I vote NO on **HB 2583** which increases “criminal penalties for harming or killing certain (aka ‘police’) dogs...requiring restitution including veterinary medical treatment, funeral , burial expense and replacement of such animal.” As the solo sponsor, and multi-year advocate (prior to its’ passage), of the legislation creating a felony in Kansas for extreme cruelty or neglect of an animal (once referred to as “Scruffy’s Law”), my care and compassion for the treatment of animals has no, if any, legislative equal here in Kansas. But without a clarifying exemption of cases of self-defense (which several Circuit courts have affirmed), the oxymoron of a person being attacked by a vicious dog and not vigorously defend themselves, even killing the dog if necessary, to be held to a heightened legal system and excessive costs is unrealistic. In fact, it is cruel and inhumane against the human, in and of itself. Illustrations abound of cops, and near cops, siccing dogs on people for even petty reasons (including disturbing the peace; peaceably assembling; shoplifting; fleeing and eluding, etc...) where there were no issues of clear and present danger to any person or to general public safety. History is littered with tawdry examples of this raw abuse of over aggressive animal-conferred vicarious violence against men, women even juveniles. Indeed cases exist where compliant, even surrendering, individuals are yet attacked by dogs unresponsive to cease commands. Even bystanders and other police officers have been collateral victims. In that it only makes sense that a service animal may get hurt or killed while it is in the process of trying to hurt or to kill, I cannot support any measure that greatly penalizes a human for a natural response of self-defense. Accordingly, I strenuously vote AGAINST **HB 2583**.—DAVID HALEY

EXPLANATION OF VOTE

Our country has a long history of reproductive coercion. From the forced sterilization of poor people and people of color in the 1800s, to the more recent practice of interfering with women's ability to take or not take birth control, over and over again women's autonomy in reproductive healthcare decision-making has been taken away. This bill continues that trend, by allowing Kansas politicians to pick and choose when we think a woman is being coerced. I introduced an amendment to protect the right of a woman to have an honest conversation with her doctor about all reproductive care. If this body really cared about stopping the coercion of women, we would have adopted my amendment to ensure women are the ones making decisions about their healthcare. A doctor should be able to have an honest conversation with their patient about their pregnancy or birth control options, and give them the information that they need to make the best decision possible. This bill puts that right in jeopardy. I vote NO.—DINAH SYKES

The Conference Committee Report was adopted.

EXPLANATION OF VOTE

I have heard from Kansans in my district who overwhelmingly do not support children undergoing gender re-assignment surgery. Their anger regarding physicians and parents allowing surgeries on minors is palpable. I have always agreed with the position, but my concern in the past, which was not addressed until now, was the harm that would be caused from abruptly stopping the hormone therapy piece. Negotiations in Conference Committee this year recognized the result of stopping that therapy immediately and made some changes to allow for a gradual reduction. For that reason, I vote yes.—BRENDA DIETRICH

This bill is anti-freedom. This bill is anti-bodily autonomy. This bill is yet another example of Kansas governmental intrusion and harassment. Yet the most insidious part of this bill is that it literally rips children away from their parents in their most vulnerable time of need. I vote NO on the motion to concur on **H Sub SB 233**.—TOM HOLLAND

Senator Francisco requests the record to show she concurs with the "Explanation of Vote" offered by Senator Holland on **H Sub SB 233**.

I voted YES on **H Sub SB 233** to protect our troubled children from wayward parents and a wayward healthcare system. To "Do No Harm," entails not disfiguring minors with drugs or knives, but helping them deal with their issues constructively.—

MARK STEFFEN

Senators Straub and Thompson request the record to show they concur with the "Explanation of Vote" offered by Senator Steffen on **H Sub SB 233**.

RULED MATERIALLY CHANGED

The President ruled the changes made to **H Sub SB 300** materially changed the bill and rereferred the bill to Assessment and Taxation.

REPORTS OF STANDING COMMITTEES

Committee on **Financial Institutions and Insurance** recommends **HB 2101**, As Amended by House Committee, be amended on page 1, in line 6, before "Section" by inserting "New"; in line 23, before "Sec." by inserting "New"; also in line 23, before "Any" by inserting "(a)"; following line 25, by inserting:

"(b) Following the notice and opportunity to cure provided for in section 4(c), and amendments thereto, the buyer shall have 15 days to:

(1) Record a record of release of affidavit of equitable interest or contract for deed, if such affidavit or contract were recorded; and

(2) vacate the premises, if applicable.

(c) If the buyer fails to satisfy the conditions under subsection (b), then such buyer shall be responsible for the seller's reasonable attorney fees, costs and expenses for the removal of the affidavit of equitable interest or contract of deed from the title and eviction of the buyer from the premises, if applicable.";

Also page 1, in line 26 before "Sec." by inserting "New";

On page 2, in line 14, before "Sec." by inserting "New"; following line 41, by inserting:

"Sec. 5. K.S.A. 58-3065 is hereby amended to read as follows: 58-3065. (a) Willful violation of any provision of this act or the brokerage relationships in real estate transactions act is a misdemeanor punishable by imprisonment for not more than 12 months or a fine of not less than \$100 or more than \$1,000, or both, for the first offense and imprisonment for not more than 12 months or a fine of not less than \$1,000 or more than \$10,000, or both, for a second or subsequent offense.

Journal of the Senate

FIFTY-SEVENTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Monday, April 1, 2024, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.

The roll was called with 40 senators present.

Invocation by Reverend Cecil T. Washington:

Trusting God's Promises
Genesis 1 and 2

Heavenly Father, when someone makes a promise to us, it's supposed to be the assertion of something. After making a promise, there should be no "April Fool."

Lord, in the beginning, in the first two chapters of Genesis, You made nine declarations. You simply said "Let there be." And by the power and might of Your Word, our world came into existence. Lord, when You declare something, it happens!

So Lord, help us to lean on the trustworthiness of Your Word. As we face significant responsibilities, we need the assurance that You have our backs. Help us to rely on Your promises so that we Trust in Your timing. You may not come when we want You to, yet You're always right on time. Therefore, give us the patience to wait for Your answers.

There are times, when it seems You're not there. Yet we have the promise of Your ongoing presence in all that we encounter. Help us to relax in the promise of Your presence. And in knowing You're there, in all that we face, we can rejoice in Your goodness. Because You are good all the time and all time You are good! Thank You Lord for Your unfailing reliability. I come to You, having faith in the beloved Name of Jesus, Amen.

The Pledge of Allegiance was led by Vice President Wilborn.

FIFTY-EIGHTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, April 2, 2024, 10:00 a.m.

The Senate was called to order by President Ty Masterson.

The roll was called with 39 senators present.

Senator Ryckman was excused.

Invocation by Reverend Cecil T. Washington:

Deliver Us From Cycles Of Foolishness
Judges 6:7-10

Heavenly Father, Lord God of Heaven and earth, in the Book of Judges we see repeated cycles where Your people fall into hardship due to their disobedience. Due to the pain of their distress, they came to regret their willful defiance and asked Your forgiveness. Then, by Your love and mercy, You graciously pardoned their defiant ways. You restored them. You granted them your blessings and increased their opportunities to serve.

But in Judges 6:7-10, You had Your prophet Gideon make it clear to them, and You're making it clear to us as well, that YOU are God! YOU sustain us and we are to have no other god before us. Your prophet went on to conclude by saying Your people would not listen. Therefore that insane cycle of plentiful blessings, wanton disobedience, regretful repentance and forgiveness would just repeat itself. Lord, please deliver us from repetitive phases of foolishness, from repeated cycles of willful disregard for Your Word, while at the same time wanting things to get better. As You did back then, forgive our disobedience, grant us your blessings and increase our opportunities to serve. Winners in sports become Champions, when they listen to their coach and they practice the right moves. Lord, help us to truly be winners in the Game of Life! Help us to learn from and to follow Your playbook.

I want to thank You for the provision of a fail proof strategy. Now, help us stick to it! In Jesus' Name, Amen!

The Pledge of Allegiance was led by President Masterson.

Heavenly Father, in 2 Corinthians 6:2, Your Word declares "Now is the day of Salvation. Now is the time for God's favor," and Your Word became the inspiration for me to write this song...

Do you know a better time to repent and confess
Do you know a better time than now
Do you know a better time to turn to God and be blessed
Do you know a better time than now
Do you know a better time to get loosed from things that bind
Do you know a better time than now
Do you know a better time to get set free from pain and guilt
Do you know a better time than right now
Now is the time to believe Him
Now is the time to receive Him

On page 11, in line 39, after "(4)" by inserting "For requests by a public utility for a determination of ratemaking principles and treatment relating to the abandonment or retirement of a nuclear powered or fossil fuel-fired electric generating unit, the commission shall not approve the abandonment or retirement of such electric generating unit, authorize a surcharge or issuance of bonds for the decommissioning of such electric generating unit or take any other action that authorizes or allows for the

recovery of costs for the retirement of such electric generating unit, including stranded asset recovery, unless:

(A) The utility demonstrates that the public utility will be able to meet current and reasonably-anticipated future resource adequacy requirements of the regional transmission organization or independent system operator; and

(B) the abandonment or retirement is not expected to harm the utility's customers or decrease the utility's regional rate competitiveness by causing the utility to experience higher costs than would be expected by continuing to operate such electric generating unit in compliance with applicable law, unless, consistent with the integrated resource planning framework utilized by the commission, the commission determines that such higher costs are justified by other factors that are specified by the commission. The utility shall provide the commission with evidence of all known direct and indirect costs of abandonment or retirement of the electric generating unit and demonstrate that cost savings or avoided or mitigated cost increases to customers will occur as a result of the abandonment or retirement of the electric generating unit.

(1) The customer-generator shall own and maintain any necessary export limiting device;

(2) protections shall be in place to restrict the export limiting device settings to qualified persons;

(3) the utility shall have the option to require a witness test of the export limiting device's function or set points prior to granting permission to operate;

(4) the export capacity of the system shall not be increased without prior approval from the utility;

(5) the customer-generator shall allow the utility to perform periodic witness testing of the export limiting device's function or settings upon request;

(6) if the export limiting device's settings are incorrect or if the device fails to limit the export of power below the designed export capacity for more than 15 minutes in any single event, the customer-generator shall cease operation of the system until repair or reprogramming of the limiting device is completed; and

(7) the utility shall not restrict the brand or model of the limiting device if the device is approved by the generator's manufacturer or is underwriter laboratories listed to perform such operations in conjunction with the customer-generator's system.";

CONFERENCE COMMITTEE REPORT

MR. SPEAKER and MR. PRESIDENT: Your committee on conference on Senate amendments to **HB 2588** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 1, by striking all in lines 10 through 35;

By striking all on pages 2 through 6;

On page 7, by striking all in lines 1 through 7; following line 7 by inserting:

"Section 1. (a) The Kansas legislature finds and declares that:

(1) The permitting, construction, modification, maintenance and operation of telecommunications facilities are critical to ensuring that all citizens in the state have true access to broadband and other advanced technology and information;

(2) telecommunications facilities are critical to ensuring that businesses and schools throughout the state remain competitive in the global economy;

(3) telecommunications facilities that enable broadband services have a significant economic benefit; and

(4) the permitting, construction, modification, maintenance and operation of telecommunications facilities, to the extent specified in this section, are declared to be matters of statewide concern and interest.

(b) As used in this section:

(1) "Public right-of-way" means only the area of real property in which a county has a dedicated or acquired right-of-way interest in the real property. "Public right-of-way" includes the area on, below or above the present and future streets, roads, highways, parkways or boulevards dedicated or acquired as right-of-way by a county. "Public right-of-way" does not include:

(A) The airwaves above a "public right-of-way" with respect to wireless telecommunications or other non-wire telecommunications or broadcast services;

(B) easements obtained by utilities or private easements; or

(C) any real property, structures or facilities under the ownership, control or jurisdiction of the secretary of transportation.

(2) "Provider" means a local exchange carrier or telecommunications carrier as such terms are defined in K.S.A. 66-1,187 and amendments thereto, or a video service provider as defined in K.S.A. 12-2022, and amendments thereto. "Provider" does not include an applicant as defined in K.S.A. 66-2019, and amendments thereto.

(c) Without abrogating any rights held by a video service provider pursuant to a

state-issued video service authorization, any provider shall have the right pursuant to this section to construct, maintain and operate poles, conduit, cable, switches and related appurtenances and facilities along, across, upon and under any public right-of-way in this state. Such poles, conduit, cable, switches and related appurtenances and facilities shall be so constructed and maintained as not to obstruct or hinder the usual travel or public safety on such public ways or the legal use by other utilities or providers.

(d) A county shall impose any and all public right-of-way access and permit processes in a nondiscriminatory and competitively neutral manner to all similarly situated providers, including, but not limited to:

- (1) The permit fees charged by the county;
- (2) the forms and filings required by the county for a permit application;
- (3) the time with which a county may approve or deny a permit; and
- (4) options for waivers regarding such permit fees, forms and filings.

(e) No county shall create, enact or erect any discriminatory, unreasonable condition, requirement or barrier for entry into or use of the public right-of-way by a provider.

(f) A county may only assess the following non-discriminatory and competitively neutral fees against a provider, for the administration and orderly use of the public right-of-way, provided that such fees reimburse the county for the county's reasonable, actual and verifiable costs of managing the public right-of-way:

(1) A construction permit fee charged in connection with issuing a construction permit to set fixtures in the public right-of-way that compensates the county for the reasonable administrative expenses incurred by the county for issuing, processing and verifying the permit application;

(2) an excavation permit fee for each pavement cut to recover the direct and reasonable costs associated with construction and repair activity of the provider. Any excavation permit fee imposed by the county shall be based upon a regional specific or other appropriate study establishing the basis for such costs that takes into account the life of the county road or highway prior to the construction or repair activity and the remaining life of the road or highway. Such excavation permit fee shall be expressly limited to the proportion of the cost attributable to the activity of the provider that results in an actual pavement cut; and

(3) inspection fees to recover all reasonable costs associated with a county's inspection of the work of the provider in the right-of-way.

(g) A county shall authorize any video service provider as defined in K.S.A. 12-2022, and amendments thereto, to offset any fees and charges imposed pursuant to this section against payment of any video service provider fee imposed pursuant to K.S.A. 12-2024, and amendments thereto.

(h) A county may assess against a provider costs associated with repairing and restoring the public right-of-way because of damage caused by the provider, its assigns, contractors or subcontractors, or both, in the public right-of-way. A county may require a provider to furnish a performance bond, in a form acceptable to the county, from a surety licensed to conduct surety business in the state of Kansas, to ensure appropriate and timely performance in the construction and maintenance of facilities located in the public right-of-way.

(i) A county may not assess any additional fees or costs against providers for use or

occupancy of the public right-of-way other than those specified in this section. Any fees or costs imposed pursuant to this section shall be imposed upon all such providers in a nondiscriminatory and competitively neutral manner.

(j) Upon request by a provider, a county shall, in a timely manner, provide an accounting for the reasonable, actual and verifiable costs that are the basis for any fee permitted in subsection (f).

(k) This section may not be construed to affect any valid taxation of a provider's facilities or services.

(l) Any ordinance enacted prior to the effective date of this act governing the use and occupancy of the public right-of-way by a provider shall not conflict with the provisions of this section.

(m) No provider shall enter into a contract or any other agreement with a county to sell or provide a product or service that the provider's business does not actually sell or provide.

(n) Any county or provider may bring an action in a court of competent jurisdiction to enforce the provisions of this act.";

And by renumbering sections accordingly;

On page 1, in the title, in line 1, by striking all after "concerning"; by striking all in lines 2 through 6; in line 7, by striking all before the period and inserting "counties; relating to the public right-of-way; authorizing telecommunication, broadband and video service providers to operate in county public right-of-way; limiting the fees and costs that a county may impose upon such providers for such activities";

And your committee on conference recommends the adoption of this report.

Journal of the Senate

SIXTIETH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, April 4, 2024, 10:00 a.m.

The Senate was called to order by President Ty Masterson.

The roll was called with 39 senators present.

Senator Ryckman was excused.

The President introduced guest Chaplain, Pastor Greg Fletcher, to deliver the invocation:

Heavenly Father, we need to give You thanks for the creation You have entrusted those that occupy the seats inside these chamber walls. We ask that You give them what it takes to be the best stewards of that creation. Lord, I pray that the individuals in this room are working together, searching for Your wisdom and find Your guidance, to ensure all decisions made stay in alignment with Your scriptures. Father, bond the relationships in this building and may they be intentional to work in harmony during these times that could be the toughest in the history of our state. Our motto translated says "to the stars through difficulties." I pray that everyone here will look hard at those words along with scripture and figure out how to be inclusive, not divisive.

Please send the Holy Spirit to work inside these chamber walls and give encouragement to all involved that will enable them to make the best and right decisions for this precious part of creation. Please provide help to this group of men and women as they plan and plot to do what is best for the people of Kansas.

Father, as we just concluded a wonderful week of celebrating the sacrifices that You made for us over 2000 years ago, may we be in the same spirit to serve You and find the purposes You have for this part of Kansas government. Please work in the lives and hearts of those that make up this chamber. Give them insight and wisdom to make tough decisions for future generations of this great state. With Your help, they will harmonize and deal with today's issues in a way that glorifies You and lifts this state to a level that will be recognized by others in this great country and around the globe.

Finally, Father, I ask that You be with the families of all members of this chamber. Please wrap Your comforting and protecting arms around them as they are an important part of everyone here today.

Father, I ask all of this in your Son's precious Name, Jesus Christ. Amen

The Pledge of Allegiance was led by President Masterson.

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill as printed with House Committee amendments, as follows:

On page 1, by striking all in lines 6 through 36;

On page 2, by striking all in lines 1 through 28; following line 28, by inserting:

"Section 1. K.S.A. 2023 Supp. 25-1122 is hereby amended to read as follows: 25-1122. (a) Any registered voter may file with the county election officer where such person is a resident, or where such person is authorized by law to vote as a former precinct resident, an application for an advance voting ballot. The signed application shall be transmitted only to the county election officer by personal delivery, mail, facsimile or as otherwise provided by law.

(b) If the registered voter is applying for an advance voting ballot to be transmitted in person, the voter shall provide identification pursuant to K.S.A. 25-2908, and amendments thereto.

(c) If the registered voter is applying for an advance voting ballot to be transmitted by mail, the voter shall provide with the application for an advance voting ballot the voter's current and valid Kansas driver's license number, nondriver's identification card number or a photocopy of any other identification provided by K.S.A. 25-2908, and amendments thereto.

(d) A voter may vote a provisional ballot according to K.S.A. 25-409, and amendments thereto, if:

- (1) The voter is unable or refuses to provide current and valid identification; or
- (2) the name and address of the voter provided on the application for an advance

voting ballot do not match the voter's name and address on the registration book. The voter shall provide a valid form of identification as defined in K.S.A. 25-2908, and amendments thereto, to the county election officer in person or provide a copy by mail or electronic means before the meeting of the county board of canvassers. At the meeting of the county board of canvassers the county election officer shall present copies of identification received from provisional voters and the corresponding provisional ballots. If the county board of canvassers determines that a voter's identification is valid and the provisional ballot was properly cast, the ballot shall be counted.

(e) No county election officer shall provide an advance voting ballot to a person who is requesting an advance voting ballot to be transmitted by mail unless:

(1) The county election official verifies that the signature of the person matches that on file in the county voter registration records, except that verification of the voter's signature shall not be required if a voter has a disability preventing the voter from signing. Signature verification may occur by electronic device or by human inspection. In the event that the signature of a person who is requesting an advance voting ballot does not match that on file, the county election officer shall attempt to contact the person and shall offer the person another opportunity to provide the person's signature for the purposes of verifying the person's identity. If the county election officer is unable to reach the person, the county election officer may transmit a provisional ballot, however, such provisional ballot may not be counted unless a signature is included therewith that can be verified; and

(2) the person provides such person's full Kansas driver's license number, Kansas nondriver's identification card number issued by the division of vehicles, or submits such person's application for an advance voting ballot and a copy of identification provided by K.S.A. 25-2908, and amendments thereto, to the county election officer for verification. If a person applies for an advance voting ballot to be transmitted by mail but fails to provide identification pursuant to this subsection or the identification of the person cannot be verified by the county election officer, the county election officer shall provide information to the person regarding the voter rights provisions of subsection (d) and shall provide the person an opportunity to provide identification pursuant to this subsection. For the purposes of this act, Kansas state offices and offices of any subdivision of the state will allow any person seeking to vote by an advance voting ballot the use of a photocopying device to make one photocopy of an identification document at no cost.

(f) (1) Applications for advance voting ballots to be transmitted to the voter by mail shall be filed only at the following times:

(A) For the primary election occurring on the first Tuesday in August in both even-numbered and odd-numbered years, between April 1 of such year and the Tuesday of the week preceding such primary election;

(B) for the general election occurring on the Tuesday following the first Monday in November in both even-numbered and odd-numbered years, between 90 days prior to such election and the Tuesday of the week preceding such general election;

(C) for the presidential preference primary election held pursuant to K.S.A. 25-4501a, and amendments thereto, between January 1 of the year in which such election is held and 30 days prior to the day of such election;

(D) for question submitted elections occurring on the date of a primary or general

election, the same as is provided for ballots for election of officers at such election;

(E) for question submitted elections not occurring on the date of a primary or general election, between the time of the first published notice thereof and the Tuesday of the week preceding such question submitted election, except that if the question submitted election is held on a day other than a Tuesday, the final date for mailing of advance voting ballots shall be one week before such election; and

(F) for any special election of officers, at such time as is specified by the secretary of state.

(2) The county election officer of any county may receive applications prior to the time specified in this subsection and hold such applications until the beginning of the prescribed application period. Such applications shall be treated as filed on that date.

(g) (1) Unless an earlier date is designated by the county election office, applications for advance voting ballots transmitted to the voter in person shall be filed on the Tuesday next preceding the election and on each subsequent business day until ~~no~~ not later than 12 noon on the day preceding such election. If the county election officer so provides, applications for advance voting ballots transmitted to the voter in person ~~in the office of the county election officer~~ also may be filed on the Saturday or Sunday preceding the election, except that such election officer shall provide at least four hours of in-person voting on the Saturday preceding an election. Upon receipt of any such properly executed application, the county election officer shall deliver to the voter such ballots and instructions as are provided for in this act.

(2) An application for an advance voting ballot filed by a voter who has a temporary illness or disability or who is not proficient in reading the English language or by a person rendering assistance to such voter may be filed during the regular advance ballot application periods until the close of the polls on election day.

(3) The county election officer may designate places other than the central county election office as satellite advance voting sites. At any satellite advance voting site, a registered voter may obtain an application for advance voting ballots. Ballots and instructions shall be delivered to the voter in the same manner and subject to the same limitations as otherwise provided by this subsection.

(h) Any person having a permanent disability or an illness that has been diagnosed as a permanent illness is hereby authorized to make an application for permanent advance voting status. Applications for permanent advance voting status shall be in the form and contain such information as is required for application for advance voting ballots and also shall contain information that establishes the voter's right to permanent advance voting status.

(i) On receipt of any application filed under the provisions of this section, the county election officer shall prepare and maintain in such officer's office a list of the names of all persons who have filed such applications, together with their correct post office address and the precinct, ward, township or voting area in which the persons claim to be registered voters or to be authorized by law to vote as former precinct residents and the present resident address of each applicant. All records made by the county election officer shall be subject to public inspection, except that the voter identification information required by subsections (b) and (c) and the identifying number on ballots and ballot envelopes and records of such numbers shall not be made public.

(j) If a person on the permanent advance voting list fails to vote in four consecutive general elections, the county election officer may mail a notice to such voter. The notice shall inform the voter that the voter's name will be removed from the permanent advance voting list unless the voter renews the application for permanent advance voting status within 30 days after the notice is mailed. If the voter fails to renew such application, the county election officer shall remove the voter's name from the permanent advance voting list. Failure to renew the application for permanent advance voting status shall not result in removal of the voter's name from the voter registration list.

(k) (1) Any person who solicits by mail a registered voter to file an application for an advance voting ballot and includes an application for an advance voting ballot in such mailing shall include on the exterior of such mailing, and on each page contained therein, except the application, a clear and conspicuous label in 14-point font or larger that includes:

voting ballot, unless such person is a resident of this state or is otherwise domiciled in this state.

(2) Any individual may file a complaint in writing with the attorney general alleging a violation of this subsection. Upon receipt of a complaint, the attorney general shall investigate and may file an action against any person found to have violated this subsection.

(3) Any person who violates the provisions of this subsection is subject to a civil penalty of \$20. Each instance in which a person mails an application for an advance voting ballot in violation of this section shall constitute a separate violation.

(m) A county election officer shall not mail a ballot to a voter unless such voter has submitted an application for an advance voting ballot, except that a ballot may be mailed to a voter if such voter has permanent advance voting ballot status pursuant to subsection (h) or if the election is conducted pursuant to the mail ballot election act, K.S.A. 25-431 et seq., and amendments thereto.

(n) The secretary of state may adopt rules and regulations in order to implement the provisions of this section and to define valid forms of identification.

If a provision of this title or applicable law requires a signature or notice or document to be notarized, acknowledged, verified or made under oath, the requirement is satisfied if the electronic signature of the person authorized to perform those acts, together with all other information required to be included by the provision, is attached to or logically associated with the signature, notice or document.

Such license plate shall be issued for the same time as other license plates upon proper

registration and payment of the regular license fee as provided in K.S.A. 8-143, and amendments thereto, and either the payment to the county treasurer of the logo use royalty payment or the presentation of the annual logo use authorization statement provided for in subsection (b).

(b) The Leavenworth county historical society may authorize the use of the organization's logo to be affixed on license plates as provided by this section. Any motor vehicle owner or lessee may apply annually to the Leavenworth county historical society for use of such logo. Such owner or lessee shall pay an amount of not less than \$25 nor more than \$100 to the Leavenworth county historical society as a logo use royalty payment for each such license plate to be issued. The logo use royalty payment shall be paid to either:

(c) Any applicant for a license plate authorized by this section may make application for such license plate not less than 60 days prior to such person's renewal of registration date, on a form prescribed and furnished by the director of vehicles, and any applicant for such license plate shall either provide the annual logo use authorization statement provided for in subsection (b) or pay to the county treasurer the logo use royalty payment. Application for registration of a passenger vehicle or truck and issuance of the license plate under this section shall be made by the owner or lessee in a manner prescribed by the director of vehicles upon forms furnished by the director.

(f) Renewals of registration under this section shall be made annually, upon payment of the fee prescribed in K.S.A. 8-143, and amendments thereto, and in the manner prescribed in K.S.A. 8-132, and amendments thereto. No renewal of registration shall be made to any applicant until such applicant provides to the county treasurer either the annual logo use authorization statement provided for in subsection (b) or the payment of the annual royalty payment. If such statement is not presented at the time of registration or sent by the Leavenworth county historical society, or the annual royalty payment is not made to the county treasurer, the applicant shall be required to comply with the provisions of K.S.A. 8-143, and amendments thereto, and return the license plate to the county treasurer of such person's residence.

(g) The Leavenworth county historical society shall provide to all county treasurers an electronic mail address where applicants can contact the Leavenworth county historical society for information concerning the application process or the status of such applicant's license plate application.

(h) The Leavenworth county historical society, with the approval of the director of vehicles, shall design a plate to be issued under the provisions of this section.

(i) As a condition of receiving the first city of Kansas license plate and any subsequent registration renewal of such license plate, the applicant shall consent to the division authorizing the division's release of motor vehicle record information, including the applicant's name, address, royalty payment amount, plate number and

New Sec. 9. (a) Any license plate design that has not been approved for production and issuance by the division of vehicles by July 1, 2024, shall designate the county of registration for the motor vehicle that will bear such license plate. The director of vehicles may either print the horizontal abbreviation of the county of registration directly on the license plate or affix to the license plate by a decal the abbreviation of the county of registration. Except as otherwise provided in subsection (b), the provisions of this section shall apply to:

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to **SB 384** submits the following report:

The House recedes from all of its amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 1, following line 9, by inserting:

"New Section 1. (a) The provisions of sections 1 through 6, and amendments thereto, shall be known and may be cited as the Riley county unincorporated area nuisance abatement act.

(b) Before any nuisance abatement process shall be commenced under the Riley county unincorporated area nuisance abatement act, Riley county first shall have obtained a conviction for a county code violation resulting from such nuisance within the 12-month period prior to the issuance of any order as provided in section 2, and amendments thereto.

(c) (1) The board of county commissioners may order the removal or abatement of any nuisance from any lot or parcel of ground within the unincorporated area of the county. The board may order the repair or demolition of any structure or the removal or abatement of any other type of nuisance.

(2) The order shall provide that all costs associated with the abatement shall be paid by the owner of the property on which the nuisance is located.

New Sec. 2. (a) Whenever the board of county commissioners or other agency designated by the board files with the Riley county clerk a statement in writing describing a nuisance and declaring that such nuisance is a menace and dangerous to the health of the inhabitants of the county, the board of county commissioners, by resolution, may make such determination and issue an order requiring the nuisance be removed or abated.

(b) Except as provided by subsection (c), the board of county commissioners shall order the owner of the property to remove and abate the nuisance within not less than 10 days, to be specified in the order. The board or its designated representative may grant extensions of the time period indicated in the order. The order shall state that, before the expiration of the waiting period or any extension, the recipient may request a hearing before the board or its designated representative. The order shall be served on the owner by personal service in accordance with K.S.A. 60-303, and amendments thereto.

(c) If the owner of the property has failed to accept delivery or otherwise failed to effectuate receipt of a notice sent pursuant to this section during the preceding 24-month period, the board of county commissioners may provide notice of the issuance of any further orders to abate or remove a nuisance from the property in the manner provided by subsection (d) or as provided in this subsection. The board may provide notice of the order by such methods including, but not limited to, door hangers conspicuously posting notice of the order on the property, personal notification, telephone communication or first-class mail. If the property is unoccupied and the owner is a nonresident, notice provided by this section shall be given by telephone communication or first-class mail.

(d) If the owner of the property fails to comply with the order for a period longer than that named in the order or any extensions of such time period, the board of county

commissioners may proceed to order the repair or demolition of any structure and have the items described in the order removed and abated from the lot or parcel of ground. If the county abates or removes the nuisance, the county shall give notice to the owner by certified mail, return receipt requested, of the total cost of the abatement or removal incurred by the county. The notice also shall state that payment of the cost is due and payable within 60 days following the mailing of the notice.

(e) If the cost of the removal or abatement is not paid within the 60-day period, the cost shall be assessed and charged against the lot or parcel of land on which the nuisance was located. If the cost is to be assessed, the county clerk, at the time of certifying other county taxes, shall certify the costs, and the county clerk shall extend the cost on the tax roll of the county against the lot or parcel of land. Such cost shall be collected by the county treasurer.

(f) In assessing the cost of removal and abatement of a nuisance, the county shall subtract from the total cost of the abatement or removal incurred by the county the value of the property removed or abated. If the value of the property removed or abated is greater than the cost of the removal or abatement incurred by the county, the county shall pay the owner the difference. If the value of the property is contested, the property owner may request a hearing before the board or its designated representative prior to the 60 days following receipt of notice of costs due and payable under subsection (d).

(g) All orders and notices shall be served on the owner of record or, if there is more than one owner of record, then on at least one such owner.

(h) Any decision of the board of county commissioners or its designated representative is subject to review in accordance with the Kansas judicial review act.

New Sec. 3. Riley county may remove and abate from property, other than public property or property open to use by the public, a motor vehicle determined to be a nuisance. Disposition of such vehicles shall be in compliance with the procedures for impoundment, notice and public auction provided by K.S.A. 8-1102(a)(2), and amendments thereto. Following any sale by public auction of a vehicle determined to be a nuisance, the purchaser may file proof with the division of vehicles, and the division shall issue a certificate of title to the purchaser of the motor vehicle. If a public auction is conducted but no responsible bid is received, the county may file proof with the division of vehicles, and the division shall issue a certificate of title of the motor vehicle to the county. Any person whose motor vehicle has been disposed of pursuant to this section shall be eligible for a refund of the tax imposed pursuant to K.S.A. 79-5101 et seq., and amendments thereto. The amount of the refund shall be determined in the manner provided by K.S.A. 79-5107, and amendments thereto.

New Sec. 4. The board of county commissioners may adopt a resolution to establish any policies, procedures, designated body or other related matters for hearings that property owners or their agents may request pursuant to the Riley county unincorporated area nuisance abatement act.

New Sec. 5. (a) The legislature declares it is the policy of this state to protect and encourage the production and processing of food and other agricultural products. As nonagricultural uses of property continue to move into agricultural and agribusiness areas, normal agricultural and agribusiness activities can find themselves subjected to public and private claims of nuisance. Therefore, it is the legislative intent of this act to protect agricultural and agribusiness activities from nuisance actions. As such, nothing in the Riley county unincorporated area nuisance abatement act shall apply to land,

structures, machinery and equipment or motor vehicles used for an agricultural activity or oil and gas exploration and development activity.

(b) For purposes of this section, the term "agricultural activity" means the same as defined in K.S.A. 2-3203, and amendments thereto, except such term shall also include real and personal property, machinery, equipment, stored grain and agricultural input products owned or maintained by commercial grain elevators and agribusiness facilities.

New Sec. 6. The Riley county unincorporated area nuisance abatement act, sections 1 through 6, and amendments thereto, shall expire on July 1, 2027.

New Sec. 7. (a) The provisions of sections 7 through 12, and amendments thereto, shall be known and may be cited as the Crawford county unincorporated area nuisance abatement act.

(b) Before any nuisance abatement process shall be commenced under the Crawford county unincorporated area nuisance abatement act, Crawford county first shall have obtained a conviction for a county code violation resulting from such nuisance within the 12-month period prior to the issuance of any order as provided in section 8, and amendments thereto.

(c) (1) The board of county commissioners may order the removal or abatement of any nuisance from any lot or parcel of ground within the unincorporated area of the county. The board may also order the repair or demolition of any structure or the removal or abatement of any other type of nuisance.

(2) The order shall provide that all costs associated with the abatement shall be paid by the owner of the property on which the nuisance is located.

New Sec. 8. (a) Whenever the board of county commissioners or other agency designated by the board files with the Crawford county clerk a statement, in writing, describing a nuisance and declaring that such nuisance is a menace and dangerous to the health of the inhabitants of the county, the board of county commissioners, by resolution, may make such determination and issue an order requiring the nuisance be removed or abated.

(b) Except as provided by subsection (c), the board of county commissioners shall order the owner of the property to remove and abate the nuisance within not less than 10 days, to be specified in the order. The board or its designated representative may grant extensions of the time period indicated in the order. The order shall state that, before the expiration of the waiting period or any extension, the recipient may request a hearing before the board or its designated representative. The order shall be served on the owner by personal service in accordance with K.S.A. 60-303, and amendments thereto.

(c) If the owner of the property has failed to accept delivery or otherwise failed to effectuate receipt of a notice sent pursuant to this section during the preceding 24-month period, the board of county commissioners may provide notice of the issuance of any further orders to abate or remove a nuisance from the property in the manner provided by subsection (d) or as provided in this subsection. The board may provide notice of the order by such methods, including, but not limited to, door hangers conspicuously posting notice of the order on the property, personal notification, telephone communication or first-class mail. If the property is unoccupied and the owner is a nonresident, notice provided by this section shall be given by telephone communication or first-class mail.

(d) If the owner of the property fails to comply with the order for a period longer

than that named in the order or any extensions of such time period, the board of county commissioners may proceed to order the repair or demolition of any structure and have the items described in the order removed and abated from the lot or parcel of ground. If the county abates or removes the nuisance, the county shall give notice to the owner, by certified mail, with return receipt requested, of the total cost of the abatement or removal incurred by the county. The notice also shall state that payment of the cost is due and payable within 60 days following the mailing of the notice.

(e) If the cost of the removal or abatement is not paid within the 60-day period, the cost shall be assessed and charged against the lot or parcel of land on which the nuisance was located. If the cost is to be assessed, the county clerk, at the time of certifying other county taxes, shall certify the costs, and the county clerk shall extend the cost on the tax roll of the county against the lot or parcel of land. Such cost shall be collected by the county treasurer.

(f) In assessing the cost of removal and abatement of a nuisance, the county shall subtract from the total cost of the abatement or removal incurred by the county the value of the property removed or abated. If the value of the property removed or abated is greater than the cost of the removal or abatement incurred by the county, the county shall pay the owner the difference. If the value of the property is contested, the property owner may request a hearing before the board or its designated representative prior to the 60 days following receipt of notice of costs due and payable under subsection (d).

(g) All orders and notices shall be served on the owner of record or, if there is more than one owner of record, then on at least one such owner.

(h) Any decision of the board of county commissioners or its designated representative is subject to review in accordance with the Kansas judicial review act.

New Sec. 9. Crawford county may remove and abate from property, other than public property or property open to use by the public, a motor vehicle determined to be a nuisance. Disposition of such vehicles shall be in compliance with the procedures for impoundment, notice and public auction provided by K.S.A. 8-1102(a)(2), and amendments thereto. EXPLANATION OF VOTE

I voted "NO" on **H Sub SB 387** because our state's education funding continues to be based on a Supreme Court ruling that is unconstitutional and a gross overreach of the judicial branch. Public education is a dramatic overspend for the product received. Until public education is exposed to competition via "school choice," it will continue to underachieve. School choice with funding traveling with the student is key to the ultimate success of all Kansas students.—MARK STEFFEN

If a plan is submitted and approved by the director the county or district shall proceed to implement the plan as submitted. The director shall continue to monitor the program to insure that the plan is implemented as submitted. If no plan is submitted or if the director does not approve the plan, the director shall petition the state board of tax appeals for a review of the plan or, if no plan is submitted, for authority for the division of property valuation to assume control of the appraisal program of the county and to proceed to bring the same into compliance with the requirements of law.

The board shall order the county commissioners to reimburse the state for such costs.

(c) The state board of tax appeals shall within 60 days after the publication of the Kansas assessment/sales ratio study review such publication to determine county compliance with K.S.A. 79-1439, and amendments thereto. If in the determination of the board one or more counties are not in substantial compliance and the director of property valuation has not acted under subsection (b), the board shall order the director of property valuation to take such corrective action as is necessary or to show cause for noncompliance.

Sec. 14. On and after July 1, 2024, K.S.A. 2023 Supp. 79-2988 is hereby amended to read as follows: 79-2988. (a) On or before June 15 each year, the county clerk shall calculate the revenue neutral rate for each taxing subdivision and include such revenue neutral rate on the notice of the estimated assessed valuation provided to each taxing subdivision for budget purposes. The director of accounts and reports shall modify the prescribed budget information form to show the revenue neutral rate.

(b) No tax rate in excess of the revenue neutral rate shall be levied by the governing body of any taxing subdivision unless a resolution or ordinance has been approved by the governing body according to the following procedure:

(1) At least 10 days in advance of the public hearing, the governing body shall publish notice of its proposed intent to exceed the revenue neutral rate by publishing notice:

(A) On the website of the governing body, if the governing body maintains a website; and

(B) in a weekly or daily newspaper of the county having a general circulation therein. The notice shall include, but not be limited to, its proposed tax rate, its revenue neutral rate and the date, time and location of the public hearing.

(2) On or before July 20, the governing body shall notify the county clerk of its proposed intent to exceed the revenue neutral rate and provide the date, time and location of the public hearing and its proposed tax rate. For all tax years commencing after December 31, 2021, the county clerk shall notify each taxpayer with property in the taxing subdivision, by mail directed to the taxpayer's last known address, of the proposed intent to exceed the revenue neutral rate at least 10 days in advance of the public hearing. Alternatively, the county clerk may transmit the notice to the taxpayer by electronic means at least 10 days in advance of the public hearing, if such taxpayer and county clerk have consented in writing to service by electronic means. The county clerk shall consolidate the required information for all taxing subdivisions relevant to the taxpayer's property on one notice. The notice shall be in a format prescribed by the director of accounts and reports. The notice shall include, but not be limited to:

(A) The revenue neutral rate of each taxing subdivision relevant to the taxpayer's property;

(B) the proposed property tax revenue needed to fund the proposed budget of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(C) the proposed tax rate based upon the proposed budget and the current year's total assessed valuation of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(D) the percentage by which the proposed tax rate exceeds the revenue neutral rate;

(E) the tax rate and property tax of each taxing subdivision on the taxpayer's property from the previous year's tax statement;

(F) the appraised value and assessed value of the taxpayer's property for the current year;

(G) the estimates of the tax for the current tax year on the taxpayer's property based on the revenue neutral rate of each taxing subdivision and any proposed tax rates that exceed the revenue neutral rates;

(H) the difference between the estimates of tax based on the proposed tax rate and the revenue neutral rate on the taxpayer's property described in subparagraph (G) for any taxing subdivision that has a proposed tax rate that exceeds its revenue neutral rate; and

(I) the date, time and location of the public hearing of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate.

Although the state of Kansas is not a taxing subdivision for purposes of this section,

the notice shall include a statement of the statutory mill levies imposed by the state and the estimate of the tax for the current year on the taxpayer's property based on such levies.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held not sooner than August 20 and not later than September 20. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section. Nothing in this section shall be construed to prohibit additional public hearings that provide additional opportunities to present testimony or public comment prior to the public hearing required by this section.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be conducted at the public hearing after the governing body has heard from interested taxpayers and shall be a roll call vote. If the governing body approves exceeding the revenue neutral rate, the governing body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section. A copy of the resolution or ordinance to approve exceeding the revenue neutral rate and a certified copy of any roll call vote reporting, at a minimum, the name and vote of each member of the governing body related to exceeding the revenue neutral rate, whether approved or not, shall be included with the adopted budget, budget certificate and other budget forms filed with the county clerk and the director of accounts and reports and shall be published on the website of the department of administration.

(c) (1) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate.

(2) Any taxpayer of the taxing subdivision that is the subject of the complaint or such taxpayer's duly authorized representative may file a complaint with the state board of tax appeals by filing a written complaint, on a form prescribed by the board, that contains the facts that the complaining party believes show that a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and that a reduction or refund of taxes is appropriate. The complaining party shall provide a copy of such complaint to the governing body of the taxing subdivision making the levy that is the subject of the complaint. Notwithstanding K.S.A. 74-2438a, and amendments thereto, no filing fee shall be charged by the executive director of the state board of tax appeals for a complaint filed pursuant to this paragraph. The governing body of the taxing subdivision making the levy that is the subject of the complaint shall be a party to the proceeding. Notice of any summary proceeding or hearing shall be served upon such governing body, the county clerk, the director of accounts and reports and the complaining party. It shall be the duty of the governing body to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity of such levy. If upon a summary proceeding or hearing, it shall be made to appear to the satisfaction of the board that the governing body of the taxing subdivision did not

comply with subsection (b), the state board of tax appeals shall order such governing body to refund to taxpayers the amount of property taxes over collected or reduce the taxes levied, if uncollected. The provisions of this paragraph shall not be construed as prohibiting any other remedies available under the law.

(d) On and after January 1, 2022, in the event that the ~~20-mills tax~~ tax levied by a school district pursuant to K.S.A. 72-5142, and amendments thereto, increases the property tax revenue generated for the purpose of calculating the revenue neutral rate from the previous tax year and such amount of increase in revenue generated from ~~the 20-mills such tax levied~~ is the only reason ~~that~~ the school district would exceed the total property tax revenue from the prior year, the school district shall be deemed to not have exceeded the revenue neutral rate in levying a tax rate in excess of the revenue neutral rate to take into account the increase in revenue from only ~~the 20-mills such tax levied~~.

(e) (1) Notwithstanding any other provision of law to the contrary, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before October 1, to the proper county clerk the amount of ad valorem tax to be levied.

(2) If a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and certifies to the county clerk an amount of ad valorem tax to be levied that would result in a tax rate in excess of its revenue neutral rate, the county clerk shall reduce the ad valorem tax to be levied to the amount resulting from such taxing subdivision's revenue neutral rate.

(f) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.

(2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.

(g) In the event that a county clerk incurred costs of printing and postage that were not reimbursed pursuant to K.S.A. 2023 Supp. 79-2989, and amendments thereto, such county clerk may seek reimbursement from all taxing subdivisions required to send the notice. Such costs shall be shared proportionately by all taxing subdivisions that were included on the same notice based on the total property tax levied by each taxing subdivision. Payment of such costs shall be due to the county clerk by December 31.

(h) The department of administration or the director of accounts and reports shall make copies of adopted budgets, budget certificates, other budget documents and revenue neutral rate documents available to the public on the department of administration's website on a permanently accessible web page that may be accessed via a conspicuous link to that web page placed on the front page of the department's website. The department of administration or the director of accounts and reports shall also make the following information for each tax year available on such website:

- (1) A list of taxing subdivisions by county;
- (2) whether each taxing subdivision conducted a hearing to consider exceeding its

revenue neutral rate;

- (3) the revenue neutral rate of each taxing subdivision;
- (4) the tax rate resulting from the adopted budget of each taxing subdivision; and
- (5) the percent change between the revenue neutral rate and the tax rate for each taxing subdivision.

The Conference Committee Report was adopted.

EXPLANATION OF VOTE

I vote "NO" on CCR **HB 2036** for two reasons: 1) Regarding the technical merits of the bill, this bill does very little to address the ever increasing and overly burdensome residential property taxes that northeast Kansans face. Instead, it misguidedly focuses on giving wealthier Kansans income tax relief by focusing on reducing the top marginal Kansas state income tax rate. We need much more residential property tax relief, for ALL Kansas homeowners, than what this CCR provides! 2) Our legislative process is broken! Our tax conference committee conferees, if left unfettered, are more than capable of developing the tax legislation relief that Kansas citizens need and deserve. Unfortunately, the governor and legislative leadership have hijacked the legislative process and have forced the chambers to vote on a CCR that reflects their (and their special interests') desires, not the needs of Kansas citizens.—TOM HOLLAND
