(b) Examination reports and correspondence regarding such reports made by the commissioner or the commissioner's designees shall be confidential and shall not be subject to the provisions of the open records act, K.S.A. 45-215 et seq., and amendments thereto. The commissioner may release examination reports and correspondence regarding the reports in connection with a disciplinary proceeding conducted by the commissioner, a liquidation proceeding or a criminal investigation or proceeding. Additionally, the commissioner may furnish to federal or other state regulatory agencies or any officer or examiner thereof, a copy of any or all examination reports and correspondence regarding the reports made by the commissioner or the commissioner's designees. (c) For the purpose of any examination, investigation or proceeding under this act, the commissioner or the commissioner's designee may administer oaths and affirmations, subpoena witnesses, compel such witnesses' attendance, introduce evidence and require the production of any matter that is relevant to the examination or investigation, including the existence, description, nature, custody, condition and location of any books, documents or other tangible things and the identity and location of persons having knowledge of relevant facts or any other matter reasonably calculated to lead to the discovery of relevant information or items.

(3) if any person is found to have violated any provision of this act and such violation is committed against elder or disabled persons as defined in K.S.A. 50-676, and amendments thereto, the commissioner may impose an additional penalty not to exceed \$5,000 for each such violation, in addition to any civil penalty otherwise provided by law;

(4) that the person to pay restitution for any loss arising from the violation or requiring the person to disgorge any profits arising from the violation. Such order may include the assessment of interest not to exceed 8% per annum from the date of the violation;

(5) that the person take such action as in the judgment of the commissioner will carry out the purposes of this act; or

(6) that the person be barred from subsequently applying for registration under this act.

(2) Such emergency order, even if not an order within the meaning of K.S.A. 77-502, and amendments thereto, shall be subject to the same procedures as an emergency order issued under K.S.A. 77-536, and amendments thereto.

evidence relating to the matter under investigation or in question. Any failure to obey the order of the court may be punished by the court as contempt of court.

(b) No person shall be excused from attending, testifying or producing any document or record before the commissioner or in obedience to the subpoena of the commissioner or the commissioner's designee, or in any proceeding instituted by the commissioner, on the ground that such testimony or evidence, documentary or otherwise, required of the person may tend to incriminate the person or subject the person to a penalty or forfeiture. No individual may be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which such person is compelled, after claiming privilege against self-incrimination, to testify or produce evidence, documentary or otherwise, except that the individual so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.

CONFERENCE COMMITTEE REPORT

MR. SPEAKER and MR. PRESIDENT: Your committee on conference on Senate amendments to **HB 2562** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 4, following line 30, by inserting:

"New Sec. 10. (a) Sections 10 through 13, and amendments thereto, shall be known and may be cited as the Kansas contract for deed act.

(b) As used in sections 10 through 13, and amendments thereto:

(1) "Buyer" means a person who purchases property subject to a contract for deed or any legal successor in interest to the buyer.

(2) "Contract for deed" means an executory agreement in which the seller agrees to convey title to real property to the buyer and the buyer agrees to pay the purchase price in five or more subsequent payments exclusive of the down payment, if any, while the seller retains title to the property as security for the buyer's obligation. Option contracts for the purchase of real property are not contracts for deed.

(3) "Property" means real property located in this state upon which there is located or will be located a structure designed principally for occupancy of one to four families that is or will be occupied by the buyer as the buyer's principal place of residence.

(4) "Seller" means any person who makes a sale of property by means of a contract for deed or any legal successor in interest to the seller.

New Sec. 11. (a) Any contract for deed or affidavit of equitable interest may be recorded in the office of the county register of deeds where the property is located by any interested person.

(b) Following the notice and opportunity to cure provided for in section 13(c), and amendments thereto, the buyer shall have 15 days to:

(1) Record a record of release of affidavit of equitable interest or contract for deed, if such affidavit or contract were recorded; and

(2) vacate the premises, if applicable.

(c) If the buyer fails to satisfy the conditions under subsection (b), then such buyer shall be responsible for the seller's reasonable attorney fees, costs and expenses for the removal of the affidavit of equitable interest or contract for deed from the title and eviction of the buyer from the premises, if applicable.

New Sec. 12. (a) A seller shall not execute a contract for deed with a buyer if the seller does not hold title to the property. Except as provided further, a seller shall maintain fee simple title to the property free from any mortgage, lien or other

encumbrance for the duration of the contract for deed. This subsection shall not apply to a mortgage, lien or encumbrance placed on the property:

- (1) Due to the conduct of the buyer;
- (2) with the agreement of the buyer as a condition of a loan obtained to make improvements on the property; or
- (3) by the seller prior to the execution of the contract for deed if:
 - (A) The seller disclosed the mortgage, lien or encumbrance to the buyer;
 - (B) the seller continues to make timely payments on the outstanding mortgage, lien or other encumbrance;
 - (C) the seller disclosed the contract for deed to the mortgagee, lienholder or other party of interest; and
 - (D) the seller satisfies and obtains a release of the mortgage, lien or other encumbrance not later than the date the buyer makes final payment on the contract for deed unless the buyer assumes the mortgage, lien or other encumbrance as part of the contract for deed.

(b) Any violation of this section is a deceptive act or practice under the provisions of the Kansas consumer protection act and shall be subject to any and all of the enforcement provisions of the Kansas consumer protection act.

New Sec. 13. (a) A buyer's rights under a contract for deed shall not be forfeited or canceled except as provided in this section, notwithstanding any provision in the contract providing for forfeiture of buyer's rights. Nothing in this section shall be construed to limit the power of the district court to require proceedings in equitable foreclosure.

(b) The buyer's rights under a contract for deed shall not be forfeited until the buyer has been notified of the intent to forfeit as provided in subsection (c) and has been given a right to cure the default, and such buyer has failed to do so within the time period allowed. A timely tender of cure shall reinstate the contract for deed.

(c) A notice of default and intent to forfeit shall:

- (1) Reasonably identify the contract and describe the property covered by it;
- (2) specify the terms and conditions of the contract with which the buyer has not complied; and
- (3) notify the buyer that the contract will be forfeited unless the buyer performs the terms and conditions within the following periods of time:
 - (A) If the buyer has paid less than 50% of the purchase price, 30 days from completed service of notice; or
 - (B) if the buyer has paid 50% or more of the purchase price, 90 days from completed service of notice.

(d) A notice of default and intent to forfeit shall be served on the buyer in person, or by leaving a copy at the buyer's usual place of residence with someone of suitable age and discretion who resides at such place of residence, or by certified mail or priority mail, return receipt requested, addressed to the buyer at the buyer's usual place of residence.

(e) Nothing in this section shall be construed to preclude the buyer or the seller from pursuing any other remedy at law or equity.

New Sec. 14. (a) Any restrictive covenant recitals on real property contained in any deed, plat, declaration, restriction, covenant or other conveyance filed at any time in the office of the register of deeds in any county in violation of K.S.A. 44-1016 or 44-1017,

and amendments thereto, shall be void and unenforceable.

(b) A restrictive covenant that violates K.S.A. 44-1016 or 44-1017, and amendments thereto, may be released by the owner of the real property subject to such covenant by recording a certificate of release of prohibited covenants. Such certificate may be recorded prior to recording of a document conveying any interest in such real property or at such other time as the owner discovers that such prohibited covenant exists. Any certificate recorded with the register of deeds shall be subject to recording fees pursuant to K.S.A. 28-115, and amendments thereto. A certificate of release of prohibited covenants shall contain:

- (1) The name of the current owner of the real property;
- (2) a legal description of the real property;
- (3) the volume and page or the document number in which the original document containing the restrictive covenant is recorded;

- (4) a brief description of the restrictive covenant; and

- (5) the citation to the location of the restrictive covenant in the original document.";

On page 9, following line 18, by inserting:

"Sec. 16. K.S.A. 44-1017a is hereby amended to read as follows: 44-1017a. (a) No declaration or other governing document of an association shall include a restrictive covenant in violation of K.S.A. 44-1016 and 44-1017, and amendments thereto.

(b) Within 60 days of the effective date of this act, the board of directors of an association shall amend any declaration or other governing document that includes a restrictive covenant in violation of K.S.A. 44-1016 and 44-1017, and amendments thereto, by removing such restrictive covenant. Such amendment shall not require the approval of the members of the association. No other change shall be required to be made to the declaration or other governing document of the association pursuant to this section. Within 10 days of the adoption of the amendment, the amended declaration or other governing document shall be recorded in the same manner as the original declaration or other governing document and shall be subject to recording fees pursuant to K.S.A. 28-115, and amendments thereto. No fee shall be charged for such recording.

(c) If the commission, a city or county ~~in which~~ where the association is located provides written notice to an association requesting that the association delete a restrictive covenant in violation of K.S.A. 44-1016 and 44-1017, and amendments thereto, the association shall delete the restrictive covenant within 30 days of receiving the notice. If the association fails to delete the restrictive covenant in violation of K.S.A. 44-1016 and 44-1017, and amendments thereto, the commission, a city or county ~~in which~~ where the association is located, or any person adversely affected by such restrictive covenant may bring an action against the homeowners association for injunctive relief to enforce the provisions of subsections (a) and (b) ~~of this section~~. The court may award attorney's fees to the prevailing party.

(d) If a city or county determines that the association is no longer active such that the written notice described in subsection (c) cannot be provided to the association, then the city or county, upon adoption of a resolution by the governing body of such city or county, may remove such restrictive covenant that is in violation of K.S.A. 44-1016 or 44-1017, and amendments thereto, by recording a certificate of release of prohibited covenants in accordance with section 14, and amendments thereto. A resolution may authorize the removal of more than one restrictive covenant that is in violation of K.S.A. 44-1016 or 44-1017, and amendments thereto. No signature or other consent of

any property owner affected by such recording shall be required to record any certificate of release of prohibited covenants pursuant to this subsection. Any such certificate recorded pursuant to this subsection shall not affect the validity of any property interest recorded within the original or redacted plat. No city or county shall incur any liability arising from the recording of any certificate of release of prohibited covenants pursuant to this subsection. No fee shall be charged for any recording filed pursuant to this subsection. Any such recording shall be exempt from the survey requirements of K.S.A. 58-2001 et seq., and amendments thereto.

(c) If the commission determines that a person or associated association, corporation, limited liability company, limited liability partnership, partnership, professional corporation or trust has practiced without a valid broker's or salesperson's license issued by the commission, in addition to any other penalties imposed by law, the commission, in accordance with the Kansas administrative procedure act, may issue a cease and desist order against the unlicensed person.;

On page 12, following line 40, by inserting:

"Sec. 10. K.S.A. 2023 Supp. 74-4921 is hereby amended to read as follows: 74-4921. (1) There is hereby created in the state treasury the Kansas public employees retirement fund. All employee and employer contributions shall be deposited in the state treasury to be credited to the Kansas public employees retirement fund. The fund is a trust fund and shall be used solely for the exclusive purpose of providing benefits to members and member beneficiaries and defraying reasonable expenses of administering the fund. Investment income of the fund shall be added or credited to the fund as provided by law. All benefits payable under the system, refund of contributions and overpayments, purchases or investments under the law and expenses in connection with the system unless otherwise provided by law shall be paid from the fund. The director of accounts and reports is authorized to draw warrants on the state treasurer and against such fund upon the filing in the director's office of proper vouchers executed by the chairperson or the executive director of the board. As an alternative, payments from the fund may be made by credits to the accounts of recipients of payments in banks, savings and loan associations and credit unions. A payment shall be so made only upon the written authorization and direction of the recipient of payment and upon receipt of such authorization such payments shall be made in accordance therewith. Orders for payment of such claims may be contained on:

(a) A letter, memorandum, telegram, computer printout or similar writing; or

(b) any form of communication, other than voice, which is registered upon magnetic tape, disc or any other medium designed to capture and contain in durable form conventional signals used for the electronic communication of messages.

(2) The board shall have the responsibility for the management of the fund and shall discharge the board's duties with respect to the fund solely in the interests of the members and beneficiaries of the system for the exclusive purpose of providing benefits to members and such member's beneficiaries and defraying reasonable expenses of administering the fund and shall invest and reinvest moneys in the fund and acquire, retain, manage, including the exercise of any voting rights and disposal of investments of the fund within the limitations and according to the powers, duties and purposes as prescribed by this section.

(3) Moneys in the fund shall be invested and reinvested to achieve the investment objective which is preservation of the fund to provide benefits to members and member beneficiaries, as provided by law and accordingly providing that the moneys are as productive as possible, subject to the standards set forth in this act. No moneys in the fund shall be invested or reinvested if any investment objective is for economic

development or social purposes or objectives.

(4) In investing and reinvesting moneys in the fund and in acquiring, retaining, managing and disposing of investments of the fund, the board shall exercise the judgment, care, skill, prudence and diligence under the circumstances then prevailing, which persons of prudence, discretion and intelligence acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and with like aims by diversifying the investments of the fund so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so, and not in regard to speculation but in regard to the permanent disposition of similar funds, considering the probable income as well as the probable safety of their capital.

(5) Notwithstanding subsection (4):

(a) Total investments in common stock may be made in the amount of up to 60% of the total book value of the fund;

(b) the board may invest or reinvest moneys of the fund in alternative investments if the following conditions are satisfied:

(i) The total of the annual net commitment to alternative investments does not exceed 5% of the total market value of investment assets of the fund as measured from the end of the preceding calendar year;

(ii) if in addition to the system, there are at least two other qualified institutional buyers, as defined by section (a)(1)(i) of rule 144A, securities act of 1933;

(iii) the system's share in any individual alternative investment is limited to an investment representing not more than 20% of any such individual alternative investment;

(iv) the system has received a favorable and appropriate recommendation from a qualified, independent expert in investment management or analysis in that particular type of alternative investment;

(v) the alternative investment is consistent with the system's investment policies and objectives as provided in subsection (6);

(vi) the individual alternative investment does not exceed more than 2.5% of the total alternative investments made under this subsection. If the alternative investment is made pursuant to participation by the system in a multi-investor pool, the 2.5% limitation contained in this subsection is applied to the underlying individual assets of such pool and not to investment in the pool itself. The total of such alternative investments made pursuant to participation by the system in any one individual multi-investor pool shall not exceed more than 20% of the total of alternative investments made by the system pursuant to this subsection. Nothing in this subsection requires the board to liquidate or sell the system's holdings in any alternative investments made pursuant to participation by the system in any one individual multi-investor pool held by the system on the effective date of this act, unless such liquidation or sale would be in the best interest of the members and beneficiaries of the system and be prudent under the standards contained in this section. The 20% limitation contained in this subsection shall not have been violated if the total of such investment in any one individual multi-investor pool exceeds 20% of the total alternative investments of the fund as a result of market forces acting to increase the value of such a multi-investor pool relative to the rest of the system's alternative investments; however, the board shall not invest or reinvest any moneys of the fund in any such individual multi-investor pool until the value of such individual multi-investor pool is less than 20% of the total alternative

investments of the fund;

(vii) the board has received and considered the investment manager's due diligence findings submitted to the board as required by subsection (6);

(viii) prior to the time the alternative investment is made, the system has in place procedures and systems to ensure that the investment is properly monitored and investment performance is accurately measured; and

(ix) the total of alternative investments does not exceed ~~15%~~ 25% of the total investment assets of the fund. The ~~15%~~ 25% limitation contained in this subsection shall not have been violated if the total of such alternative investments exceeds ~~15%~~ 25% of the total investment assets of the fund, based on the fund total market value, as a result of market forces acting to increase the value of such alternative investments relative to the rest of the system's investments. However, the board shall not invest or reinvest any moneys of the fund in alternative investments until the total value of such alternative investments is less than ~~15%~~ 25% of the total investment assets of the fund based on the market value. If the total value of the alternative investments exceeds ~~15%~~ 25% of the total investment assets of the fund, the board shall not be required to liquidate or sell the system's holdings in any alternative investment held by the system, unless such liquidation or sale would be in the best interest of the members and beneficiaries of the system and is prudent under the standards contained in this section;

(c) for purposes of this section, "alternative investment" includes a broad group of investments that are not one of the traditional asset types of public equities, fixed income, cash or real estate. (6) (a) Subject to the objective set forth in subsection (3) and the standards set forth in subsections (4) and (5) the board shall formulate policies and objectives for the investment and reinvestment of moneys in the fund and the acquisition, retention, management and disposition of investments of the fund. Such policies and objectives shall include:

(i) Specific asset allocation standards and objectives;

(ii) establishment of criteria for evaluating the risk versus the potential return on a particular investment;

(iii) a requirement that all investment managers submit such manager's due diligence findings on each investment to the board or investment advisory committee

for approval or rejection prior to making any alternative investment;

(iv) a requirement that all investment managers shall immediately report all instances of default on investments to the board and provide the board with recommendations and options, including, but not limited to, curing the default or withdrawal from the investment; and

(v) establishment of criteria that would be used as a guideline for determining when no additional add-on investments or reinvestments would be made and when the investment would be liquidated.

(b) The board shall review such policies and objectives, make changes considered necessary or desirable and readopt such policies and objectives on an annual basis.

(7) The board may enter into contracts with one or more persons whom the board determines to be qualified, whereby the persons undertake to perform the functions specified in subsection (2) to the extent provided in the contract. Such persons contracted with the board pursuant to this subsection and any persons contracted with such persons to perform the functions specified in subsection (2) shall be deemed to be agents of the board and the system in the performance of contractual obligations.

(8) (a) In the acquisition or disposition of securities, the board may rely on the written legal opinion of a reputable bond attorney or attorneys, the written opinion of the attorney of the investment counselor or managers, or the written opinion of the attorney general certifying the legality of the securities.

(b) The board shall employ or retain qualified investment counsel or counselors or may negotiate with a trust company to assist and advise in the judicious investment of funds as herein provided.

(9) (a) Except as provided in subsection (7) and this subsection, the custody of money and securities of the fund shall remain in the custody of the state treasurer, except that the board may arrange for the custody of such money and securities as it considers advisable with one or more member banks or trust companies of the federal reserve system or with one or more banks in the state of Kansas, or both, to be held in safekeeping by the banks or trust companies for the collection of the principal and interest or other income or of the proceeds of sale. The services provided by the banks or trust companies shall be paid pursuant to rates fixed by the board subject to provisions of appropriation acts.

(b) The state treasurer and the board shall collect the principal and interest or other income of investments or the proceeds of sale of securities in the custody of the state treasurer and pay same when so collected into the fund.

(c) The principal and interest or other income or the proceeds of sale of securities as provided in this subsection shall be reported to the state treasurer and the board and credited to the fund.

(10) The board shall with the advice of the director of accounts and reports establish the requirements and procedure for reporting any and all activity relating to investment functions provided for in this act in order to prepare a record monthly of the investment income and changes made during the preceding month. The record will reflect a detailed summary of investment, reinvestment, purchase, sale and exchange transactions and such other information as the board may consider advisable to reflect a true accounting of the investment activity of the fund.

(11) The board shall provide for an examination of the investment program annually. The examination shall include an evaluation of current investment policies and practices and of specific investments of the fund in relation to the objective set forth in subsection (3), the standard set forth in subsection (4) and other criteria as may be appropriate, and recommendations relating to the fund investment policies and practices and to specific investments of the fund as are considered necessary or desirable. The board shall include in its annual report to the governor as provided in K.S.A. 74-4907, and amendments thereto, a report or a summary thereof covering the investments of the fund.

(12) Any internal assessment or examination of alternative investments of the system performed by any person or entity employed or retained by the board which evaluates or monitors the performance of alternative investments shall be reported to the legislative post auditor so that such report may be reviewed in accordance with the annual financial-compliance audits conducted pursuant to K.S.A. 74-49,136, and amendments thereto.";

The association shall be entitled to retain a portion of any amount so paid equal to the percentage determined by dividing the aggregate amount of policyholders' or contract holders' claims related to that insolvency for which the association has provided statutory benefits by the aggregate amount of all policyholders' or contract holders' claims in this state related to that insolvency and shall remit to the domiciliary receiver the amount so paid to the association less the amount retained pursuant to this subsection. Any amount so paid to the association and retained by such association shall be treated as a distribution of estate assets pursuant to applicable state receivership law dealing with early access disbursements.

(5) If the association has provided benefits with respect to a covered obligation and a person recovers amounts as to which the association has rights as described in the preceding paragraphs of this subsection, then the person shall pay to the association the portion of the recovery attributable to the policies or contracts, or portion thereof, covered by the association.

~~(n)(o) The contractual obligations of the impaired or insolvent insurer for which the association becomes, or may become, liable shall be as great as but no greater than the contractual obligations of the impaired or insolvent insurer would have been in the absence of an impairment or insolvency unless such obligations are reduced as permitted by this act but~~ Except for subsection (p), the association shall not provide coverage for:

(G) the guaranty association's limits of liability with respect to the obligations of any impaired or insolvent insurer shall be the limits of liability in effect under this act on the date the guaranty association became liable for that impaired or insolvent insurer;

~~(q)~~(s) The association may join an organization of one or more other state associations of similar purposes to further the purposes and administer the powers and duties of the association.

~~(r) The association shall pay any and all persons who, as a provider, may have claims as a result of a member insurer being found insolvent between March 1, 1999 and June 1, 1999.~~

(t) (1) (A) At any time within 180 days of the date of the order of liquidation, the association may elect to succeed to the rights and obligations of the ceding member insurer that relate to policies, contracts or annuities covered, in whole or in part, by the association, in each case under any one or more reinsurance contracts entered into by the insolvent insurer and its reinsurers and selected by the association. Any such assumption shall be effective as of the date of the order of liquidation. The election shall be effected by the association or the national organization of life and health insurance guaranty associations (NOLHGA), on its behalf, sending written notice with return receipt requested to the affected reinsurers.

(B) To facilitate the earliest practicable decision about whether to assume any of the contracts of reinsurance, and in order to protect the financial position of the estate, the receiver and each reinsurer of the ceding member insurer shall make available upon request to the association or to NOLHGA on its behalf as soon as possible after commencement of formal delinquency proceedings:

(i) Copies of in-force contracts of reinsurance and all related files and records relevant to the determination of whether such contracts should be assumed; and

(ii) notices of any defaults under the reinsurance contracts or any known event or condition that with the passage of time could become a default under the reinsurance contracts.

(C) The following subparagraphs shall apply to reinsurance contracts so assumed by the association:

(i) The association shall be responsible for all unpaid premiums due under the reinsurance contracts for periods both before and after the date of the order of liquidation and shall be responsible for the performance of all other obligations to be performed after the date of the order of liquidation, in each case relating to policies, contracts or annuities covered, in whole or in part, by the association. The association may charge policies, contracts or annuities covered in part by the association, through reasonable allocation methods, the costs for reinsurance in excess of the obligations of the association and shall provide notice and an accounting of these charges to the liquidator;

(ii) the association shall be entitled to any amounts payable by the reinsurer under the reinsurance contracts with respect to losses or events that occur in periods after the date of the order of liquidation and that relate to policies, contracts or annuities covered, in whole or in part, by the association, provided that, upon receipt of any such amounts, the association shall be obliged to pay to the beneficiary under the policy, contract or annuity on account of which the amounts were paid a portion of the amount equal to the

lesser of:

(a) The amount received by the association; and
 (b) the excess of the amount received by the association over the amount equal to the benefits paid by the association on account of the policy, contract or annuity less the retention of the insurer applicable to the loss or event.

(iii) Within 30 days following the association's election, the "election date," the association and each reinsurer under contracts assumed by the association shall calculate the net balance due to or from the association under each reinsurance contract as of the election date with respect to policies, contracts or annuities covered, in whole or in part, by the association. Such calculation shall give full credit to all items paid by either the member insurer or its receiver or the reinsurer prior to the election date. The reinsurer shall pay the receiver any amounts due for losses or events prior to the date of the order of liquidation, subject to any set-off for premiums unpaid for periods prior to the date, and the association or reinsurer shall pay any remaining balance due the other, in each case within five days of the completion of the aforementioned calculation. Any disputes over the amounts due to either the association or the reinsurer shall be resolved by arbitration pursuant to the terms of the affected reinsurance contracts or, if the contract contains no arbitration clause, as otherwise provided by law. If the receiver has received any amounts due the association pursuant to subparagraph (C)(ii), the receiver shall remit such amounts to the association as promptly as practicable.

(iv) If the association or receiver, on the association's behalf, within 60 days of the election date, pays the unpaid premiums due for periods both before and after the election date that relate to policies, contracts or annuities covered, in whole or in part, by the association, the reinsurer shall not be entitled to terminate the reinsurance contracts for failure to pay premiums insofar as the reinsurance contracts relate to policies, contracts or annuities covered, in whole or in part, by the association, and shall not be entitled to set off any unpaid amounts due under other contracts or unpaid amounts due from parties other than the association against amounts due the association.

(2) During the period from the date of the order of liquidation until the election date, or, if the election date does not occur, until 180 days after the date of the order of liquidation:

(A) (i) Neither the association nor the reinsurer shall have any rights or obligations under reinsurance contracts that the association has the right to assume under paragraph (1), whether for periods prior to or after the date of the order of liquidation; and

(ii) the reinsurer, the receiver and the association shall, to the extent practicable, provide each other data and records reasonably requested;

(B) provided that once the association has elected to assume a reinsurance contract, the parties' rights and obligations shall be governed by paragraph (1).

(3) If the association does not elect to assume a reinsurance contract by the election date pursuant to paragraph (1), the association shall have no rights or obligations, in each case for periods both before and after the date of the order of liquidation, with respect to the reinsurance contract.

(4) When policies, contracts or annuities, or covered obligations with respect thereto are transferred to an assuming insurer, reinsurance on the policies, contracts or annuities may also be transferred by the association, in the case of contracts assumed under subsection (t)(1), subject to the following:

(A) Unless the reinsurer and the assuming insurer agree otherwise, the reinsurance contract transferred shall not cover any new policies of insurance, contracts or annuities in addition to those transferred;

(B) the obligations described in subsection (t)(1) shall no longer apply with respect to matters arising after the effective date of the transfer; and

(C) notice shall be given in writing, with return receipt requested, by the transferring party to the affected reinsurer not less than 30 days prior to the effective date of the transfer.

(5) The provisions of this subsection shall supersede the provisions of any state law or any affected reinsurance contract that provides for or requires any payment of reinsurance proceeds, on account of losses or events that occur in periods after the date of the order of liquidation, to the receiver of the insolvent insurer or any other person. The receiver shall remain entitled to any amounts payable by the reinsurer under the reinsurance contracts with respect to losses or events that occur in periods prior to the date of the order of liquidation, subject to applicable setoff provisions.

(6) Except as otherwise provided in this subsection, nothing in this subsection shall alter or modify the terms and conditions of any reinsurance contract. Nothing in this section shall abrogate or limit any rights of any reinsurer to claim that such reinsurer is entitled to rescind a reinsurance contract. Nothing in this section shall give a policyholder, contract owner, enrollee, certificate holder or beneficiary an independent cause of action against a reinsurer that is not otherwise set forth in the reinsurance contract. Nothing in this section shall limit or affect the association's rights as a creditor of the estate against the assets of the estate. Nothing in this section shall apply to reinsurance agreements covering property or casualty risks.

(u) The board of directors of the association shall have discretion and may exercise reasonable business judgment to determine the means by which the association is to provide the benefits of this act in an economical and efficient manner.

(v) Where the association has arranged or offered to provide the benefits of this act to a covered person under a plan or arrangement that fulfills the association's obligations under this act, the person shall not be entitled to benefits from the association in addition to or other than those provided under the plan or arrangement.

(w) Venue in a suit against the association arising under this act shall be in Shawnee County. The association shall not be required to give an appeal bond in an appeal that relates to a cause of action arising under this act.

(s) Regarding covered policies for which the association becomes obligated after an entry of an order of liquidation, to the extent such contract provides coverage for losses occurring after the date of the order of liquidation, the association may elect to succeed to the rights of the insolvent insurer arising after the order of liquidation under any contract of reinsurance to which the insolvent insurer was a party. As a condition to making such election, the association must pay all unpaid premiums due under the contract for coverage relating to periods before and after the date on which the order of liquidation was entered.

(t)(x) In carrying out its duties in connection with guaranteeing, assuming, reissuing or reinsuring policies or contracts under subsections (a) or (b), ~~subject to approval of the receivership court,~~ the association may issue substitute coverage for a policy or contract that provides an interest rate, crediting rate or similar factor determined by use of an index or other external reference stated in the policy or contract

employed in calculating returns or changes in value by issuing an alternative policy or contract in accordance with the following provisions:

(1) In lieu of the index or other external reference provided for in the original policy or contract, the alternative policy or contract provides for:

- ~~(i)~~(A) A fixed interest rate;
- ~~(ii)~~(B) payment of dividends with minimum guarantees; or
- ~~(iii)~~(C) a different method for calculating interest or changes in value.

(2) There is no requirement for evidence of insurability, waiting period or other exclusion that would not have applied under the replaced policy or contract; and

(3) the alternative policy or contract is substantially similar to the replaced policy or contract in all other material terms.

Sec. 12. K.S.A. 40-3009 is hereby amended to read as follows: 40-3009. (a) For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account, at such time and for such amounts as the board finds necessary. Assessments shall be due not less than 30 days after prior written notice to the member insurers and shall accrue interest at 15% per annum on and after the due date.

(b) There shall be two classes of assessments, as follows: (1) Class A assessments shall be made for the purpose of meeting administrative and legal costs and other expenses and examinations conducted under the authority of subsection (e) of K.S.A. 40-3012, and amendments thereto. Class A assessments may be made whether or not related to a particular impaired or insolvent insurer.

(2) Class B assessments shall be made to the extent necessary to carry out the powers and duties of the association under K.S.A. 40-3008, and amendments thereto, with regard to an impaired or an insolvent insurer.

(c) (1) The amount of any class A assessment shall be determined by the board and may be made on a pro rata or non-pro rata basis. If pro rata, the board may provide that it be credited against future class B assessments. ~~A non-pro rata assessment shall not exceed \$300 per member insurer in any one calendar year.~~ The amount of any class B assessment, except for assessments related to long-term care insurance, shall be allocated for assessment purposes among the accounts pursuant to an allocation formula ~~which that~~ may be based on the premiums or reserves of the impaired or insolvent insurer or any other standard deemed by the board in its sole discretion as being fair and reasonable under the circumstances.

(2) The amount of the class B assessment for long-term care insurance written by the impaired or insolvent insurer shall be allocated according to a methodology included in the plan of operation and approved by the commissioner. The methodology shall provide for 50% of the assessment to be allocated to accident and health member insurers and 50% to be allocated to life and annuity member insurers.

(3) Class B assessments against member insurers for each account shall be in the proportion that the premiums received on business in this state by each assessed member insurer on policies or contracts covered by each account for the three most recent calendar years for which information is available preceding the year in which the member insurer became impaired or insolvent, as the case may be, bears to such premiums received on business in this state for such calendar years by all assessed member insurers.

~~(3)~~(4) Assessments for funds to meet the requirements of the association with

respect to an impaired or insolvent insurer shall not be made until necessary to implement the purposes of this act. Classification of assessments under subsection (b) and computation of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible.

(d) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. In the event an assessment against a member insurer is abated, or deferred in whole or in part, the amount by which such assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. Once the conditions that caused a deferral have been removed or rectified, the member insurer shall pay all assessments that were deferred pursuant to a repayment plan approved by the association.

(e) (1) The total of all assessments upon a member insurer for each account shall not in any one calendar year exceed 2% of such member insurer's average premiums received in this state on the policies and contracts covered by the account during the three calendar years preceding the years in which the member insurer became an impaired or insolvent insurer.

(2) If two or more assessments are authorized in one calendar year with respect to member insurers that become impaired or insolvent in different calendar years, the average annual premiums for purposes of the aggregate assessment percentage limitation referenced in this subsection shall be equal and limited to the higher of the three-year average annual premiums for the applicable account as calculated pursuant to this section.

(3) If the maximum assessment, together with the other assets of the association in any account does not provide in any one year in either account an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed as soon thereafter as permitted by this act.

(4) The board may provide in the plan of operation a method of allocating funds among claims, whether relating to one or more impaired or insolvent insurers, when the maximum assessment will be insufficient to cover anticipated claims.

(f) The board, by an equitable method as established in the plan of operation, may refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account exceed the amount the board finds is necessary to carry out during the coming year the obligations of the association with regard to that account, including assets accruing from assignment, subrogation, net realized gains and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the association and for future losses.

(g) It shall be proper for any member insurer, in determining its premium rates and policyowner policyholder or contract holder dividends as to any kind of insurance or health maintenance organization business within the scope of this act, to consider the amount reasonably necessary to meet its assessment obligations under this act.

(h) The association shall issue to each member insurer paying an assessment under this act, other than a class A assessment, a certificate of contribution, in a form prescribed by the commissioner, for the amount of the assessment paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or dates

of issue. A certificate of contribution may be shown by the member insurer in its financial statement as an asset in such form and for such amount, if any, and period of time as the commissioner may approve.

(i) (1) A member insurer that wishes to protest all or part of an assessment shall pay, when due, the full amount of the assessment as set forth in the notice provided by the association. The payment shall be available to meet association obligations during the pendency of the protest or any subsequent appeal. Payment shall be accompanied by a written statement that the payment is made under protest and shall set forth a brief statement of the grounds for the protest.

(2) Within 60 days following the payment of an assessment under protest by a member insurer, the association shall notify the member insurer, in writing, of its determination with respect to the protest unless the association notifies the member insurer that additional time is required to resolve the issues raised by the protest.

(3) Within 30 days after a final decision has been made, the association shall notify the protesting member insurer in writing of that final decision. Within 60 days of receipt of notice of the final decision, the protesting member insurer may appeal that final action to the commissioner.

(4) As an alternative to rendering a final decision with respect to a protest based on a question regarding the assessment base, the association may refer protests to the commissioner for a final decision, with or without a recommendation from the association.

(5) If the protest or appeal on the assessment is upheld, the amount paid in error or excess shall be returned to the member insurer. Interest on a refund due a protesting member insurer shall be paid at the rate actually earned by the association.

(j) The association may request information of member insurers in order to aid in the exercise of its power under this section, and member insurers shall promptly comply with a request.

Sec. 13. K.S.A. 40-3010 is hereby amended to read as follows: 40-3010. (a) (1) The association shall submit to the commissioner a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon the commissioner's written approval or unless the commissioner has not disapproved it within 30 days.

(2) If the association fails to submit a suitable plan of operation within 120 days following the effective date of this act, or, if at any time thereafter the association fails to submit suitable amendments to the plan, the commissioner, after notice and hearing, shall adopt and promulgate such reasonable rules and regulations as are necessary or advisable to effectuate the provisions of this act. Such rules and regulations shall continue in force until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner.

(b) All member insurers shall comply with the plan of operation.

(c) The plan of operation shall, in addition to requirements enumerated elsewhere in this act:

- (1) Establish procedures for handling the assets of the association;
- (2) establish the amount and method of reimbursing members of the board of directors under K.S.A. 40-3007, and amendments thereto;
- (3) establish regular places and times for meetings, including telephone conference

calls, of the board of directors;

(4) establish procedures for records to be kept of all financial transactions of the association, its agents and the board of directors;

(5) establish the procedures whereby selections for the board of directors will be made and submitted to the commissioner;

(8) establish procedures whereby a director may be removed for cause, including in the case where a member insurer director becomes an impaired or insolvent insurer; and

(9) require the board of directors to establish a policy and procedures for addressing conflicts of interests.

(d) The plan of operation may provide that any or all powers and duties of the association, except those under ~~subsection (p)(3)~~ of K.S.A. 40-3008 and 40-3009, and amendments thereto, are delegated to a corporation, association or other organization ~~which that~~ performs or will perform functions similar to those of this association, or its equivalent, in two or more states. Such a corporation, association or organization shall be reimbursed for any payments made on behalf of the association and shall be paid for its performance of any function of the association. A delegation under this subsection shall take effect only with the approval of both the board of directors and the commissioner, and may be made only to a corporation, association or organization ~~which that~~ extends protection not substantially less favorable and effective than that provided by this act.

Sec. 14. K.S.A. 40-3011 is hereby amended to read as follows: 40-3011. In addition to the duties and powers enumerated in this act:

(a) The commissioner shall:

(1) Upon request of the board of directors, provide the association with a statement of the premiums in this and any other appropriate state for each member insurer;

(2) when an impairment is declared and the amount of the impairment is determined, serve a demand upon the impaired insurer to make good the impairment within a reasonable time; notice to the impaired insurer shall constitute notice to its shareholders, if any; the failure of the impaired insurer to promptly comply with such demand shall not excuse the association from the performance of its powers and duties under this act;

(3) in any liquidation or rehabilitation proceeding involving a domestic insurer, be appointed as the liquidator or rehabilitator.

(b) The commissioner may suspend or revoke, after notice and hearing in accordance with the provisions of the Kansas administrative procedure act, the certificate of authority to transact insurance business in this state of any member insurer ~~which that~~ fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative the commissioner may levy a forfeiture on any member insurer ~~which that~~ fails to pay an assessment when due. Such forfeiture shall not exceed 5% of the unpaid assessment per month, but ~~no a~~ forfeiture shall be not less than \$100 per month.

(c) Any final action of the board of directors or the association may be appealed to the commissioner by any member insurer if such appeal is taken within 60 days of the

final action being appealed. ~~If a member company is appealing an assessment, the amount assessed shall be paid to the association and available to meet association obligations during the pendency of an appeal. If the appeal on the assessment is upheld, the amount paid in error shall be returned to the member insurer.~~ A final action or order of the commissioner shall be subject to judicial review in a court of competent jurisdiction in accordance with the laws of this state that apply to the actions or orders of the commissioner.

(d) The liquidator, rehabilitator or conservator of any impaired insurer may notify all interested persons of the effect of this act.

Sec. 15. K.S.A. 40-3012 is hereby amended to read as follows: 40-3012. To aid in the detection and prevention of member insurer impairments or insolvencies:

(a) It shall be the duty of the commissioner to:

(1) Notify the commissioners of all other states, territories of the United States and the District of Columbia when the commissioner takes any of the following actions against a member insurer:

(A) Revocation of license or certificate of authority;

(B) suspension of license or certificate of authority; or

(C) makes any formal order that such ~~company~~ member insurer restricts its premium writing, obtain additional contributions to surplus, withdraw from the state, reinsure all or any part of its business, or increase capital, surplus or any other account for the security of policyholders, contract holders, certificate holders or creditors.

Such notice shall be mailed to all commissioners within 30 days following the action taken or the date on which such action occurs;

(2) report to the board of directors when the commissioner has taken any of the actions set forth in paragraph (1) ~~of this subsection~~ or has received a report from any other commissioner indicating that any such action has been taken in another state. Such report to the board of directors shall contain all significant details of the action taken or the report received from another commissioner;

(3) report to the board of directors when the commissioner has reasonable cause to believe from any examination, whether completed or in process, of any member company that such ~~company~~ member insurer may be an impaired or insolvent insurer. Such report and information shall be kept confidential by the board of directors until such time as made public by the commissioner or other lawful authority;

(4) furnish to the board of directors the national association of insurance commissioners' insurance regulatory information system ratios and listings of companies not included in the ratios developed by the national association of insurance commissioners, and the board may use the information contained therein in carrying out its duties and responsibilities under this section. Such report and the information contained therein shall be kept confidential by the board of directors until such time as made public by the commissioner or other lawful authority.

(b) The commissioner may seek the advice and recommendations of the board of directors concerning any matter affecting the commissioner's duties and responsibilities regarding the financial condition of member insurers and ~~companies~~ health maintenance organization seeking admission to transact ~~insurance~~ business in this state.

(c) The board of directors, upon majority vote, may make reports and recommendations to the commissioner upon any matter germane to the solvency, liquidation, rehabilitation or conservation of any member insurer or germane to the

solvency of any ~~company insurer or health maintenance organization~~ seeking to do ~~any insurance~~ business in this state. Such reports and recommendations shall not be considered public documents.

(d) It shall be the duty of the board of directors, upon majority vote, to notify the commissioner of any information indicating any member insurer may be an impaired or insolvent insurer.

~~(e) The board of directors, upon majority vote, may request that the commissioner order an examination of any member insurer which the board in good faith believes may be an impaired or insolvent insurer. The examination may be conducted as a national association of insurance commissioners' examination or may be conducted by such persons as the commissioner designates. The cost of such examination shall be paid by the association and the examination report shall be treated as are other examination reports. In no event shall such examination report be released to the board of directors prior to its release to the public, but this shall not preclude the commissioner from complying with subsection (a).~~

The commissioner shall notify the board of directors when the examination is completed. The request for an examination shall be kept on file by the commissioner but it shall not be open to public inspection prior to the release of the examination report to the public.

(f) The board of directors, upon majority vote, may make recommendations to the commissioner for the detection and prevention of member insurer insolvencies.

~~(g) The board of directors, at the conclusion of any insurer insolvency in which the association was obligated to pay covered claims, shall prepare a report to the commissioner containing such information as it may have in its possession bearing on the history and causes of such insolvency. The board shall cooperate with the board of directors of guaranty associations in other states in preparing a report on the history and causes of insolvency of a particular insurer and may adopt, by reference, any report prepared by such other associations.~~

Sec. 16. K.S.A. 40-3013 is hereby amended to read as follows: 40-3013. (a) Nothing in this act shall be construed to reduce the liability for unpaid assessments of the insureds or enrollees of an impaired or insolvent insurer operating under a plan with assessment liability.

(b) Records shall be kept of all negotiations and meetings in which the association or its representatives are involved to discuss the activities of the association in carrying out its powers and duties under K.S.A. 40-3008, and amendments thereto. Records of such negotiations or meetings shall be made public only upon the termination of a liquidation, rehabilitation or conservation proceeding involving the impaired or insolvent insurer, upon the termination of the impairment or insolvency of the member insurer, or upon the order of a court of competent jurisdiction. Nothing in this subsection shall limit the duty of the association to render a report of its activities under K.S.A. 40-3014, and amendments thereto.

(c) For the purpose of carrying out its obligations under this act, the association shall be deemed to be a creditor of the impaired or insolvent insurer to the extent of assets attributable to covered policies reduced by any amounts to which the association is entitled as subrogee pursuant to ~~subsection (f) of~~ K.S.A. 40-3008, and amendments thereto. Assets of the impaired or insolvent insurer attributable to covered policies shall be used to continue all covered policies and pay all contractual obligations of the

impaired or insolvent insurer as required by this act. Assets attributable to covered policies or contracts, as used in this subsection, are that proportion of the assets ~~which that~~ the reserves that should have been established for such policies or contracts bear to the reserve that should have been established for all policies or contracts of insurance or health benefit plans written by the impaired or insolvent insurer.

(d) As a creditor of the impaired or insolvent insurer, as established in subsection (c) and consistent with K.S.A. 40-3635, and amendments thereto, the association and other similar associations shall be entitled to receive a disbursement of assets out of the marshaled assets, from time to time as the assets become available to reimburse it, as a credit against contractual obligations under this act. If the liquidator has not, within 120 days of a final determination of insolvency of a member insurer by the receivership court, made an application to the court for the approval of a proposal to disburse assets out of marshaled assets to guaranty associations having obligations because of the insolvency, then the association shall be entitled to make application to the receivership court for approval of its own proposal to disburse these assets.

(e)(1) Prior to the termination of any liquidation, rehabilitation, or conservation proceeding, the court may take into consideration the contributions of the respective parties, including the association, the shareholders ~~and policyowners, policyholders, contract holders, certificate holders and enrollees~~ of the insolvent insurer, and any other party with a bona fide interest, in making an equitable distribution of the ownership rights of such insolvent insurer. In such a determination, consideration shall be given to the welfare of the policyholders, contract holders, certificate holders and enrollees of the continuing or successor member insurer.

(2) No distribution to stockholders, if any, of an impaired or insolvent insurer shall be made until and unless the total amount of valid claims of the association with interest thereon for funds expended in carrying out its powers and duties under K.S.A. 40-3008, and amendments thereto, with respect to such member insurer have been fully recovered by the association.

~~(e)(f)~~ (1) If an order for liquidation or rehabilitation of ~~an a member~~ insurer domiciled in this state has been entered, the receiver appointed under such order shall have a right to recover on behalf of the member insurer, from any affiliate that controlled it, the amount of distributions, other than stock dividends paid by the member insurer on its capital stock, made at any time during the five years preceding the petition for liquidation or rehabilitation subject to the limitations of ~~subsections paragraphs (2) to through (4), inclusive.~~

(2) No such distribution shall be recoverable if the member insurer shows that when paid the distribution was lawful and reasonable, and that the member insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the member insurer to fulfill its contractual obligations.

(3) Any person who was an affiliate that controlled the member insurer at the time the distributions were paid shall be liable up to the amount of distributions such person received. Any person who was an affiliate that controlled the member insurer at the time the distributions were declared, shall be liable up to the amount of distributions such person would have received if such person had been paid immediately. If two or more persons are liable with respect to the same distributions, such person shall be jointly and severally liable.

(4) The maximum amount recoverable under this subsection shall be the amount

needed in excess of all other available assets of the insolvent insurer to pay the contractual obligations of the insolvent insurer.

(5) If any person liable under ~~subsection~~ paragraph (3) is insolvent, all its affiliates that controlled it at the time the distribution was paid, shall be jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate.

Sec. 17. K.S.A. 40-3013a is hereby amended to read as follows: 40-3013a. (a) No person, including ~~an a member~~ insurer, agent or affiliate of ~~an a member~~ insurer shall make, publish, disseminate, circulate or place before the public, or cause directly or indirectly, to be made, published, disseminated, circulated or placed before the public, in any newspaper, magazine or other publication, or in the form of a notice, circular, pamphlet, letter or poster, or over any radio station or television station, or in any other way, any advertisement, announcement or statement, written or oral, which uses the existence of the insurance guaranty association of this state for the purpose of sales, solicitation or inducement to purchase any form of insurance or other coverage covered by the Kansas life and health insurance guaranty association act. This section shall not apply to the Kansas life and health insurance guaranty association or any other entity ~~which that~~ does not sell or solicit insurance or coverage by a health maintenance organization.

(b) Within 180 days of the effective date of this act, the association shall prepare a summary document describing the general purposes and current limitations of this act in complying with subsection (c). This summary document ~~should~~ shall be submitted to the commissioner for approval. Sixty days after receiving such approval, no member insurer may deliver a policy or contract ~~described in subsection (b) of K.S.A. 40-3003, and amendments thereto,~~ to a policy or policyholder, contract holder, certificate holder or enrollee unless the summary document is delivered to the policy or policyholder, contract holder or enrollee at the time of delivery of the policy or contract ~~except if subsection (d) applies.~~ The summary document ~~should~~ shall also be available upon request by a policyholder, contract holder, certificate holder or enrollee. The distribution, delivery or contents or interpretation of this summary document shall not mean that either the policy or the contract or the policyholder, contract holder, certificate holder or enrollee thereof would be covered in the event of the impairment or insolvency of a member insurer. The ~~description~~ summary document shall be revised by the association as amendments to this act may require. Failure to receive this document does not give the policyholder, contract holder, certificate holder, enrollee or insured any greater rights than those stated in this act.

(c) The summary document prepared under subsection (b) shall contain a clear and conspicuous disclaimer on its face. The commissioner shall promulgate a rule establishing the form and content of the disclaimer. The disclaimer shall:

(1) State the name and address of the life and health insurance guaranty association and insurance department;

(2) prominently warn the policy or policyholder, contract holder, certificate holder or enrollee that the life and health insurance guaranty association may not cover the policy or contract or, if coverage is available, it will be subject to substantial limitations, exclusions and conditioned on continued residence in the state;

(3) state the types of policies or contracts for which guaranty funds will provide coverage;

(4) state that the member insurer and its agents are prohibited by law from using

the existence of the life and health insurance guaranty association for the purpose of sales, solicitation or inducement to purchase any form of insurance or health maintenance organization coverage;

~~(4)~~(5) emphasize ~~state~~ that the ~~policy or policyholder~~, contract holder, certificate holder or enrollee should not rely on coverage under the life and health insurance guaranty association when selecting an insurer; and or health maintenance organization;

(6) explain rights available and procedures for filing a complaint to allege a violation of any provisions of this act; and

~~(5)~~(7) provide other information as directed by the commissioner, including, but not limited to, sources for information about the financial condition of insurers, provided that the information is not proprietary and is subject to disclosure under that state's public records law.

~~(d) No insurer or agent may deliver a policy or contract described in subsection (b) of K.S.A. 40-3003, and amendments thereto, and excluded under subsection (n)(1) of K.S.A. 40-3008, and amendments thereto, from coverage under this act unless the insurer or agent, prior to or at the time of delivery, gives the policy or contract holder a separate written notice which clearly and conspicuously discloses that the policy or contract is not covered by the life and health insurance guaranty association. The commissioner, by rule, shall specify the form and content of the notice. A member insurer shall retain evidence of compliance with subsection (b) for so long as the policy or contract for which the notice is given remains in effect.~~

Sec. 18. K.S.A. 40-3016 is hereby amended to read as follows: 40-3016. (a) Unless a longer period has been allowed by the commissioner, a member insurer shall at its option have the right to show a certificate of contribution as an asset in the form approved by the commissioner pursuant to ~~subsection (h) of~~ K.S.A. 40-3009, and amendments thereto, at percentages of the original face amount approved by the commissioner, for calendar years as follows:

- (1) ~~One hundred percent~~100% for the calendar year of issuance;
- (2) ~~eighty percent~~80% for the first calendar year after the year of issuance;
- (3) ~~sixty percent~~60% for the second calendar year after the year of issuance;
- (4) ~~forty percent~~40% for the third calendar year after the year of issuance;
- (5) ~~twenty percent~~20% for the fourth calendar year after the year of issuance.

(b) The member insurer may offset the amount written off by it in a calendar year under subsection (a) ~~above~~, against its premium tax liability to this state accrued with respect to business transacted in such year.

(c) A member insurer that is exempt from taxes referenced in subsection (a) may recoup its assessments by a surcharge on its premiums in a sum reasonably calculated to recoup the assessments over a reasonable period of time, as approved by the commissioner. Amounts recouped shall not be considered premiums for any other purpose, including the computation of gross premium tax, the medical loss ratio, or agent commission. If a member insurer collects excess surcharges, the member insurer shall remit the excess amount to the association, and the excess amount shall be applied to reduce future assessments in the appropriate account.

(d) Any sums acquired by refund, pursuant to ~~subsection (f) of~~ K.S.A. 40-3009, and amendments thereto, from the association ~~which~~ that have theretofore been written off by contributing member insurers and offset against premium taxes as provided in subsection (b) ~~above~~, and ~~is~~ are not then needed for purposes of this act, shall be paid

by the association to the commissioner and the commissioner shall remit such moneys to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state general fund.

Sec. 19. K.S.A. 40-3018 is hereby amended to read as follows: 40-3018. All proceedings in which the impaired or insolvent insurer is a party in any court in this state shall be stayed ~~60~~ 180 days from the date an order of liquidation, rehabilitation or conservation is final to permit proper legal action by the association on any matters germane to its powers or duties. As to a judgment under any decision, order, verdict or finding based on default the association may apply to have such judgment set aside by the same court that made such judgment and shall be permitted to defend against such suit on the merits.";

SIXTY-FIRST DAY

SENATE CHAMBER, TOPEKA, KANSAS
Friday, April 5, 2024, 10:00 a.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 39 senators present.
Senator Ryckman was excused.
Invocation by Reverend Cecil T. Washington:

God Bless America (Irving Berlin)
Matthew 5-6

Heavenly Father, Lord God of Heaven and earth; in the Gospel of Matthew 5-6, Your Word says God blesses those who are humble, for they will inherit the whole earth. God blesses those who hunger and thirst for justice, for they will be satisfied.

Shortly after becoming an American citizen, Irving Berlin wrote a prayer asking You to bless us. The prayer was set to music and became a national anthem. Please hear this prayer today:

God bless America, land that I love.
Stand beside her, and guide her,
Thru the night with a light from above.
From the mountains, to the prairies,
To the oceans, white with foam,
God bless America, my home sweet home. Amen!

The Pledge of Allegiance was led by President Masterson.

The Conference Committee Report was adopted.

EXPLANATION OF VOTE

The true test of fiscal responsibility is not how the legislature manages the people's budget in a deficit, but how the budget is managed when there is a surplus. Times of surplus require added restraint, the ability to not frivolously spend surplus dollars on pet projects for the chosen few, but to instead wisely invest the taxpayers' dollars in needs that have been fully vetted by this chamber, savings for a rainy day and meaningful tax relief. For example, it is disappointing to see last-minute favors granted to pay for an

opera house and trees when I think about how the money could be spent on our foster care children and social workers. Our constituents deserve to know that their taxes are being squandered, and they deserve better than this. I hope this body can continue to refine the budget process to be just. —KRISTEN O'SHEA

One reason I vote no on the CCR for **SB 28** is because the committee took out the language of my amendment requiring a vote of the legislature accepting the 93% pay increase. —DENNIS PYLE

I voted NO on **SB 28** because I believe and live the Republican Party Platform tenet of small government. Disappointingly, from 2020 to 2024, this super-majority Republican legislature has grown the state general fund expenditures by 25%. Our promotion of a tax system full of tax credits and abatements, preventing a level playing field fair to all Kansans, is very disappointing as well. We are better than this!—MARK STEFFEN

EXPLANATION OF VOTE

Growing government, growing the AG office and growing litigation against the state. That's what this bill does. It needs to be pointed out the Senate chamber was invited to a "briefing," a closed door caucus under the auspices of "security" - all for a bill that is unconstitutional on many fronts. Because this bill requires forced divestiture, without rights to seek appeal or redress, we will likely force small businesses into lengthy, expensive court proceedings and that's not just JoCo, but all across the state. This bill assumes all people and companies covered under this bill are guilty, without even a chance to prove innocence, absent a long and expensive court battle. This is not the AMERICAN way. I vote "no."—CINDY HOLSCHER

Any county or city levying a retailers' sales tax is hereby prohibited from administering or collecting such tax locally, but shall utilize the services of the state department of revenue to administer, enforce and collect such tax. Except as otherwise specifically provided in K.S.A. 12-189a, and amendments thereto, such tax shall be identical in its application, and exemptions therefrom, to the Kansas retailers' sales tax act and all laws and administrative rules and regulations of the state department of revenue relating to the Kansas retailers' sales tax shall apply to such local sales tax insofar as such laws and rules and regulations may be made applicable. The state director of taxation is hereby authorized to administer, enforce and collect such local sales taxes and to adopt such rules and regulations as may be necessary for the efficient and effective administration and enforcement thereof.

Upon receipt of a certified copy of an ordinance or resolution authorizing the levy of a local retailers' sales tax, the director of taxation shall cause such taxes to be collected within or without the boundaries of such taxing subdivision at the same time and in the same manner provided for the collection of the state retailers' sales tax. Such copy shall be submitted to the director of taxation within 30 days after adoption of any such ordinance or resolution. The director of taxation shall confirm that all provisions of law applicable to the authorization of local sales tax have been followed prior to causing the collection. If the director of taxation discovers that a city or county did not comply with any provision of law applicable to the authorization of a local sales tax after collection has commenced, the director shall immediately notify the city or county and cease collection of such sales tax until such noncompliance is remedied. All moneys collected by the director of taxation under the provisions of this section shall be credited to a county and city retailers' sales tax fund which fund is hereby established in the state treasury, except that all moneys collected by the director of taxation pursuant to the authority granted in K.S.A. 12-187(b)(22), and amendments thereto, shall be credited to the Wilson county capital improvements fund. Any refund due on any county or city retailers' sales tax collected pursuant to this act shall be paid out of the sales tax refund fund and reimbursed by the director of taxation from collections of local retailers' sales tax revenue. Except for local retailers' sales tax revenue required to be deposited in the redevelopment bond fund established under K.S.A. 74-8927, and amendments thereto, all local retailers' sales tax revenue collected within any county or city pursuant to this act shall be apportioned and remitted at least quarterly by the state treasurer, on instruction from the director of taxation, to the treasurer of such county or city.

The director of taxation shall provide, upon request by a city or county clerk or treasurer or finance officer of any city or county levying a local retailers' sales tax, monthly reports identifying each retailer doing business in such city or county or making taxable sales sourced to such city or county, setting forth the tax liability and the amount of such tax remitted by each retailer during the preceding month and identifying each business location maintained by the retailer and such retailer's sales or use tax registration or account number. Such report shall be made available to the clerk

(a) Except as otherwise provided by subsection (b), (d) or (h), all revenue received by the director of taxation from a countywide retailers' sales tax shall be apportioned among the county and each city located in such county in the following manner:

(1) $\frac{1}{2}$ of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year; and

(2) $\frac{1}{2}$ of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county.

All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of 0.75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner:

(A) The revenue received from the first 0.5% rate of tax shall be apportioned in the manner prescribed by subsection (a); and

(B) the revenue received from the rate of tax exceeding 0.5% shall be apportioned as follows:

(i) $\frac{1}{4}$ shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year;

(ii) $\frac{1}{4}$ shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county; and

(iii) $\frac{1}{2}$ shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers' sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem property tax levy of any county or city district entity or subdivision shall be included within this term if the levy of any such district entity or subdivision is applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term "total tangible property tax levies" for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(2), (3)(C), (3)(F), (3)(G), (3)(I), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25), (27), (28), (29), (30), (31), (32), (33), (34) ~~and~~, (35), ~~(36), (37) and (38)~~, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(2) Except as otherwise provided in K.S.A. 12-187(b)(5), and amendments thereto, all revenues received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(5), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(3) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(26), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged unless the question of imposing a countywide retailers' sales tax authorized by K.S.A. 12-187(b)(26), and amendments thereto, includes the apportionment of revenue prescribed in subsection (a).

(e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county imposing a countywide retailers' sales tax shall provide such information deemed necessary by the secretary of revenue to apportion and remit revenue to the counties and cities pursuant to this section.

All such revenue collected under K.S.A. 74-8929, and amendments thereto, shall be deposited into the redevelopment bond fund established by K.S.A. 74-8927, and amendments thereto, for the period of time set forth in K.S.A. 74-8927, and amendments thereto.

In the case of property ~~which that~~ has not been listed, it shall be the duty of the county appraiser to list and appraise such property and, for an added tax, add penalties as prescribed in K.S.A. 79-1422, and amendments thereto, and ~~which that~~ shall be designated on the appraisal roll as an added appraisal for that year.

No interest shall be assessed during the pendency of this appeal.

(c) The provisions of this section shall apply to any tangible personal property discovered during the calendar years 1982, 1983, 1984 and any year thereafter to have escaped appraisal and taxation during any such year or any year within two years next preceding any such year.

Whenever the director determines that reappraisal of all real property within a county is complete, notification thereof shall be given to the governor and to the state board of tax appeals.~~

(b) Valuations shall be established for each parcel of real property at its fair market value in money in accordance with the provisions of K.S.A. 79-503a, and amendments thereto.

~~In addition thereto, (c) (1)~~ Valuations shall be established for each parcel of land devoted to agricultural use upon the basis of the agricultural income or productivity attributable to the inherent capabilities of such land in its current usage under a degree of management reflecting median production levels in the manner hereinafter provided. A classification system for all land devoted to agricultural use shall be adopted by the director of property valuation using criteria established by the United States department of agriculture natural resources conservation service.

(A) For all taxable years commencing after December 31, 1989, all land devoted to agricultural use that is subject to the federal conservation reserve program shall be classified as cultivated dry land for the purpose of valuation for property tax purposes pursuant to this section, except that for all taxable years commencing after December 31, 2022, all land devoted to agricultural use that is subject to the federal grassland conservation reserve program (CRP grasslands) shall be classified as grassland for the purpose of valuation for property tax purposes pursuant to this section.

The net income normally received by the landlord from

such land shall be determined by deducting expenses normally incurred by the landlord from the share of the gross income normally received by the landlord. The net rental income normally received by the landlord from pasture or rangeland within each county or homogeneous region shall be used as the basis for determining agricultural income from such land. The net rental income from pasture and rangeland that is normally received by the landlord shall be determined by deducting expenses normally incurred from the gross income normally received by the landlord. Commodity prices, crop yields and pasture and rangeland rental rates and expenses shall be based on an average of the eight calendar years immediately preceding the calendar year that immediately precedes the year of valuation. Net income for every land class within each county or homogeneous region shall be capitalized at a rate determined to be the sum of the contract rate of interest on new federal land bank loans in Kansas on July 1 of each year averaged over a five-year period that includes the five years immediately preceding the calendar year which immediately precedes the year of valuation, plus a percentage not less than 0.75% nor more than 2.75%, as determined by the director of property valuation, except that the capitalization rate calculated for property tax year 2003, and all such years thereafter, shall not be less than 11% nor more than 12%.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held not sooner than August 20 and not later than September 20. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section. Nothing in this section shall be construed to prohibit additional public hearings that provide additional opportunities to present testimony or public comment prior to the public hearing required by this section.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be conducted at the public hearing and on the same day as the commencement of the public hearing after the governing body has heard from interested taxpayers and shall be a roll call vote. If the governing body approves exceeding the revenue neutral rate, the governing body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section. A copy of the resolution or ordinance to approve exceeding the revenue neutral rate and a certified copy of any roll call vote reporting, at a minimum, the name and vote of each member of the governing body related to exceeding the revenue neutral rate, whether approved or not, shall be included with the adopted budget, budget certificate and other budget forms filed with the county clerk and the director of accounts and reports and shall be published on the website of the department of administration.

(c) (1) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate.

(2) Any taxpayer of the taxing subdivision that is the subject of the complaint or such taxpayer's duly authorized representative may file a complaint with the state board of tax appeals by filing a written complaint, on a form prescribed by the board, that contains the facts that the complaining party believes show that a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and that a reduction or refund of taxes is appropriate. The complaining party shall provide a copy of such complaint to the governing body of the taxing subdivision making the levy that is the subject of the complaint. Notwithstanding K.S.A. 74-2438a, and amendments thereto, no filing fee shall be charged by the executive director of the state board of tax

appeals for a complaint filed pursuant to this paragraph. The governing body of the taxing subdivision making the levy that is the subject of the complaint shall be a party to the proceeding. Notice of any summary proceeding or hearing shall be served upon such governing body, the county clerk, the director of accounts and reports and the complaining party. It shall be the duty of the governing body to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity of such levy. If upon a summary proceeding or hearing, it shall be made to appear to the satisfaction of the board that the governing body of the taxing subdivision did not comply with subsection (b), the state board of tax appeals shall order such governing body to refund to taxpayers the amount of property taxes over collected or reduce the taxes levied, if uncollected. The provisions of this paragraph shall not be construed as prohibiting any other remedies available under the law.

(d) On and after January 1, 2022, in the event that the 20 mills levied by a school district pursuant to K.S.A. 72-5142, and amendments thereto, increases the property tax revenue generated for the purpose of calculating the revenue neutral rate from the previous tax year and such amount of increase in revenue generated from the 20 mills is the only reason the school district would exceed the total property tax revenue from the prior year, the school district shall be deemed to not have exceeded the revenue neutral rate in levying a tax rate in excess of the revenue neutral rate to take into account the increase in revenue from only the 20 mills.

(e) (1) Notwithstanding any other provision of law to the contrary, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before October 1, to the proper county clerk the amount of ad valorem tax to be levied.

(2) If a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and certifies to the county clerk an amount of ad valorem tax to be levied that would result in a tax rate in excess of its revenue neutral rate, the county clerk shall reduce the ad valorem tax to be levied to the amount resulting from such taxing subdivision's revenue neutral rate.

(f) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.

(2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.

(g) In the event that a county clerk incurred costs of printing and postage that were not reimbursed pursuant to K.S.A. 2023 Supp. 79-2989, and amendments thereto, such county clerk may seek reimbursement from all taxing subdivisions required to send the notice. Such costs shall be shared proportionately by all taxing subdivisions that were included on the same notice based on the total property tax levied by each taxing subdivision. Payment of such costs shall be due to the county clerk by December 31.

(h) The department of administration or the director of accounts and reports shall

make copies of adopted budgets, budget certificates, other budget documents and revenue neutral rate documents available to the public on the department of administration's website on a permanently accessible web page that may be accessed via a conspicuous link to that web page placed on the front page of the department's website. The department of administration or the director of accounts and reports shall also make the following information for each tax year available on such website:

- (1) A list of taxing subdivisions by county;
- (2) whether each taxing subdivision conducted a hearing to consider exceeding its revenue neutral rate;
- (3) the revenue neutral rate of each taxing subdivision;
- (4) the tax rate resulting from the adopted budget of each taxing subdivision; and
- (5) the percent change between the revenue neutral rate and the tax rate for each taxing subdivision.

(i) Notwithstanding any provisions to the contrary, in the event any governing body does not comply with the provisions of subsection (b) because such governing body did not intend to exceed its revenue neutral rate but the final taxable assessed valuation of such taxing subdivision used to calculate the actual tax levy is less than the estimated assessed valuation used to calculate the revenue neutral rate, such governing body shall be permitted to levy a tax rate that generates the same amount of property tax revenue as levied the previous year or less.

Sec. 16. K.S.A. 2023 Supp. 79-2989 is hereby amended to read as follows: 79-2989. (a) For calendar years ~~2022 and~~ 2023 and 2024, if a county clerk has printing or postage costs pursuant to K.S.A. 2023 Supp. 79-2988, and amendments thereto, the county clerk shall notify and provide documentation of such costs to the secretary of revenue. The secretary of revenue shall certify the amount of moneys attributable to such costs and shall transmit a copy of such certification to the director of accounts and reports. Upon such receipt of such certification, the director of accounts and reports shall transfer an amount of moneys equal to such certified amount from the state general fund to the taxpayer notification costs fund of the department of revenue. The secretary of revenue shall transmit a copy of each such certification to the director of legislative research and the director of the budget.

(b) There is hereby established in the state treasury the taxpayer notification costs fund that shall be administered by the secretary of revenue. All expenditures from the taxpayer notification costs fund shall be for the purpose of paying county printing and postage costs pursuant to K.S.A. 2023 Supp. 79-2988, and amendments thereto. All expenditures from such fund shall be made in accordance with appropriations acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of revenue or the secretary's designee.

Sec. 17. K.S.A. 79-32,107 is hereby amended to read as follows: 79-32,107. (a) All penalties and interest prescribed by K.S.A. 79-3228, and amendments thereto, for noncompliance with the income tax laws of Kansas shall be applicable for noncompliance with the provisions of the Kansas withholding and declaration of estimated tax act relating to withholding tax which shall be enforced in the same manner as the Kansas income tax act. A penalty at the same rate per annum prescribed by ~~subsection (b) of~~ K.S.A. 79-2968**(b)**, and amendments thereto, for interest upon delinquent or unpaid taxes shall be applied and added to a taxpayer's amount of underpayment of estimated tax due from the date the estimated tax payment was due

until the same is paid or until the 15th day of the fourth month following the close of the taxable year for which such estimated tax is a credit, whichever date is earlier, but such penalty shall not be added if the total amount thereof does not exceed \$1. Amounts due from any employer on account of withholding or from any taxpayer for estimated tax may be collected by the director in the manner provided for the collection of state income tax in K.S.A. 79-3235, and amendments thereto. For purposes of this subsection, "underpayment of tax" means the difference between the amount of tax actually paid and the amount of tax which would have been required to be paid to avoid penalty pursuant to subsection (b) or (c).

(b) No penalty or interest shall be imposed upon any individual with respect to any underpayment of any installment if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:

(B) For purposes of this ~~subsection paragraph~~ (2), the taxable income shall be placed on an annualized basis by:

(i) Multiplying by 12 the taxable income referred to in ~~subsection (2)(A), subparagraph (A);~~ and

(d) If the employer, in violation of the provisions of this act, fails to deduct and withhold under this chapter, and thereafter the tax against which such withholding may be credited is paid, the amount otherwise required to be deducted and withheld shall not be collected from the employer. This subsection shall in no case relieve the employer from liability for any penalties or additions to the tax otherwise applicable in respect of such failure to deduct and withhold.

(e) Any person required to collect, truthfully account for, and pay over any tax imposed by this act, who willfully fails to collect such tax, or truthfully account for and pay over such tax, or willfully attempts in any manner to evade or defeat any such tax or the payment thereof, shall in addition to the other penalties of this section be liable to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over. As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. § 6672.

(f) (1) In case of failure by any employer required by ~~subsection (b)~~ of K.S.A. 79-3298(b), and amendments thereto, to remit any amount of withheld taxes by the date prescribed therefor, unless it is shown that such failure is due to reasonable cause and not due to willful neglect, there shall be imposed upon such person a penalty of ~~15% of the amount of the underpayment;~~

(2) For purposes of this subsection, the term "underpayment" means the excess of the amount of the tax required to be withheld and remitted over the amount, if any, remitted on or before the date prescribed therefor. The failure to remit for any withholding period shall be deemed not to continue beyond the last date prescribed for filing the annual return as required by ~~subsection (d)~~ of K.S.A. 79-3298(d), and amendments thereto. Penalty and interest as prescribed by K.S.A. 79-3228, and amendments thereto, shall not begin to accrue under subsection (a) ~~of this section~~ on the amount of any such underpayment until the due date of the annual return for the calendar year in which such failure to remit occurs.

(g) Whenever the secretary or the secretary's designee determines that the failure of the taxpayer to comply with the provisions of subsections (a), (e); or (f) ~~of this section~~ was due to reasonable causes, the secretary or the secretary's designee may waive or reduce any of ~~said such~~ penalties and may reduce the interest rate to the underpayment

rate prescribed and determined for the applicable period under section 6621 of the federal internal revenue code as in effect on January 1, 1994, upon making a record of the reasons therefor.

(a) On or before January 15, 1992, and quarterly thereafter, the county or district appraiser shall submit to the director of property valuation a progress report indicating actions taken during the preceding quarter calendar year to implement the appraisal of property in the county or district. Whenever the director of property valuation shall determine that any county has failed, neglected or refused to properly provide for the appraisal of property or the updating of the appraisals on an annual basis in substantial compliance with the provisions of law and the guidelines and timetables prescribed by the director, the director shall file with the state board of tax appeals a complaint stating the facts upon which the director has made the determination of noncompliance as provided by K.S.A. 79-1413a, and amendments thereto. If, as a result of such proceeding, the state board of tax appeals finds that the county is not in substantial compliance with the provisions of law and the guidelines and timetables of the director of property valuation providing for the appraisal of all property in the county or the updating of the appraisals on an annual basis, it shall order the immediate assumption of the duties of the office of county appraiser by the director of the division of property valuation until such time as the director of property valuation determines that the county is in substantial compliance with the provisions of law. ~~In addition, the board shall order the state treasurer to withhold all or a portion of the county's entitlement to moneys from either or both of the local ad valorem tax reduction fund and the city and county revenue sharing fund for the year following the year in which the order is issued.~~ Upon service of any such order on the board of county commissioners, the appraiser shall immediately deliver to the director of property valuation, or the director's designee, all books, records and papers pertaining to the appraiser's office.

Any county for which the director of the division of property valuation is ordered by the state board of tax appeals to assume the responsibility and duties of the office of county appraiser shall reimburse the state for the actual costs incurred by the director of the division of property valuation in the assumption and carrying out of such responsibility and duties, including any contracting costs in the event it is necessary for the director of property valuation to contract with private appraisal firms to carry out such responsibilities and duties.

(b) On or before June 1 of each year, the director of property valuation shall review the appraisal of property in each county or district to determine if property within the county or district is being appraised or valued in accordance with the requirements of law. If the director determines the property in any county or district is not being appraised in accordance with the requirements of law, the director of property valuation shall notify the county or district appraiser and the board of county commissioners of any county or counties affected that the county has 30 days within which to submit to the director a plan for bringing the appraisal of property within the county into compliance.

If a plan is submitted and approved by the director the county or district shall proceed to implement the plan as submitted. The director shall continue to monitor the program

to insure that the plan is implemented as submitted. If no plan is submitted or if the director does not approve the plan, the director shall petition the state board of tax appeals for a review of the plan or, if no plan is submitted, for authority for the division of property valuation to assume control of the appraisal program of the county and to proceed to bring the same into compliance with the requirements of law.

If the state board of tax appeals approves the plan, the county or district appraiser shall proceed to implement the plan as submitted. If no plan has been submitted or the plan submitted is not approved, the board shall fix a time within which the county may submit a plan or an amended plan for approval. If no plan is submitted and approved within the time prescribed by the board, the board shall order the division of property valuation to assume control of the appraisal program of the county ~~and shall certify its order to the state treasurer who shall withhold distributions of the county's share of moneys from the county and city revenue sharing fund and the local ad valorem tax reduction fund and credit the same to the general fund of the state for the year following the year in which the board's order is made.~~ The director of property valuation shall certify the amount of the cost incurred by the division in bringing the program in compliance to the state board of tax appeals. The board shall order the county commissioners to reimburse the state for such costs.

(c) The state board of tax appeals shall within 60 days after the publication of the Kansas assessment/sales ratio study review such publication to determine county compliance with K.S.A. 79-1439, and amendments thereto. If in the determination of the board one or more counties are not in substantial compliance and the director of property valuation has not acted under subsection (b), the board shall order the director of property valuation to take such corrective action as is necessary or to show cause for noncompliance.

Sec. 14. On and after July 1, 2024, K.S.A. 2023 Supp. 79-2988 is hereby amended to read as follows: 79-2988. (a) On or before June 15 each year, the county clerk shall calculate the revenue neutral rate for each taxing subdivision and include such revenue neutral rate on the notice of the estimated assessed valuation provided to each taxing subdivision for budget purposes. The director of accounts and reports shall modify the prescribed budget information form to show the revenue neutral rate.

(b) No tax rate in excess of the revenue neutral rate shall be levied by the governing body of any taxing subdivision unless a resolution or ordinance has been approved by the governing body according to the following procedure:

(1) At least 10 days in advance of the public hearing, the governing body shall publish notice of its proposed intent to exceed the revenue neutral rate by publishing notice:

(A) On the website of the governing body, if the governing body maintains a website; and

(B) in a weekly or daily newspaper of the county having a general circulation therein. The notice shall include, but not be limited to, its proposed tax rate, its revenue neutral rate and the date, time and location of the public hearing.

(2) On or before July 20, the governing body shall notify the county clerk of its proposed intent to exceed the revenue neutral rate and provide the date, time and location of the public hearing and its proposed tax rate. For all tax years commencing after December 31, 2021, the county clerk shall notify each taxpayer with property in the taxing subdivision, by mail directed to the taxpayer's last known address, of the

proposed intent to exceed the revenue neutral rate at least 10 days in advance of the public hearing. Alternatively, the county clerk may transmit the notice to the taxpayer by electronic means at least 10 days in advance of the public hearing, if such taxpayer and county clerk have consented in writing to service by electronic means. The county clerk shall consolidate the required information for all taxing subdivisions relevant to the taxpayer's property on one notice. The notice shall be in a format prescribed by the director of accounts and reports. The notice shall include, but not be limited to:

(A) The revenue neutral rate of each taxing subdivision relevant to the taxpayer's property;

(B) the proposed property tax revenue needed to fund the proposed budget of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(C) the proposed tax rate based upon the proposed budget and the current year's total assessed valuation of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(D) the percentage by which the proposed tax rate exceeds the revenue neutral rate;

(E) the tax rate and property tax of each taxing subdivision on the taxpayer's property from the previous year's tax statement;

(F) the appraised value and assessed value of the taxpayer's property for the current year;

(G) the estimates of the tax for the current tax year on the taxpayer's property based on the revenue neutral rate of each taxing subdivision and any proposed tax rates that exceed the revenue neutral rates;

(H) the difference between the estimates of tax based on the proposed tax rate and the revenue neutral rate on the taxpayer's property described in subparagraph (G) for any taxing subdivision that has a proposed tax rate that exceeds its revenue neutral rate; and

(I) the date, time and location of the public hearing of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate.

Although the state of Kansas is not a taxing subdivision for purposes of this section, the notice shall include a statement of the statutory mill levies imposed by the state and the estimate of the tax for the current year on the taxpayer's property based on such levies.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held not sooner than August 20 and not later than September 20. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section. Nothing in this section shall be construed to prohibit additional public hearings that provide additional opportunities to present testimony or public comment prior to the public hearing required by this section.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue

neutral rate. Such vote of the governing body shall be conducted at the public hearing after the governing body has heard from interested taxpayers and shall be a roll call vote. If the governing body approves exceeding the revenue neutral rate, the governing body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section. A copy of the resolution or ordinance to approve exceeding the revenue neutral rate and a certified copy of any roll call vote reporting, at a minimum, the name and vote of each member of the governing body related to exceeding the revenue neutral rate, whether approved or not, shall be included with the adopted budget, budget certificate and other budget forms filed with the county clerk and the director of accounts and reports and shall be published on the website of the department of administration.

(c) (1) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate.

(2) Any taxpayer of the taxing subdivision that is the subject of the complaint or such taxpayer's duly authorized representative may file a complaint with the state board of tax appeals by filing a written complaint, on a form prescribed by the board, that contains the facts that the complaining party believes show that a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and that a reduction or refund of taxes is appropriate. The complaining party shall provide a copy of such complaint to the governing body of the taxing subdivision making the levy that is the subject of the complaint. Notwithstanding K.S.A. 74-2438a, and amendments thereto, no filing fee shall be charged by the executive director of the state board of tax appeals for a complaint filed pursuant to this paragraph. The governing body of the taxing subdivision making the levy that is the subject of the complaint shall be a party to the proceeding. Notice of any summary proceeding or hearing shall be served upon such governing body, the county clerk, the director of accounts and reports and the complaining party. It shall be the duty of the governing body to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity of such levy. If upon a summary proceeding or hearing, it shall be made to appear to the satisfaction of the board that the governing body of the taxing subdivision did not comply with subsection (b), the state board of tax appeals shall order such governing body to refund to taxpayers the amount of property taxes over collected or reduce the taxes levied, if uncollected. The provisions of this paragraph shall not be construed as prohibiting any other remedies available under the law.

(d) On and after January 1, 2022, in the event that the ~~20-mills tax~~ levied by a school district pursuant to K.S.A. 72-5142, and amendments thereto, increases the property tax revenue generated for the purpose of calculating the revenue neutral rate from the previous tax year and such amount of increase in revenue generated from ~~the 20-mills such tax levied~~ is the only reason ~~that~~ the school district would exceed the total property tax revenue from the prior year, the school district shall be deemed to not have exceeded the revenue neutral rate in levying a tax rate in excess of the revenue neutral rate to take into account the increase in revenue from ~~only the 20-mills such tax levied~~.

(e) (1) Notwithstanding any other provision of law to the contrary, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before October 1, to the proper county clerk the amount of ad

valorem tax to be levied.

(2) If a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and certifies to the county clerk an amount of ad valorem tax to be levied that would result in a tax rate in excess of its revenue neutral rate, the county clerk shall reduce the ad valorem tax to be levied to the amount resulting from such taxing subdivision's revenue neutral rate.

(f) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.

(2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.

(g) In the event that a county clerk incurred costs of printing and postage that were not reimbursed pursuant to K.S.A. 2023 Supp. 79-2989, and amendments thereto, such county clerk may seek reimbursement from all taxing subdivisions required to send the notice. Such costs shall be shared proportionately by all taxing subdivisions that were included on the same notice based on the total property tax levied by each taxing subdivision. Payment of such costs shall be due to the county clerk by December 31.

(h) The department of administration or the director of accounts and reports shall make copies of adopted budgets, budget certificates, other budget documents and revenue neutral rate documents available to the public on the department of administration's website on a permanently accessible web page that may be accessed via a conspicuous link to that web page placed on the front page of the department's website. The department of administration or the director of accounts and reports shall also make the following information for each tax year available on such website:

Sec. 5. K.S.A. 79-503a is hereby amended to read as follows: 79-503a. "Fair market value" means the amount in terms of money that a well informed buyer is justified in paying and a well informed seller is justified in accepting for property in an open and competitive market, assuming that the parties are acting without undue compulsion. In the determination of fair market value of any real property which is subject to any special assessment, such value shall not be determined by adding the present value of the special assessment to the sales price. For the purposes of this definition it will be assumed that consummation of a sale occurs as of January 1.

Sales in and of themselves shall not be the sole criteria of fair market value but shall be used in connection with cost, income and other factors including but not by way of exclusion:

- (a) The proper classification of lands and improvements;
- (b) the size thereof;
- (c) the effect of location on value;
- (d) depreciation, including physical deterioration or functional, economic or social obsolescence;
- (e) cost of reproduction of improvements;
- (f) productivity taking into account all restrictions imposed by the state or federal government and local governing bodies, including, but not limited to, restrictions on property rented or leased to low income individuals and families as authorized by section 42 of the federal internal revenue code of 1986, as amended;

(g) earning capacity as indicated by lease price, by capitalization of net income or by absorption or sell-out period;

(h) rental or reasonable rental values or rental values restricted by the state or federal government or local governing bodies, including, but not limited to, restrictions on property rented or leased to low income individuals and families, as authorized by section 42 of the federal internal revenue code of 1986, as amended;

(i) sale value on open market with due allowance to abnormal inflationary factors influencing such values;

(j) restrictions or requirements imposed upon the use of real estate by the state or federal government or local governing bodies, including zoning and planning boards or commissions, and including, but not limited to, restrictions or requirements imposed upon the use of real estate rented or leased to low income individuals and families, as authorized by section 42 of the federal internal revenue code of 1986, as amended; and

(k) comparison with values of other property of known or recognized value. The assessment-sales ratio study shall not be used as an appraisal for appraisal purposes.

The appraisal process utilized in the valuation of all real and tangible personal property for ad valorem tax purposes shall conform to generally accepted appraisal procedures and standards which are consistent with the definition of fair market value unless otherwise specified by law.

The sale price or value at which a property sells or transfers ownership in a federal internal revenue code section 1031 exchange, a build-to-suit transaction or any sale-leaseback arrangement shall not be considered an indicator of fair market value nor as a factor in arriving at fair market value. Federal internal revenue code section 1031 exchange, build-to-suit and sale-leaseback arrangement transactions shall not be used as comparable sales for valuation purposes nor as valid sales for purposes of sales ratio studies conducted pursuant to K.S.A. 79-1485 et seq., and amendments thereto.

Sec. 6. K.S.A. 2023 Supp. 79-1460 is hereby amended to read as follows: 79-1460.

(a) The county appraiser shall notify each taxpayer in the county annually on or before March 1 for real property and May 1 for personal property, by mail directed to the taxpayer's last known address, of the classification and appraised valuation of the taxpayer's property, except that, the valuation for all real property shall not be increased unless the record of the latest physical inspection was reviewed by the county or district appraiser, and documentation exists to support such increase in valuation in compliance with the directives and specifications of the director of property valuation, and such record and documentation is available to the affected taxpayer. Alternatively, the county appraiser may transmit the classification and appraised valuation to the taxpayer by electronic means if such taxpayer consented to service by electronic means.

(b) The valuation for all real property also shall not be increased solely as the result of normal repair, replacement or maintenance of existing structures, equipment or improvements on the property. For the next two taxable years following the taxable year that the valuation for commercial real property has been reduced due to a final determination made pursuant to the valuation appeals process, the county appraiser shall review the computer-assisted mass-appraisal of the property and if, the valuation in either of those two years exceeds the value of the previous year by more than 5%, excluding new construction, change in use or change in classification, the county appraiser shall either:

(1) Adjust the valuation of the property based on the information provided in the

previous appeal; or

(2) order an independent fee simple appraisal of the property to be performed by a Kansas certified real property appraiser.

(c) When the valuation for real property has been reduced due to a final determination made pursuant to the valuation appeals process for the prior year, and the county appraiser has already certified the appraisal rolls for the current year to the county clerk pursuant to K.S.A. 79-1466, and amendments thereto, the county appraiser may amend the appraisal rolls and certify the changes to the county clerk to implement the provisions of this subsection and reduce the valuation of the real property to the prior year's final determination, except that such changes shall not be made after October 31 of the current year.

(d) (1) The notice provided under subsection (a) shall specify:

(A) Separately for the previous tax year and the current tax year, the appraised and assessed values for each property class identified on the parcel;

(B) the uniform parcel identification number prescribed by the director of property valuation; ~~and~~

(C) a statement of the taxpayer's right to appeal, the procedure to be followed in making such appeal and the availability without charge of the guide devised pursuant to subsection (g); ~~and~~

(D) a valuation history of the parcel that includes, at a minimum, a statement or display of the total appraised values of the parcel for the current tax year and the previous four tax years.

(2) Such notice may, and if the board of county commissioners so require, shall provide the parcel identification number, address and the sale date and amount of any or all sales utilized in the determination of appraised value of residential real property.

(e) In any year in which no change in appraised valuation of any real property from its appraised valuation in the next preceding year is determined, an alternative form of notification which has been approved by the director of property valuation may be utilized by a county.

(f) Failure to timely mail or receive such notice shall in no way invalidate the classification or appraised valuation as changed. The secretary of revenue shall adopt rules and regulations necessary to implement the provisions of this section.

(g) There shall be provided to each taxpayer, upon request, a guide to the property tax appeals process. The director of the division of property valuation shall devise and publish such guide and shall provide sufficient copies thereof to all county appraisers. Such guide shall include, but not be limited to:

(1) A restatement of the law which pertains to the process and practice of property appraisal methodology, including the contents of K.S.A. 79-503a and 79-1460, and amendments thereto;

(2) the procedures of the appeals process, including the order and burden of proof of each party and time frames required by law; and

(2) "Normal repair, replacement or maintenance" does not include new construction.

Sec. 7. K.S.A. 2023 Supp. 79-2005 is hereby amended to read as follows: 79-2005. (a) Any taxpayer, before protesting the payment of such taxpayer's taxes, shall be required, either at the time of paying such taxes, or, if the whole or part of the taxes are paid prior to December 20, no later than December 20, or, with respect to taxes paid in whole or in part in an amount equal to at least $\frac{1}{2}$ of such taxes on or before December 20 by an escrow or tax service agent, no later than January 31 of the next year, to file a written statement with the county treasurer, on forms approved by the state board of tax appeals and provided by the county treasurer, clearly stating the grounds on which the whole or any part of such taxes are protested and citing any law, statute or facts on which such taxpayer relies in protesting the whole or any part of such taxes. When the grounds of such protest is an assessment of taxes made pursuant to K.S.A. 79-332a and 79-1427a, and amendments thereto, the county treasurer may not distribute the taxes paid under protest until such time as the appeal is final. When the grounds of such protest is that the valuation or assessment of the property upon which the taxes are levied is illegal or void, the county treasurer shall forward a copy of the written statement of protest to the county appraiser who shall within 15 days of the receipt thereof, schedule an informal meeting with the taxpayer or such taxpayer's agent or attorney with reference to the property in question. At the informal meeting, it shall be the duty of the county appraiser or the county appraiser's designee to initiate production of evidence to substantiate the valuation of such property, including a summary of the reasons that the valuation of the property has been increased over the preceding year, any assumptions used by the county appraiser to determine the value of the property and a description of the individual property characteristics, property specific valuation records and conclusions. The taxpayer shall be provided with the opportunity to review the data sheets applicable to the valuation approach utilized for the subject property. The county appraiser shall take into account any evidence provided by the taxpayer which relates to the amount of deferred maintenance and depreciation of the property. The county appraiser shall review the appraisal of the taxpayer's property with the taxpayer or such taxpayer's agent or attorney and may change the valuation of the taxpayer's property, if in the county appraiser's opinion a change in the valuation of the taxpayer's property is required to assure that the taxpayer's property is valued according to law, and shall, within 15 business days thereof, notify the taxpayer in the event the valuation of the taxpayer's property is changed, in writing of the results of the meeting. The county appraiser shall not increase the appraised valuation of the property as a result of the informal meeting. In the event the valuation of the taxpayer's property is changed and such change requires a refund of taxes and interest thereon, the county treasurer shall process the refund in the manner provided by subsection (l).

(b) No protest appealing the valuation or assessment of property shall be filed pertaining to any year's valuation or assessment when an appeal of such valuation or assessment was commenced pursuant to K.S.A. 79-1448, and amendments thereto, nor shall the second half payment of taxes be protested when the first half payment of taxes

has been protested. Notwithstanding the foregoing, this provision shall not prevent any subsequent owner from protesting taxes levied for the year in which such property was acquired, nor shall it prevent any taxpayer from protesting taxes when:

(1) The valuation or assessment of such taxpayer's property has been changed pursuant to an order of the director of property valuation;

(2) the taxpayer withdrew such taxpayer's appeal commenced pursuant to K.S.A. 79-1448, and amendments thereto; or

(3) the taxpayer wishes to present new evidence relating to the valuation or assessment of such property.

(c) A protest shall not be necessary to protect the right to a refund of taxes in the event a refund is required because the final resolution of an appeal commenced pursuant to K.S.A. 79-1448, and amendments thereto, occurs after the final date prescribed for the protest of taxes.

(d) If the grounds of such protest shall be that the valuation or assessment of the property upon which the taxes so protested are levied is illegal or void, such statement shall further state the exact amount of valuation or assessment which the taxpayer admits to be valid and the exact portion of such taxes which is being protested.

(e) If the grounds of such protest shall be that any tax levy, or any part thereof, is illegal, such statement shall further state the exact portion of such tax which is being protested.

(f) Upon the filing of a written statement of protest, the grounds of which shall be that any tax levied, or any part thereof, is illegal, the county treasurer shall mail a copy of such written statement of protest to the state board of tax appeals and the governing body of the taxing district making the levy being protested.

(g) Within 30 days after notification of the results of the informal meeting with the county appraiser pursuant to subsection (a), the protesting taxpayer may, if aggrieved by the results of the informal meeting with the county appraiser, appeal such results to the state board of tax appeals.

(h) After examination of the copy of the written statement of protest and a copy of the written notification of the results of the informal meeting with the county appraiser in cases where the grounds of such protest is that the valuation or assessment of the property upon which the taxes are levied is illegal or void, the board shall conduct a hearing in accordance with the provisions of the Kansas administrative procedure act, unless waived by the interested parties in writing. If the grounds of such protest is that the valuation or assessment of the property is illegal or void the board shall notify the county appraiser thereof.

(i) In the event of a hearing, the same shall be originally set not later than 90 days after the filing of the copy of the written statement of protest and a copy, when applicable, of the written notification of the results of the informal meeting with the county appraiser with the board. With regard to any matter properly submitted to the board relating to the determination of valuation of residential property or real property used for commercial and industrial purposes for taxation purposes, it shall be the duty of the county appraiser to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity and correctness of such determination except that no such duty shall accrue to the county or district appraiser with regard to leased commercial and industrial property unless the property owner has furnished to the county or district appraiser a complete income and expense statement for the

property for the three years next preceding the year of appeal. No presumption shall exist in favor of the county appraiser with respect to the validity and correctness of such determination. In all instances where the board sets a request for hearing and requires the representation of the county by its attorney or counselor at such hearing, the county shall be represented by its county attorney or counselor. The board shall take into account any evidence provided by the taxpayer which relates to the amount of deferred maintenance and depreciation for the property. In any appeal from the reclassification of property that was classified as land devoted to agricultural use for the preceding year, the taxpayer's classification of the property as land devoted to agricultural use shall be presumed to be valid and correct if the taxpayer provides an executed lease agreement or other documentation demonstrating a commitment to use the property for agricultural use, if no other actual use is evident. With regard to any matter properly submitted to the board relating to the determination of valuation of property for taxation purposes, the board shall not increase the appraised valuation of the property to an amount greater than the appraised value reflected in the notification of the results of the informal meeting with the county appraiser from which the taxpayer appealed.

(j) When a determination is made as to the merits of the tax protest, the board shall render and serve its order thereon. The county treasurer shall notify all affected taxing districts of the amount by which tax revenues will be reduced as a result of a refund.

(k) If a protesting taxpayer fails to file a copy of the written statement of protest and a copy, when applicable, of the written notification of the results of the informal meeting with the county appraiser with the board within the time limit prescribed, such protest shall become null and void and of no effect whatsoever.

(l) (1) In the event the board orders that a refund be made pursuant to this section or the provisions of K.S.A. 79-1609, and amendments thereto, or a court of competent jurisdiction orders that a refund be made, and no appeal is taken from such order, or in the event a change in valuation which results in a refund pursuant to subsection (a), the county treasurer shall, as soon thereafter as reasonably practicable, refund to the taxpayer such protested taxes and, with respect to protests or appeals commenced after the effective date of this act, interest computed at the rate prescribed by K.S.A. 79-2968, and amendments thereto, minus two percentage points, per annum from the date of payment of such taxes from tax moneys collected but not distributed. Upon making such refund, the county treasurer shall charge the fund or funds having received such protested taxes, except that, with respect to that portion of any such refund attributable to interest the county treasurer shall charge the county general fund. In the event that the state board of tax appeals or a court of competent jurisdiction finds that any time delay in making its decision is unreasonable and is attributable to the taxpayer, it may order that no interest or only a portion thereof be added to such refund of taxes.

(2) No interest shall be allowed pursuant to paragraph (1) in any case where the tax paid under protest was inclusive of delinquent taxes.

(m) Whenever, by reason of the refund of taxes previously received or the reduction of taxes levied but not received as a result of decreases in assessed valuation, it will be impossible to pay for imperative functions for the current budget year, the governing body of the taxing district affected may issue no-fund warrants in the amount necessary. Such warrants shall conform to the requirements prescribed by K.S.A. 79-2940, and amendments thereto, except they shall not bear the notation required by such section and may be issued without the approval of the state board of tax appeals. The

governing body of such taxing district shall make a tax levy at the time fixed for the certification of tax levies to the county clerk next following the issuance of such warrants sufficient to pay such warrants and the interest thereon. All such tax levies shall be in addition to all other levies authorized by law.

(n) Whenever a taxpayer appeals to the board of tax appeals pursuant to the provisions of K.S.A. 79-1609, and amendments thereto, or pays taxes under protest related to one property whereby the assessed valuation of such property exceeds 5% of the total county assessed valuation of all property located within such county and the taxpayer receives a refund of such taxes paid under protest or a refund made pursuant to the provisions of K.S.A. 79-1609, and amendments thereto, the county treasurer or the governing body of any taxing subdivision within a county may request the pooled money investment board to make a loan to such county or taxing subdivision as provided in this section. The pooled money investment board is authorized and directed to loan to such county or taxing subdivision sufficient funds to enable the county or taxing subdivision to refund such taxes to the taxpayer. The pooled money investment board is authorized and directed to use any moneys in the operating accounts, investment accounts or other investments of the state of Kansas to provide the funds for such loan. Each loan shall bear interest at a rate equal to the net earnings rate of the pooled money investment portfolio at the time of the making of such loan. The total aggregate amount of loans under this program shall not exceed \$50,000,000 of unencumbered funds pursuant to article 42 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto. Such loan shall not be deemed to be an indebtedness or debt of the state of Kansas within the meaning of section 6 of article 11 of the constitution of the state of Kansas. Upon certification to the pooled money investment board by the county treasurer or governing body of the amount of each loan authorized pursuant to this subsection, the pooled money investment board shall transfer each such amount certified by the county treasurer or governing body from the state bank account or accounts prescribed in this subsection to the county treasurer who shall deposit such amount in the county treasury. Any such loan authorized pursuant to this subsection shall be repaid within four years. The county or taxing subdivision shall make not more than four equal annual tax levies at the time fixed for the certification of tax levies to the county clerk following the making of such loan sufficient to pay such loan within the time period required under such loan. All such tax levies shall be in addition to all other levies authorized by law.

(o) The county treasurer shall disburse to the proper funds all portions of taxes paid under protest and shall maintain a record of all portions of such taxes which are so protested and shall notify the governing body of the taxing district levying such taxes thereof and the director of accounts and reports if any tax protested was levied by the state.

(p) This statute shall not apply to the valuation and assessment of property assessed by the director of property valuation and it shall not be necessary for any owner of state assessed property, who has an appeal pending before the state board of tax appeals, to protest the payment of taxes under this statute solely for the purpose of protecting the right to a refund of taxes paid under protest should that owner be successful in that appeal.

motor vehicles, alcoholic beverages, tobacco, electronic cigarettes as defined by K.S.A. 79-3301, and amendments thereto, and consumable material as defined by K.S.A. 79-3399, and amendments thereto, for such electronic cigarettes, to persons who are residents of this state and have been honorably discharged from active service in any branch of the armed forces of the United States and who are certified by the United States department of veterans affairs or its successor to have a 100% disability or be deemed totally disabled or unemployable, provided that the disability is permanent and was sustained through military action or accident or resulted from disease contracted while in such active service, shall be exempt from the tax imposed by the Kansas retailers' sales tax act. Sales of items or services for the benefit of the eligible person, as provided by this section, that are purchased on behalf of such eligible person by a spouse or by a member of the household in which the eligible person resides and who is authorized to make purchases on the eligible person's behalf shall also be exempt for purposes of this section. The surviving spouse of an eligible person who was receiving an exemption pursuant to this section at the time of such person's death shall be eligible to continue to receive such exemption until the surviving spouse remarries. This exemption shall apply only to such property and services that are used or will be used for the personal use of the eligible person or such person's spouse or surviving spouse and not used for the production of income.

(b) Sales qualifying for the exemption authorized by this section shall not exceed \$24,000 per year per eligible person.

(c) Prior to claiming any such exemption, an eligible person claiming an exemption pursuant to this section shall apply to and obtain from the secretary of revenue a veteran exemption identification number. The secretary shall prescribe the application form for such number, and such eligible person shall provide with the application information sufficient to establish that such eligible person qualifies for the sales tax exemption. The department of revenue shall also provide to each qualifying eligible person an exemption certificate in the form of a driver's-license-size card that includes the veteran exemption identification number of such eligible person and any other information necessary to prove eligibility to any retailer. Such eligible person shall present the exemption certificate card or enter the issued identification number on any exemption certificate presented to any retailer when claiming the sales tax exemption on any qualifying purchases.

(d) Upon request of the secretary, an eligible person asserting or claiming the exemption authorized by this section shall provide a statement, executed under oath, that the total sales amounts for which the exemption is applicable have not exceeded the individual taxpayer's yearly limit prescribed by this section. If the amount of such exempt sales exceeds such prescribed limit, the sales tax in excess of the authorized amount shall be treated as a direct sales tax liability and may be recovered by the department of revenue in the same manner as provided by the Kansas retailers' sales tax act.

(e) This section shall be a part of and supplemental to the Kansas retailers' sales tax act.

New Sec. 2. (a) When a used motor vehicle is sold on or after January 1, 2025, by an individual instead of being traded in as partial payment on the sale of a new or used motor vehicle, and the individual purchases a new or used vehicle of greater value within 120 days before or after such sale, the tax imposed by the Kansas retailers' sales

tax act pursuant to K.S.A. 79-3601 et seq., and amendments thereto, or the Kansas compensating tax pursuant to K.S.A. 79-3701 et seq., and amendments thereto, shall be paid on the amount of total consideration paid for the new or used vehicle purchased by such individual that exceeds the amount received by such individual from such sale of the used motor vehicle. In the event that the consideration paid for the purchased vehicle is equal to or less than the amount received from the sale of the used motor vehicle, then the individual shall not owe any sales or compensating use tax.

(b) For purposes of subsection (a), the individual may either:

(1) Provide to the county treasurer the completed bills of sale for the vehicle sold and the vehicle purchased at the time that the purchased vehicle is registered. The county treasurer shall collect the tax on the amount prescribed under subsection (a); or

(2) apply to the department of revenue if taxes have already been paid on the purchased vehicle for a refund of the amount of tax paid by the individual that exceeds the tax amount owed pursuant to subsection (a) by providing both the completed bills of sale for the vehicle sold and the vehicle purchased.

(c) (1) The deduction provided by this section shall not be allowed unless the taxpayer claiming the deduction provides a copy of the bills of sale required pursuant to subsection (b), and such bills of sale are on department of revenue form TR-312 or, at a minimum, include information necessary to tie the specific purchase transaction to the related sale transaction including, but not limited to, the:

- (A) Seller's printed name and address;
- (B) buyer's printed name and address;
- (C) year, make and vehicle identification number of the vehicle;
- (D) sale price and date of sale of the vehicle; and
- (E) signatures of the seller and the buyer and the date signed.

(2) The sale price, date of sale and the name of at least one buyer and seller listed on the bill of sale must match the information entered in the assignment of title on the back of the certificate of title.

(3) If the taxpayer claiming such deduction fails to provide such signed bills of sale, the tax shall be due on the total consideration paid for the new or used vehicle.

(d) The department of revenue shall issue a refund pursuant to subsection (b)(2) from the sales tax refund fund for any valid claims filed within three years from the date of the purchase of the replacement vehicle.

(e) The director of vehicles shall prescribe forms for compliance with this section.

(f) As used in this section, "consideration paid" means the amount paid after any rebate or discount.

Except as

An individual may be the account holder of multiple accounts and an individual may jointly own the account with another individual if such individuals file a joint income tax return. An account holder shall comply with the requirements of this act to be eligible for the modifications set forth in K.S.A. 79-32,117, and amendments thereto.

If any moneys are subject to recapture, the account holder shall pay a penalty in the following amounts:

- (1) If the withdrawal of moneys occurred 10 or less years after the first deposit in the account, 5% of the amount subject to recapture; and
- (2) if the withdrawal of moneys occurred more than 10 years after the first deposit in the account, 10% of the amount subject to recapture.

(d) The penalties provided in subsection (c) shall not apply if the withdrawn moneys are from an account after the death of the designated beneficiary, and the account holder did not designate a new designated beneficiary during the same tax year.

(e) If the account holder dies or, if the account is jointly owned and the account owners die, and the account does not have a surviving payable on death beneficiary, then all of the moneys in the account resulting from contributions or income earned from assets in the account shall be subject to recapture in the tax year of the death or deaths pursuant to K.S.A. 79-32,117, and amendments thereto, but no penalty shall be assessed pursuant to subsection (c).

New Sec. 5. (a) The secretary shall establish forms for an account holder to annually report information about any accounts held by such account holder. An account holder shall annually file with the account holder's state income tax return all forms required by the secretary under this section, the form 1099 for the account issued by the financial institution and any other supporting documentation the secretary requires.

(2) determining or ensuring that moneys in the account are used for eligible expenses; or

(3) reporting or remitting taxes or penalties related to the use of account moneys.

(c) A financial institution may rely on such financial institution's account records for determining a payable on death beneficiary for an adoption savings account. If the payable on death beneficiary in a financial institution's account records conflicts with the designated beneficiary on any form required by the secretary pursuant to this act, the payable on death beneficiary in such financial institution's account records shall control.

New Sec. 7. The state treasurer may have nonexclusive authority to market the adoption savings account program to account holders and financial institutions throughout the state and may report on the marketing initiatives in the state treasurer's office annual report.

(2) A contribution for which a credit is claimed must be a voluntary contribution and shall not be a payment for services rendered.

(3) If the amount of such tax credit exceeds the taxpayer's tax liability for such tax year, the taxpayer may carry over the amount that exceeds such tax liability for deduction from the taxpayer's liability in the next succeeding tax year or years until the total amount of the tax credit has been deducted from tax liability, except that no such tax credit shall be carried over for deduction after the fifth tax year succeeding the tax year in which the contribution was made.

(4) In no event shall the total amount of credits allowed under this section for contributions to a single eligible charitable organization exceed \$5,000,000 per tax year.

(5) The aggregate amount of credits claimed pursuant to this section shall not exceed \$10,000,000 per tax year.

Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than 90 days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation.

Sec. 9. K.S.A. 2023 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.

(iii) The federal net operating loss deduction, except that the federal net operating loss deduction shall not be added to an individual's federal adjusted gross income for tax years beginning after December 31, 2016.

(iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same

proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(vi) Any amount of designated employee contributions picked up by an employer pursuant to K.S.A. 12-5005, 20-2603, 74-4919 and 74-4965, and amendments thereto.

(vii) The amount of any charitable contribution made to the extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 79-32,196, and amendments thereto.

(viii) The amount of any costs incurred for improvements to a swine facility, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,204, and amendments thereto.
