The Pooled Money Investment Board (PMIB) and its authority are established under the State Monies Law, KSA 75-4201 *et seq.* The PMIB manages the investable state money available from the State General Fund (SGF) and the hundreds of other individual state agency funds received by the Office of the State Treasurer. PMIB also provides investment management services for individual state agencies with statutorily authorized investment authority. The agencies are referred to as “special funds,” and include the Kansas Department of Transportation and the Health Care Stabilization Fund.

In addition, PMIB administers the Kansas Municipal Investment Pool (MIP), a state program providing local municipal entities with an investment alternative for their idle funds. For investment and cash flow management purposes, MIP moneys are combined with investable state moneys to create the Pooled Money Investment Portfolio (PMIP). Under state statutes, investments are allowed in Kansas bank certificates of deposit, U.S. Treasury securities, U.S. governmental agency securities, high-grade commercial paper, high-grade corporate bonds, and overnight repurchase agreements.

STATUTORY BASIS: • KSA 75-4201 *et seq.*

AGENCY GOALS: • The Pooled Money Investment Board aspires to be a premier financial services organization; serving both the citizens and the State of Kansas through professionalism, integrity, and efficiency. The agency strives to maximize the return on those resources entrusted to our care while remaining steadfast to the primary objectives of safety and liquidity.
