

Licensure, Registration, and Renewals

Consequences of Not Funding this Program

A lack of uniformity in setting standards and not assuring the public that a veterinarian or registered veterinary technician possesses the qualifications, skills, and ability to practice their profession.

<u>Statutory Basis</u>	<u>Mandatory vs. Discretionary</u>	<u>MOE/Match Rgt.</u>	<u>Priority Level</u>
Specific K.S.A. 47-814, 47-816, 47-829, 47-856	Mandatory	No	1

Program Goals

- A. To assure the public consumer that each licensed veterinarian and each registered veterinary technician is qualified, properly trained, and performing in accordance with the Kansas Veterinary Practice Act.
- B. To assure that all Kansas veterinary premises meet or exceed minimum premise standard to assure adequate facilities for providing veterinary services to the public in a sanitary and safe manner.
- C. To assure that licensees practice in a manner that prevents and controls animal diseases communicable to humans.
- D. To assure that licensees practice in a manner that protects the safety of animal products entering the public food chain.
- E. To protect public welfare against negligent and fraudulent practices, including unlicensed practice.
- F. To respond efficiently and effectively in the investigation of all allegations of violations reported to the agency.
- G. Insure that a mobile premise is a registered premise that has met certain standards and had a virtual inspection.

Program History

Licensing of veterinarians started in 1907 with provisions in the Veterinary Practice Act (KSA 47-815 et seq.) Registration of veterinary technicians was implemented in 1993.

Premise Inspections

Consequences of Not Funding this Program

Premises and mobile premises would not meet minimum standards to assure adequate facilities for providing services to the public in a sanitary and safe manner.

	<u>Statutory Basis</u>	<u>Mandatory vs. Discretionary</u>	<u>MOE/Match Rgt.</u>	<u>Priority Level</u>
General	KSA 47-821 & 840	Mandatory	No	1
Specific	KSA 47-834 (b)	Mandatory	No	1
Specific	KAR 70-6; 70-7	Mandatory	No	1

Program Goals

- A. To have all Kansas veterinary premises in compliance with minimum standard regulations and registered with the Board
- B. To register all "new" premises
- C. To register all premises that change ownership

Program History

Regulations for minimum standards for Veterinary Premises Sanitary Conditions and Physical Plant was implemented in 1994 and amended in 2017. While mobile premises were being identified in FY20, the first ones were registered in FY21.

Performance Measures

Investigation of Complaints

Consequences of Not Funding this Program

No oversight over reports of diseases communicable to humans, unsafe animal products entering the food chain, violations of certificates of veterinary inspection, negligent and fraudulent practices including unlicensed practice of veterinarians and practice by registered veterinary technicians, and practice of impaired veterinarians and veterinary technicians.

	Statutory Basis	Mandatory vs. Discretionary	MOE/Match Rgt.	Priority Level
Specific	KSA 47-816, 834, 847	Mandatory	No	1

Program Goals

- A. Assure licensees practice in a manner which prevents and controls animal diseases communicable to humans, such as rabies.
- B. Assure licensees practice in a manner that protects the safety of animal products entering the food chain.
- C. Protection of the public welfare against negligent and fraudulent practices including unlicensed practice.
- D. Investigate all allegations of a licensed veterinarian's or registered veterinary technician's impairment.

Program History

The statute for practicing without a license was added in 1969. The statute relating to impaired veterinarians was added in 1989.

Performance Measures

<i>Outcome Measures</i>	<i>Goal</i>	<i>FY 2019 Actuals</i>	<i>FY 2020 Actuals</i>	<i>FY 2021 Actuals</i>	<i>FY 2022 Previous Est.</i>	<i>FY 2022 Actuals</i>	<i>FY 2023 Est.</i>	<i>FY 2024 Est.</i>	<i>3- yr. Avg.</i>
