SCOTT SCHWAB
Secretary of State
State of Kansas

PROCLAMATION BY THE GOVERNOR

TO THE PEOPLE OF KANSAS, GREETINGS:

WHEREAS, Kansans need tax relief; and

WHEREAS, a bipartisan tax cuts proposal was introduced in January 2024 that would have provided more than \$1 billion in savings to Kansas taxpayers over three years; and WHEREAS, those proposed tax cuts would have significantly reduced state property taxes for Kansas homeowners; completely eliminated state taxes on Social Security; increased the standard deduction; immediately eliminated state sales tax on groceries, diapers, and feminine hygiene products; provided substantial relief for child care; and created a back-to-school state sales tax holiday; and the Legislature decided not to support that proposal; and

WHEREAS, the Legislature was unable to pass sustainable, comprehensive tax relief during the 2024 session; and

WHEREAS, it is of utmost urgency that the Legislature act to provide all Kansans with responsible, common-sense tax relief.

NOW, THEREFORE, I, Laura Kelly, GOVERNOR OF THE STATE OF KANSAS, by the authority vested in me by the Constitution of the State of Kansas, do hereby call the

Legislature of the State of Kansas into Special Session

at the Capitol in Topeka, Kansas, on the 18th day of June 2024, at the hour of 9:00 o'clock a.m. to pass sustainable, comprehensive tax relief.

DONE: At the Capitol in Topeka
under the Great Seal of
the State this 14th day of
June, A.D. 2024

BY THE GOVERNOR: LAURA KELLY
SCOTT SCHWAB
Secretary of State
JAMESON BECKNER
Assistant Secretary of State

The House met pursuant to adjournment with Speaker Hawkins in the chair.

The roll was called with 123 members present.

Reps. Pickert and Sanders were excused on excused absence by the Speaker.

Excused later: Rep. Robinson.

Prayer by Chaplain Holmes:

Good morning Father,

As we open this Special Session, the necessity of Your leadership and wisdom is paramount.

Thank You for those who have traveled far, set aside personal agendas and made themselves available for the work set before them. May their commitment to the people of Kansas and their call of service be honored with memorable accomplishments this day.

We want to take a moment and honor the memory of our colleague Les Mason and his unique service to our State as well as to this House of Representatives. His leadership will be missed today as we debate issues which could very well impact our State for years to come.

Your Word declares in Proverbs 11:14, "Where there is no guidance the people fall, but in abundance of counselors there is victory." I pray for each Representative in this chamber to be a counselor, providing guidance for the people they represent. May any victory achieved be claimed for the people of Kansas, and not for anyone's personal fame or accreditation.

Bless the families of our Representatives, some who have had to rearrange plans and schedules, so the work and will of the people might move

forward. I pray their patience and sacrifice will be rewarded through positive legislation.

Thank you for the staff and support personnel who have shown up today to help make things go smoothly. Their service and dedication to duty is not overlooked.

And now Father, may peace, legislative productivity and positive outcomes mark this day.

I pray this in Jesus Name. Amen

The Pledge of Allegiance was led by Rep. Blex.

MESSAGE FROM THE GOVERNOR

REGARDING SPECIAL LEGISLATIVE SESSION

Kansans need tax relief. Now. My administration's unwavering commitment to sound fiscal management and historic economic growth has created the opportunity to provide sales, income, and property tax relief for all Kansans.

In January, I introduced, with bipartisan support, a tax cut proposal that would have

provided more than \$1 billion in tax relief. This proposal significantly reduced state property taxes, eliminated state taxes on Social Security, increased the standard deduction for state income tax, and immediately eliminated the state sales tax on food, among other provisions.

Kansans should be enjoying those tax breaks now. However, instead of embracing my plan, Legislative leadership crafted their own tax relief legislation.

While I appreciate the bipartisan efforts that went into the tax relief bills passed by the Legislature this session, each of those proposals was too costly and endangered the state's fiscal future. I vetoed those bills and asked the Legislature for common-sense, fiscally sustainable alternatives.

We cannot repeat past mistakes. We cannot jeopardize the progress made in rebuilding our state's economy, infrastructure, and education system over the last six years.

As you return, Legislative leadership and I have come to a consensus on a tax relief package that will be presented to the House and Senate during the upcoming special session. This agreement allows significant, long overdue, tax relief to Kansans, while preserving our ability to invest in the state's future. This agreement is not without its flaws. The movement from a three-tiered to two-tiered income tax structure limits the amount of property tax relief that can be provided to Kansans. However, it does meet the affordability criteria I proposed. Thus, should the legislature pass this negotiated agreement, without changes, I intend to sign it.

Now is the time for us to get this done. And together, we can.

THE GOVERNOR'S OFFICE

BY THE GOVERNOR LAURA KELLY

DATED June 14, 2024

HCR 5001—A PROPOSITION to amend section 2 of the bill of rights of the constitution of the state of Kansas to insert the right to vote as a political right.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 2 of the bill of rights of the constitution of the state of Kansas is hereby amended to read as follows:

"§ 2. Political power; privileges. All political power is inherent in the people, *including the right to vote*, and all free governments are founded on their authority, and are instituted for their equal protection and benefit. No special privileges or immunities shall ever be granted by the legislature, which may not be altered, revoked or repealed by the same body; and this power shall be exercised by no other

tribunal or agency."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to ensure that the bill of rights of the constitution of the state of Kansas clearly contains a right to vote as a political right to ensure that any law enacted regulating the right to vote does not violate this basic right.

"A vote for this proposition would add the right to vote as a specific power to all political power inherent in the people as set forth in the bill of rights of the constitution of the state of Kansas.

"A vote against this proposition would continue the status quo that the bill of rights will not contain a right to vote as a specific political power inherent in the people. The constitution of the state of Kansas will continue to contain sections concerning voting, voter qualifications, filling vacancies in elected offices, recall and mode of voting."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate, shall be entered on the journals, together with the yeas and nays. EXPLANATION OF VOTE

MR. SPEAKER: I vote yes on **SB 1**. This governor is tone deaf to the pleadings of Kansans for property tax relief. At best, our citizens are renting their homes, businesses and ag land from the government. At worst, we are forcing seniors out of their homes, closing small businesses and strangling our producers' ability to feed the world. After voting 7 times for tax cuts that the governor opposed, in this election year. I feel obliged to vote "yes" since this is the last train out of town. But, I'll be back to work on real property tax relief that our citizens deserve. - WILLIAM S. CLIFFORD, PATRICK A. PENN, JIM MINNIX, TIMOTHY JOHNSON, JOHN EPLEE, SCOTT HILL, BOB LEWIS

EMERGENCY FINAL ACTION SUBJECT TO AMENDMENT AND DEBATE

The bill passed.

EXPLANATIONS OF VOTE

MR. SPEAKER: The way this bill has been rushed through causes me great concern, and I will not make rushed decisions that could affect Kansans' tax dollars.

If you know me at all, you know I love the Royals. From my second grade George Brett scrapbook to my bobblehead collection and my paver at the K, I bleed Royal blue. However, sometimes you have to be tough with those you love. The stadium tax failed due to a lack of transparency and information, which we are now asking Kansans to accept. I simply can't do that. I vote no on **HB 2001**. – LINDA FEATHERSTON

MR. SPEAKER: I vote NO on **HB 2001**. The KC Chiefs and the KC Royals Star Bonds bill for the following reasons:

- This bill needs to do more to negotiate on behalf of Kansans.
- There is no economic impact study to understand the financial impact.
- Typical Star Bonds are 50% and this one is up to 70%. That is a 70% discount for the developer, and Kansas will have zero ownership.
- I have concerns for property owners in the footprint.
- Once the legislature passes and the Governor signs this bill the baton is handed to the Secretary of Commerce, David Toland, who is also the Lt. Governor, and to me this is a conflict of interest.

Therefore, I vote NO on **HB 2001** as there are too many unknowns. – CARRIE BARTH, REBECCA SCHMOE, SAMANTHA POETTER PARSHALL

MR. SPEAKER: I vote yes on **HB 2001** because of its overwhelming support of citizens

of my district in Leavenworth and Wyandotte counties. While I have some questions, I pledged when elected to vote the will of the people. – TIMOTHY JOHNSON

MR. SPEAKER: I strongly oppose **HB 2001** for being a bill that takes a basically ineffective state program, Star Bonds, and accelerates the costs and risks to taxpayers. Economic study after economic study has shown that building sports stadiums is a waste of taxpayers money if the goal is significant economic development. And yet proponents of **HB 2001** make exactly that disproven claim. What gall! There are no “free lunches” in reality and anytime someone starts telling you about a no-risk, no-cost deal to the taxpayers, you should both watch your wallet and show them the door. – PAUL WAGGONER, BRETT FAIRCHILD, BILL RHILEY, SCOTT HILL

On motion of Rep. Croft, the House recessed until 3:15 p.m.

AFTERNOON SESSION

The House met pursuant to recess with Speaker pro tem Carpenter in the chair.

INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following concurrent resolution was introduced and read by title:

HCR 5002, by Representatives Hawkins, Croft and V. Miller.

HCR 5002 – A CONCURRENT RESOLUTION relating to the 2024 special session of the Legislature and providing for adjournment sine die thereof.

On motion of Rep. Croft, the House recessed until 4:30 p.m.
